core series aligns with those specific standards to help guide students through their classes. Each guide in the series features real-world problems and examples, illustrations, and tables to help students retain information.

Softbound Interactive Student Text is divided into a two-volume set that is perforated and 3-hole punched for easy organization for middle school students. This is volume 1.

Math Learning Programs by enVisionMATH Daily Problem-Based Interactive Math Learning followed by Visual Learning strategies deepen conceptual understanding by making meaningful connections for students and delivering strong, sequential visual/verbal connections through the Visual Learning Bridge in every lesson. Ongoing Diagnosis & Intervention and daily Data-Driven Differentiation ensure that enVisionMATH gives every student the opportunity to succeed.

The Math Common Core 7th grade represents a program of study to be taught in public schools. Specifically, by the end of the seventh grade, students are taught and expected to master five critical domains: (1) expressions and equations; (2) geometry; (3) ratios and proportional relationships; (4) the number system; and (5) statistics and probability. A national education standard is one of the many benefits that was created by the Math Common Core 7th grade. Further, the

iPad 3rd or 4th generation, or iPad mini running iOS 6. Using full-color, step-by-step tasks, My iPad for Kids walks step-by-step through learning how to use your iPad for home, school, and just for fun! Grade specific chapters for grades 4-7 offer information on apps that are great resources for everything from music to art to spelling and math homework. In addition, you learn how to setup and configure all the features of your iPad, including connecting to networks, setting up and using email accounts, using Siri, downloading and installing apps, safely surfing the internet downloading and syncing music and videos, taking and sharing photos, playing games, as well as setting up restrictions (parental controls) and troubleshooting problems with your iPad, should any occur. Full-color, step-by-step tasks walk you through learning how to use your iPad for home, school, and just for fun! Learn how to:

- Safely surf the Internet on the iPad to do research for school and find interesting facts.
- Use email, texting, and chat apps to stay in touch with friends, family, and teachers.
- Have fun (or do group projects for school) using FaceTime and Skype video chatting.
- Write emails, search the Web, and launch apps with your voice using Siri.
- Use the iPad in school and for homework.

Four chapters of suggestions for grade-specific apps (4th through 7th grade) to help you excel in the classroom.

- Use the built-in Music app so you can rock out to your favorite tunes.
- Watch movies and TV shows from iTunes and videos on YouTube (only when homework is done, of course).
- Use iPad's built-in cameras to take photos and video of you and your friends. Use the Photo Booth app to make them even more
