

Escape Book 2 Chase

Three years ago, Chase Gallardo ran toward freedom with his fellow survivors after having spent five months in captivity. He hasn't stopped running since. Only now, it's the memories he's constantly trying to escape. Haunting echoes of a man who forced Chase to play the part of another, the kidnapper's younger brother. Chase may have survived, but that doesn't mean he's really living. Until one day, when his employee tells him there's a man sitting at the bar, wearing only underwear. Remy Stahl has given up—almost. For a year, alcohol, drugs, and faces without names have kept him company. But he has two friends who refuse to give up on him, and they lock him up in his house in an attempt to save him from himself. Though, never underestimate an addict's desire to see the bottom of another bottle. Remy escapes, and he doesn't give a rat's ass that he's nearly naked. This is the sequel to *Aftermath*, where Cam and Austin met, struggled, and fell in love. *Outcome* takes us back to Bakersfield with Chase and Remy's story. Fueled by anger, guilt, and shame, they're not off to an easy start. But it's only a matter of time before they learn how much they need each other in order to move on.

A thrilling debut novel where fantasy and science fiction meet, dragons aren't as innocent as they look, and nothing is quite what it seems. Anne has spent most of her thirteen years dreaming of the day she and her best friend Penelope will finally leave Saint Lupin's Institute for Perpetually Wicked and Hideously Unattractive Children. When the big day arrives, a series of very curious happenings lead to Anne being charged with an epic quest. Anne, Penelope, and new questing partner Hiro have only days to travel to strange new locales, solve myriad riddles, and triumph over monstrous foes—or face the horrible consequences. Packed with action, humor, and endless heart, this debut novel marks the first volume in an irresistible and original fantasy series.

The Chase is a modern *The Fugitive* with characters only #1 New York Times and Globe and Mail bestselling author Candice Fox can write. “Are you listening, Warden?” “What do you want?” “I want you to let them out.” “Which inmates are we talking about?” “All of them.” When 650 of the world’s most violent human beings pour out of the Pronghorn Correctional Facility into the Nevada Desert, the biggest manhunt in US history begins. For John Kradle, this is his chance to prove his innocence, twenty-six years after the murder of his wife and child. He just needs to stay one step ahead of the law enforcement officers he knows will be chasing down the escapees. Death Row Supervisor turned fugitive-hunter Celine Osbourne is single-minded in her mission to catch Kradle. She has very personal reasons for hating him – and she knows exactly where he’s heading...

Gumboots is a beautiful pet rabbit, but he likes to escape. A story that celebrates what it means to live in a community and a reminder that life is full of surprises.

In the future, in a place called Satellite City, fourteen-year-old Cosmo Hill enters the world, unwanted by his parents. He's sent to the Clarissa Frayne Institute for Parentally Challenged Boys, Freight class. At Clarissa Frayne, the boys are put to work by the state, testing highly dangerous products. At the end of most days, they are covered with burns, bruises, and sores. Cosmo realizes that if he doesn't escape, he will die at this so-called orphanage. When the moment finally comes, Cosmo seizes his chance and

breaks out with the help of the Supernaturalists, a motley crew of kids who all have the same special ability as Cosmo—they can see supernatural Parasites, creatures that feed on the life force of humans.

Who knew a sweaty photo would be good for business? Now, unwanted booty calls are coming in as fast as work orders, and Liam Chase needs to get away. Cue a job upstate. His new client is hot as hell, but he left NYC to escape attention, not to hook up with the city's "runaway bride." With three disastrous relationships under her belt, it's clear Claire Stevens's judgment sucks. And what she's feeling for America's newest sex god? Obviously another hormone-fueled mistake. But when she accidentally fells a tree on his truck, leaving them stranded in a winter storm with a chocolate-snatching raccoon, there's something to be said for body heat. Too bad neither can trust their explosive chemistry... Each book in the Chase Brothers series is STANDALONE: * Five Things I Love About You * For Seven Nights Only * The Three-Week Arrangement * The 48-Hour Hookup * One Sexy Mistake

Love bound us together... but fate has other plans. Just when a happily ever after with my Seelie men was within reach, the Heart of the Mists tied me to one of the foreboding winter arch-lords. I can't escape the connection between us. The enemy can speak from right within my soul. I'm not willing to give up on my happiness that easily, but I can't let the realms descend into all-out war. I'll brave the uncertainties of the winter lands if that's what it takes to protect the men I love. My chilly Unseelie arch-lord isn't quite what I expected, though. As the lines between ally and enemy start to blur, can I stop the clash of winter and summer before even more blood is shed? *Royal Mate is the fourth in Bound to the Fae, a new paranormal romance series featuring possessive wolf shifters, dangerous fae politics, and a wounded heroine finding her strength. Grab it now and get swept away in the fantasy!* In the second book of the Jannah Jewels Series, the girls are caught and thrown aboard the ship of Zheng He, the famous Chinese Muslim Admiral. Caught in a lightning thunderstorm, they must sail in raging waters to retrieve a rare medicine plant. Can the Jannah Jewels escape the fiery arrows of pirates and make it safely back home?

Captain Calli Chase races against time to thwart a plot that leaves the fate of humanity hanging in the balance in this new thriller from international bestselling author Patricia Cornwell. In the aftermath of a NASA rocket launch gone terribly wrong, Captain Calli Chase comes face-to-face with her missing twin sister—as well as the startling truth of who they really are. Now, a top secret program put in motion years ago has spun out of control, and only Calli can redirect its course. Aided by cutting-edge technologies, the NASA investigator and scientist turned Space Force pilot sets out on a frantic search for the missing link between the sabotaged rocket launch and her predetermined destiny...a search that someone else seems very interested in stopping. From NASA to the Chase family farm, to the White House to distant orbits of space, Calli plays a high-stakes game of hide-and-seek with a cunning and ruthless adversary. One wrong move will unleash cataclysmic consequences reaching far beyond the boundaries of Earth. This heart-pounding Captain Chase thriller from Patricia Cornwell will leave readers desperate for more.

Don't stop running . . . the second edge-of-your-seat thriller with bite from international bestselling author Linwood Barclay for ages 9+ 12-year-old Jeff and genetically engineered spy dog Chipper are on the run from the mysterious and sinister government organisation known only as The Institute. Due to a combination of bravery, luck and some of Chipper's more useful modifications, they've managed to evade their

pursuers so far. But The Institute is closing in and Chipper and Jeff will have to be stay one step ahead if they want to stay alive.. Danger, secrets and thrilling suspense collide in Linwood Barclay's action-packed series for children.

"Chipper is a very special dog. He's part of a multi-million-dollar experiment at a secret organization known only as The Institute. The Institute has been experimenting with dogs, melding them with state-of-the-art computer technology. But there's a problem with Chipper. His natural dog instincts often overrule his computer side. No matter what he's doing, if he sees a squirrel or a mouse, he'll drop everything to chase it. So The Institute has decided it's time to pull the plug on Chipper. Chipper manages a daring escape with a destination in mind, but a team from The Institute, led by the cold-hearted Daggert, is hot on his heels. Twelve-year-old Jeff Conroy lives with his aunt and helps run her lakeside cabin-rental business. Jeff desperately misses his parents, who were killed in a plane crash a year earlier. But at least he's made one friend: Emily, a computer whiz, has the coolest fort ever: a trackless, abandoned train station in the middle of the forest. After eluding his would-be captors, Chipper boards a bus to the country that ends up taking him to Jeff and Emily, discover a computer port in Chipper's collar. Chipper's arrival is not random, it turns out. He has been looking for Jeff - and now so is Daggert ..."--

US Marshals Madison James and Jonas Quinn are thrust into a high-profile case when they are called on to transport two prisoners across the country on a private plane. But when the plane experiences engine trouble en route from the Pacific Northwest to Colorado, the pilots crash-land the aircraft deep in the heart of the sprawling Salmon-Challis National Forest. When Madison and Jonas regain consciousness, they find both pilots and one prisoner dead--and one fugitive on the run. They'll have to negotiate the rugged and remote backcountry through Idaho, Wyoming, and Colorado while tracking a murderer who is desperate to disappear--and will do anything to stop them. This high-octane game of cat-and-mouse from bestselling and award-winning author Lisa Harris will have your heart pumping as you try to catch a fugitive with nothing to lose.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

This book presents a unique fusion of two different research topics. One is related to the traditional mathematical problem of chases and escapes. The problem mainly deals with a situation where a chaser pursues an evader to analyze their trajectories and capture time. It dates back more than 300 years and has developed in various directions such as differential games. The other topic is the recently developing field of collective behavior, which investigates origins and properties of emergent behavior in groups of self-driving units. Applications include schools of fish, flocks of birds, and traffic jams. This book first reviews representative topics, both old and new, from these two areas. Then it presents the combined research topic of "group chase and escape", recently proposed by the authors. Although the combination is simple and straightforward, the book describes the emergence of rather intricate behavior, provoking the interest of readers for further developments and applications of related topics.

Escaping to the Iowa wilderness after their secret marriage, Ian and Faith Duncan, with only a family Bible, a wedding-ring quilt, an extraordinary horse, and their trust in each other, embark on a new life together that is filled with both happiness and tragedy. Original. US Marshal Madison James may not be sure who shot her three months ago, but she does know one thing--it's time to get back out into the field. When her partner, Jonas Quinn, receives a message that a federal warrant just came in on a man connected to a string of bank robberies, Madison jumps at the chance to get back to work. What she and Jonas find is a bank robbery in progress that's gone wrong--and things are about to get worse. For these bank robbers, it's never been just about the money. It's about taking risks and adrenaline rushes,

and getting caught is not part of the game. When the suspects escape, Madison and Jonas must hunt them down and bring them to justice before someone else--someone close to them--gets hurt . . . or worse. From Seattle to the San Juan Islands, bestselling author Lisa Harris takes you on a nonstop chase where feelings are complicated and failure isn't an option.

A sexy, hilarious, emotional, new romance from New York Times bestselling author Emma Chase. Connor Daniels never thought he'd be starting over at dating square one. His career as a successful doctor, and his three boys, are everything to him. It's not exactly a set-up conducive to a scorching love life—but he's giving it a shot. ER nurse Violet Robinson never intended for Connor to find out she's had a crush on him forever. It was a dirty little secret only meant for her dirty dreams. Her heart trips every time he's around—and so do her feet. When Connor sees Violet coasting across the grocery store parking lot—and she falls on her face—he starts falling for the gorgeous, young nurse right back. Dating can be tricky. And life can be beautiful and crazy and unpredictable. But when it gets real, you discover what matters most . . . and the one person you want loving you through it all.

"Three brothers run away from home to live like Robin Hood and his merry men, deep in the forest of Brendon Chase. They make their camp in an ancient oak tree and live like outlaws, loving the dangers and excitements of their wild surroundings. Their aim is never to be caught - but how can they avoid all the people who are searching for them, including the police?"

The highly-anticipated sequel to the New York Times bestselling novel *The Candymakers* by beloved author Wendy Mass. #1 NEW YORK TIMES BESTSELLING PHENOMENON More than 6 million copies sold A Reese Witherspoon x Hello Sunshine Book Club Pick A Business Insider Defining Book of the Decade "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home,

finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Where the *Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Chase Fury, the VP of the Savage Kings MC has dealt with his fair share of tragedy over the years. He never wanted the responsibility that comes with being at the head of the table, preferring to leave that to his brother, Torin. But after an unexpected attack on the Kings sends his brothers on a path of vengeance, Chase will have no choice but to take on the burden of being the man in charge. Reporter Sasha Sheridan has steered clear of any and all bad boy bikers wearing the bearded skull for the last ten years. While investigating a story, she suddenly finds herself back in the cross-hairs of the Savage Kings. Uncovering the secrets that the club's president is trying to keep hidden may very well put her life in danger. She may be able to handle the threat, but she can't escape the man who broke her heart. Chase hasn't forgiven himself for hurting Sasha and causing her an unbelievable amount of pain. He still wears her name on his chest, a reminder of the night that he wrecked his bike and everything the two of them had together. Now, with secrets, lies, bloodshed, and violence causing chaos in the club, Chase is determined to use his second chance with Sasha to keep her safe. He never imagined that the best way to do that would be to get her as far away from him and the MC as possible.
