

Eternal Warrior Vol 2 Eternal Emperor Tpb

No one in the Valiant Universe is more dangerous or more experienced in the art of war than the undying Eternal Warrior. After thousands of years on the battlefield, he's a master of strategy and weaponry, an unrelenting force of nature capable of dismantling entire armies with little effort and less conscience. His brother Armstrong, on the other hand, likes to read poetry and drink beer. Maybe that's why they had such a bad falling out? But now – after years apart – the Eternal Warrior has a new mission: destroy young Obadiah Archer, Armstrong's best-est new buddy and teammate in the war against The Sect. And, like it or not, Valiant's history-smashing adventure duo are about to feel the brunt of the Eternal Warrior's fist and steel. Collecting ARCHER & ARMSTRONG #5-9 by New York Times best-selling author Fred Van Lente (Amazing Spider-Man) and critically acclaimed artist Emanuela Lupacchino (X-Factor), the second volume of the series that IGN calls "hilarious and action packed" slams into high gear with a savage manhunt straight through the heart of the Valiant Universe.

Long live the Eternal Emperor! Two thousand years from today, the planet has been transformed by science, technology...and war. The centuries have not been kind to the Earth's own undying warrior, but a battle that could change everything is only just beginning for the Eternal Emperor and the tattered remnant of humanity under his protection. Will this be a new dawn for the age of heroes – or its death knell? And what uncanny confluence of science, myth, and magic has rendered the world – and its own Eternal Warrior – into war-ravaged remnants of their former selves? Collecting ETERNAL WARRIOR #5-8, the Fist and Steel's battle continues right here as New York Times best-selling writer Greg Pak (Batman/Superman) and rising star Robert Gill (Batgirl) build a bridge to the year 4001...and unearth a brand-new era for the heroes of the Valiant Universe.

The much-anticipated follow-up to the five-time sold-out series that The Onion/A.V. Club calls the "Best New Superhero of 2015" is here! At the height of the Cold War, the Soviet Union - determined to win the Space Race at any cost - green lit a dangerously advanced mission. They sent three cosmonauts farther into space than anyone has gone before or since. Handpicked orphans with no connections to Earth, trained as devout Communists, and restricted from having families, they became lost in the stars and encountered something unknown... Something that changed them. Long thought lost and erased from the history books, Abram Adams was the first to return, crash-landing in the Australian Outback. The few that have been able to reach him believe him to be a deity. They say he can bend matter, space, and even time to his will. But, even with seemingly limitless power at his fingertips, he is concerned only with the secret love he hid away from his superiors and the unborn child he never had a chance to meet. Now, Myshka, the female co-pilot of the group, has also returned to Earth...but, unlike Abram she had no secret family. Unlike Abram, she still believes in the Communist ideal. And, unlike Abram, she intends to play a very real role in the return of Soviet glory. Collecting DIVINITY II #1-4.

Their opposites - the Deviants - also secretly populate Earth, while the towering cosmic entities that created both - the Celestials - are fated to arrive and judge our planet. Now, Kirby's ETERNALS epic is collected, complete, in this single volume. COLLECTING: THE ETERNALS (1976) 1-19 & ANNUAL (1977) 1

"In a dark downtown alley in Central Georgia Metropolis, a juvenile prank goes too far and a homeless man is killed. When the ensuing investigation reveals that the attackers aren't who they appeared to be, justice depends on the testimony of a single witness -- a street snitch with a history of providing information to a uniformed cop named Harvey Greer. Harvey is placed on special assignment to track down the informant, but others have their own designs, including a wealthy socialite and an ex-con turned religious leader known to his followers as The Prophet. As days pass and anger among the anti-surrogate population grows, the city stands on a razor's edge. Will punishment be exacted in a courtroom-- or on the streets? Set fifteen years prior to the events of the first volume, The Surrogates: Flesh and Bone sheds light on the past that binds the cast together. From the streets of Central Georgia Metropolis to the boardroom of Virtual Self, Inc., it takes us on a journey through a city struggling to come to grips with its present. As much a cautionary tale as a story of suspense, this book reminds us that tomorrow will be determined by the choices we make today" --Publisher's Web site.

To the modern mind, the concept of poverty is often confused with destitution. But destitution emphatically is not the Gospel ideal. A love-filled sharing frugality is the message, and *Happy Are You Poor* explains the meaning of this beatitude lived and taught by Jesus himself. But isn't simplicity in lifestyle meant only for nuns and priests? Are not all of us to enjoy the goodness and beauties of our magnificent creation? Are parents to be frugal with the children they love so much? The renowned spiritual writer Dubay gives surprising replies to these questions. He explains how material things are like extensions of our persons and thus of our love. If everyone lived this love there would be no destitution. After presenting the richness of the Gospel message, more beautiful than any other world view, he explains how Gospel frugality is lived in each state of life.
