Current and relevant to today's students, SOCIOLOGY IN OUR TIMES: THE ESSENTIALS, 10th Edition presents the latest available data and new insights on behaviors, issues, and trends in our nation and world from a sociological perspective. The new edition of this bestselling text emphasizes the theme of social change and the ways in which media-particularly social media-and other forms of technology inevitably bring about new ways of living, interacting with others, or doing certain activities or task. New sections on social change have been added throughout the book, and the theme also appears in the "Sociology Works!" and "Media" features. "Sociology and Social Policy" boxes return to this edition, examining issues such as gun control, prevention of military suicides, and whether employers should be allowed to "spy" on their employees. First-person accounts of individuals' lived experiences draw students into the chapter content by illuminating topics that reflect the text's primary themes of diversity, the application of sociology to everyday life, global comparisons, media, and social change. New timely topics include environmental activism, immigration, bullying and social media, and same-sex marriage. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A latest edition of readings for the Introductory Sociology college market features thirty percent new articles that address current issues of contemporary sociology, from gender and politics to religion and AIDS, in a collection complemented by correlating charts that list key introductory textbooks. Essentials of Sociology, adapted from George Ritzer's Introduction to Sociology, provides the same rock-solid foundation from one of sociology's best-known thinkers in a shorter and more streamlined format. With new co-author Wendy Wiedenhof Murphy, the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life: globalization, consumer culture, the internet, and the "McDonaldization" of society. New to this Edition New "Trending" boxes focus on influential books by sociologists that have become part of the public conversation about important issues. Replacing "Public Sociology" boxes, this feature demonstrates the diversity of sociology's practitioners, methods, and subject matter, featuring such authors as o Michelle Alexander (The New Jim Crow) o Elizabeth Armstrong and Laura Hamilton (Paying for the Party) o Matthew Desmond (Evicted) o Arlie Hochschild (Strangers in Their Own Land) o Eric Klinenberg (Going Solo) o C.J. Pascoe (Dude, You're a Fag) o Lori Peek and Alice Fothergill (Children of Katrina) o Allison Pugh

(The Tumbleweed Society) Updated examples in the text and "Digital Living" boxes keep pace with changes in digital technology and online practices, including Uber, Bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change further segmentation of wealthy Americans as the "super rich" transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism
