

## Essay On My Ambition In Life To Become A Computer Engineer

"Harvard Law School is the premier law school in America. It as well as other top schools draw thousands of applicants from the best colleges and best companies from around the world. As the admissions departments become more and more selective every year, the competition becomes even fiercer, and even the best and brightest need an edge. 55 Successful Harvard Law School Application Essays is the best book for anyone looking for that edge. Through the most up-to-date sample essays from the Harvard Law School students who made the cut and the most insightful critiques advice from the staff at The Harvard Crimson, it teaches applicants how to: \* Stand out \* Argue their case effectively \* Arrange their accomplishments for maximum impact \* Avoid common pitfalls 55 Successful Harvard Law School Application Essays guides applicants toward writing essays that reveal their passion for the law, the discipline they bring to this demanding profession, and the strength of character they possess for the ethical and moral challenges that lie ahead. The no-nonsense advice and all new essays give applicants all the help they'll need to write the essays that will get them in to the best law schools in the world"-- This lucid and elegantly written book is a sustained conversation about the nature and importance of literary interpretation. Distinguished critic Denis Donoghue argues that we must read texts closely and imaginatively, as opposed to merely or mistakenly theorizing about them. He shows what serious reading entails by discussing texts that range from Shakespeare's plays to a novel by Cormac McCarthy. Donoghue begins with a personal chapter about his own early experiences reading literature while he was living and teaching in Ireland. He then deals with issues of theory, focusing on the validity of different literary theories, on words and their performances, on the impingement of oral and written conditions of reading, and on such current forces as technology and computers that impinge on the very idea of reading. Finally he examines certain works of literature: Shakespeare's Othello and Macbeth, Swift's Gulliver's Travels, a passage from Wordsworth's The Prelude, a chapter of Joyce's Ulysses, Yeats's "Leda and the Swan" and "Coole and Ballylee, 1931," and Cormac McCarthy's Blood Meridian demonstrating what these texts have in common and how they must be differentiated through a sympathetic, imaginative, and informed reading.

Nationalism was a defining characteristic of Turkey in the twentieth century and was a central driving force in Kemal Ataturk's foundation of the Republic in 1923. How did the prominence of Kemalist ways of political thinking affect its people and policies? Is Turkey making progress towards post-nationalism or post-Kemalism in the twenty-first century? To what extent has Turkey's EU candidature been a vehicle of transformation since 1999 and what would EU membership mean for modern Turkey? This book explores the historical impact of Turkish nationalism, anti-liberalism and Westernization and examines the conditions that have contributed to the country's evolution from a quasi-religious Kemalism. Tracing the development of nationalism from its founding period before the Young Turk Revolution of 1908 to Kemalism and the present AKP government- and analysing key factors such as the position of minorities in the Turkification process and the influence of religious politics-this strong and significant contribution casts a new light on a vivid international debate.

"Bold, absorbing, insightful, and wise. . . . Read it: the truth is inside."— Cheryl Strayed, author of Wild and Tiny Beautiful Things "A work of courage and ferocious honesty" (Diana Abu-Jaber), Double Bind could not come at a more urgent time. Even as major figures from Gloria Steinem to Beyoncé embrace the word "feminism," the word "ambition" remains loaded with ambivalence. Many women see it as synonymous with strident or aggressive, yet most feel compelled to strive and achieve—the seeming contradiction leaving them in a perpetual double bind. Ayana Mathis, Molly Ringwald, Roxane Gay, and a constellation of "nimble thinkers . . . dismantle this maddening paradox" (O, The Oprah Magazine) with candor, wit, and rage. Women who have made landmark achievements in fields as diverse as law, dog sledding, and butchery weigh in, breaking the last feminist taboo once and for all. "Both intimate and scalable" (Atlantic.com), Double Bind finally seizes "ambition" from the roster of dirty words.

I didn't know decisions in arranged marriage were made so quickly. When it comes to love marriage there are huge ifs and buts. That the lovers know and understand each other is never taken into consideration. But when it comes to arranged marriage, parents are ready to throw you to sleep with a complete stranger just because he has a secure job and therefore, a good future. They say getting to know each other automatically develops with time. What the ...!

Kate is seemingly born with bad luck. Her sibling dies at a young age, and her parents are bankrupt. They end up getting divorced when Kate is four. With both parents unable financially and emotionally to support her, Kate ends up missing in the Grand Central Terminal in New York City. Soon after, she meets Max in a bakery. Max finds Kate just as he wins the New York lottery. He moves Kate to Los Angeles, where she meets Julia. Julia becomes the mother Kate never had, but she still sometimes thinks of her parents in New York. Kate's once unfortunate life becomes one of adventure when she meets Jason at the Taj Mahal in India. When Julia dies, though, Kate feels the pullback to New York, where she now seeks her birth parents and some kind of reconciliation. However, matters of the heart are never simple, as Kate's challenges have only just begun.

"These are the 'know your value' conversations that we need to have. These women--their challenges, choices, and successes--are all of us." --Mika Brzezinski Over the last sixty years, women's lives have transformed radically from generation to generation. Without a template to follow--a way to peek into the future to catch a glimpse of what leaving this job or marrying that person might mean to us decades from now--women make important decisions blindly, groping for a way forward, winging it, and hoping it all works out. As they faced unexpectedly fraught decisions about their own lives, journalists Hana Schank and Elizabeth Wallace found themselves wondering about the women they'd graduated alongside. What happened to these women who seemed set to reap the rewards of second-wave feminism, on the brink of taking over the world? Where did their

ambition lead them? So they tracked down their classmates and, over several hundred hours of interviews, gathered and mapped data about real women's lives that has been missing from our conversations about women and the workplace. Whether you're deciding if you should pass up a promotion in favor of more flex time, planning when to get pregnant, or wondering what the ramifications are of being the only person in your house who ever unloads the dishwasher, *The Ambition Decisions* is a guide to the changes that may seem arbitrary but are life defining, by women who've been there. Organized by theme, each chapter draws on real women's stories of facing down crisis, transition, and decision-making to illustrate broader trends Schank and Wallace observed. Each chapter wraps up with a useful bulleted list of questions to consider and tips to integrate that will guide women of all ages along the way to finding purpose and passion in work and life.

A work of oral history illuminates the diverse ways in which the Chinese perceive and understand their own modern history.

Essays of a few pages only, easy to read but contemporary all the same, which is to say: personal discovery tours undertaken for the purpose of sharing new insights (on concepts such as justice, wisdom, time, help, etc.) with the reader.

From the pens of spectators, ramblers, idlers, tattlers, hypochondriacs, connoisseurs, and loungers, a new literary genre emerged in 18th century England: the periodical essay. This authoritative anthology gathers the consummate periodical essays of the period.

Soon to be a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir about a boy striving to become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liar's Club*. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and identity. Though J.R.'s mother was his world, his rock, he craved something more, something faintly and hauntingly audible only in *The Voice*. At eight years old, suddenly unable to find *The Voice* on the radio, J.R. turned in desperation to the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Berra sound-alike; and Joey D, a softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark memoirs, *The Tender Bar* is suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving portrait of one boy's struggle to become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Named a best book of the year by *The New York Times*, *Esquire*, *The Los Angeles Times Book Review*, *Entertainment Weekly*, *USA Today*, NPR's "Fresh Air," and *New York Magazine*. A *New York Times*, *Los Angeles Times*, *Wall Street Journal*, *San Francisco Chronicle*, *USA Today*, *Booksense*, and *Library Journal* Bestseller. *Booksense* Pick. *Borders New Voices* Finalist. Winner of the Books for a Better Life First Book Award.

It was 1989. a Taiwanese boy of 14 born with cerebral palsy is about to embark on the best years of his life in South Africa.

Our most eloquent champion of individualism, Emerson acknowledges at the same time the countervailing pressures of society in American life. Even as he extols what he called "the great and crescent self," he dramatizes and records its vicissitudes. Here are all the indispensable and most renowned works, including "The American Scholar" ("our intellectual Declaration of Independence," as Oliver Wendell Holmes called it), "The Divinity School Address," considered atheistic by many of his listeners, the summons to "Self-Reliance," along with the more embattled realizations of "Circles" and, especially, "Experience." Here, too, are his wide-ranging portraits of Montaigne, Shakespeare, and other "representative men," and his astute observations on the habits, lives, and prospects of the English and American people. This volume includes Emerson's well-known *Nature*; *Addresses, and Lectures* (1849), his *Essays: First Series* (1841) and *Essays: Second Series* (1844), plus *Representative Men* (1850), *English Traits* (1856), and his later book of essays, *The Conduct of Life* (1860). These are the works that established Emerson's colossal reputation in America and found him admirers abroad as diverse as Carlyle, Nietzsche, and Proust. The reasons for Emerson's influence and durability will be obvious to any reader who follows the exhilarating, exploratory movements of his mind in this uniquely full gathering of his work. Not merely another selection of his essays, this volume includes all his major books in their rich entirety. No other volume conveys so comprehensively the exhilaration and exploratory energy of perhaps America's greatest writer. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

This carefully crafted ebook: "An Essay in Defence of the Female Sex (a feminist literature classic)" is formatted for your eReader with a functional and detailed table of contents. The Essay is written in the form of a letter to a female friend. It purports to be inspired by a conversation between several gentlemen and ladies. Drake first constructed the rationalist framework used at that time to explain women's intellectual inferiority, especially using John Locke's *An Essay Concerning Human Understanding*. She then proceeded to show that this rationale was outdated, and in this modern time, women would value from a greater knowledge. Only two works using this kind of rationalist argument had been

used for a feminist argument before, and only one of those was in English. Besides her rational arguments, Drake also wrote sketches of various stereotypes among men: the Pedant, the Country Squire, the News-monger, the Bully, the City-Critick, and the Beau. She uses these pictures to remind her readers that men, also, had follies. Judith Drake (fl. 1696-1707) was an English intellectual and author who was active in the last decade of the 17th century. She was part of a circle of intellectuals, authors, and philosophers which included Mary Astell, Lady Mary Chudleigh, Elizabeth Thomas, Elizabeth Elstob, Lady Mary Wortley Montagu, and John Norris. She was married to James Drake F.R.S., physician and Tory pamphleteer. She is remembered in the field of feminist literature for her 1696 essay, *An Essay in Defence of the Female Sex*.

This volume contains the work Burke planned to include in the third book in his *Motivorum* trilogy. Following Rueckert's Introduction, Burke lays out his approach in essays that theorize and illustrate the method, which he considered essential for understanding language as symbolic action and human relations generally.

*Real Essays* delivers the powerful message that good writing, thinking, and reading skills are both essential and achievable. From the inspiring stories told by former students in *Profiles of Success* to the practical strategies for community involvement in the new *Community Connections*, *Real Essays* helps students to connect the writing class with their real lives and with the expectations of the larger world. So that students don't get overwhelmed, the book focuses first on the most important things in each area, such as the Four Most Serious Errors in grammar; the Four Basics of each rhetorical strategy; and the academic skills of summary, analysis, and synthesis. Read the preface.

Essays by the Irish poet deal with his career, approach to writing, and assessment of fellow writers, including Joyce, Beckett, Lowell, Bellow, and Berryman

This meticulously edited collection contains the complete novels of the great Frances Burney, as well as her plays, journals, diaries and essays, complemented with her biography. Burney's novels explore the lives of English aristocrats, and satirize their social pretensions and personal foibles, with an eye to larger questions such as the politics of female identity. She has gained critical respect in her own right, but she also foreshadowed such novelists of manners with a satirical bent as Jane Austen and Thackeray.

Novels: *Evelina* *Cecilia* *Camilla* *The Wanderer* Plays: *The Witlings* Journals & Diaries: *The Diary and Letters of Madame D'Arblay* Other Works: *Brief Reflections Relative to the French Emigrant Clergy* Biography: *Fanny Burney* by Austin Dobson Frances Burney (1752-1840) was an English satirical novelist, diarist and playwright. She is best known for her novels *Evelina*, *Cecilia*, *Camilla* and *The Wanderer*.

*Dusk of Dawn* is an explosive autobiography of the foremost African American scholar of his time. Du Bois writes movingly of his own life, using personal experience to elucidate the systemic problem of race. Though his views eventually got him expelled from the NAACP, Du Bois continues to develop his thoughts on separate black economic and social institutions in *Dusk of Dawn*. Readers will find energetic essays within these pages, including insight into his developing Pan-African consciousness.

A leading public intellectual, Michael Bliss has written prolifically for academic and popular audiences and taught at the University of Toronto from 1968 to 2006. Among his publications are a comprehensive history of the discovery of insulin, and major biographies of Frederick Banting, William Osler, and Harvey Cushing. The essays in this volume, each written by former doctoral students of Bliss, with a foreword by John Fraser and Elizabeth McCallum, do honour to his influence, and, at the same time, reflect upon the writing of history in Canada at the end of the twentieth century. The opening essays discuss Bliss's career, his impact on the study of history, and his academic record. Bliss himself contributes an autobiographical essay that strengthens our understanding of the business of scholarship, teaching, and writing. In the second section, the contributors interrogate public mythmaking in the relationship between politics and business in eighteenth-, nineteenth-, and twentieth-century Canada. Further sections investigate the relationship between fatherhood, religion, and historiography, as well as topics in health and public policy. A final section on 'Medical Science and Practice' deals with subjects ranging from early endocrinology, lobotomy, the mechanical heart, and medical biography as a genre. Going beyond a collection of dedicatory essays, this volume explores the wider subject of writing social and medical history in Canada in the late twentieth century.

This landmark book traces the rise and decline of the British autodidact from the pre-industrial era to the twentieth century. Using innovative research techniques and a vast range of unexpected sources such as workers' memoris, social surveys and library registers, Rose shows which books people read, how and why they educated themselves, and what they knew. In the process he shines a bold new light on working class politics, ideology, popular culture and the life of the mind. This book has won the Longman-History Today Book of the Year Award 2001, the SHARP History Book Prize, the Jacques Barzun Prize in Cultural History 2001 and the New Jersey Council for the Humanities Book Award. Book jacket.

A distinguished black woman writer brings together autobiographical and literary essays, speeches, and other writings that include reminiscences of the young Richard Wright, Walker's battle against racism and sexism, and the creative process

Musaicum Books presents to you this meticulously edited collection of works by the great Frances Burney - her complete novels, as well as plays, journals, diaries and essays, complemented with biography. Burney's novels explore the lives of English aristocrats, and satirize their social pretensions and personal foibles, with an eye to larger questions such as the politics of female identity. She has gained critical respect in her own right, but she also foreshadowed such novelists of manners with a satirical bent as Jane Austen and Thackeray. Novels: *Evelina* *Cecilia* *Camilla* *The Wanderer* Plays: *The Witlings* Journals & Diaries: *The Diary and Letters of Madame D'Arblay* Other Works: *Brief Reflections Relative to the French Emigrant Clergy* Biography: *Fanny Burney* by Austin Dobson Frances Burney (1752-1840) was an English satirical novelist, diarist and playwright. She is best known for her novels *Evelina*, *Cecilia*, *Camilla* and *The Wanderer*.

This unique collection of Edward Gibbon's history books, essays & autobiographical writings has been designed and formatted to the highest digital standards. Edward Gibbon (1737-1794) was an English historian and Member of Parliament. He is best known for his book, *The History of the Decline and Fall of the Roman Empire*. The work covers the history of the Roman Empire, Europe, and the Catholic Church from 98 to 1590 and discusses the decline of the Roman Empire in the East and West. Because of its relative objectivity and heavy use of primary sources, unusual at the time, its methodology became a model for later historians. This led to Gibbon being called the first modern historian of ancient Rome. Table of Contents: *The History of the Decline and Fall of the Roman Empire* *Memoirs of My Life and Writings* *Private Letters of Edward Gibbon* *Gibbon - Biography* by J. C. Morison

"Moira Ferguson has selected wisely from well-known and little-known figures and from fiction, polemic and poetry to illustrate the long and diverse history of feminist reflection up to and including Mary Wollstonecraft.... Good reading for scholars and a fine book for classroom use." -- Natalie Zemon Davis." -- from back cover.

Those who come after us will want to know we really lived and loved as intensely as they do. Tell them. WHO ARE YOU? WHY DO YOU ACT THE WAY THAT YOU DO? These questions capture the essential things we want to know about ourselves and explain to others. Yet so often we fail to do so. Instead many of us spend a great deal of effort researching the history of our ancestors to discover no more than the fact that they were workmen, servants and grocers of whom we can learn next to nothing. If only they had written the story of their lives! *A Message to the Children* is a book with a difference: an account of the author's life, a memoir to his children, a love letter to his wife, and a guide to how you, too, can write about your own life. Written in an easy and amusing style, it explains for the benefit of the non-writer such subjects as how to break the task down into manageable sections; how to exploit photographs and scrapbooks for materials; and what themes to write about. Then it applies those lessons in a way that will both touch and entertain you. Jim Williams is a Booker-nominated author of thirteen novels and two works of non-fiction.

What is the purpose of social science? How can social science make itself relevant to the intractable problems facing humanity in the twenty-first century? The social sciences are under threat from two main sources. One is external, reflected in a global university crisis that imposes the marketization of higher education on the ancient practice of scholarship. The other, internal threat is social science's withdrawal from publicly-engaged teaching and research into the protective bunker of disciplinarity. In articulating a vision for the public role of social science in the twenty-first century, John Brewer argues that these threats also constitute an opportunity for a new public social science to emerge, confident in its public value and fully engaged with the future of humanity in its teaching, research and civic responsibilities, while also remaining committed to science. The argument is presented in the form of an interpretive essay: thought-provoking, forward-looking, and challenging to intellectual orthodoxy. It should be read and debated by all researchers and teachers in the social science disciplines who are concerned by the future of higher education and the relevance of their subjects to the future of humankind.

It's 1971 and rock and roll was at its height. Small-time Australian agent Wayne Zemmerman scored an unimaginable coup when he signs British supergroup Andromeda for a nationwide tour. Showbiz reporter Scottie McPherson smells a rat and starts his investigation. *The Sound Mixers* is a dramatic expose of the rock industry: fiction that reads like fact. A gripping story that moves at breathtaking pace to a devastating climax, Performers, promoters, manipulators, illusion creators - the characters which inhabit the world of rock'n'roll are ruthlessly dissected in an intricate plot full of shocks and suspense. Big business is the name of the game; a game in which the tough survive... but even then not always. He clears up some old mysteries too - like what really happened on the night when American TV star Michael Cole swore on live TV at the Australian Logie Awards and how the Beatles came by their trademark haircut. But it is not all showbiz; the memoirs take us through the childhood fun and games of World War II in the UK, the miseries of teen hood and the horrors and fun of National Service, not to mention the personal traumas of five marriages and break-ups. The stories from a great raconteur run through eight decades, from 1939 through to 1970 in the UK and from then on in Australia. The book gives a shrewd insight to the changing lifestyles through those decades and through the eyes of a professional observer.
