Who Rides the White Horse Hi my friend, after you've read this book you may not want to consider me a friend. I'm learning to accept that. There was a time that when I met someone like me the way I am now. I felt the same way as many of you will. Even though you won't be able to prove me wrong, you're going to hate me for the way I tell the truth. Yes I know I seem to act and sound cocky. I'm hoping that some one can knock old Ray off his high horse with a stronger sense of truth than mine. It's been a few years now and no one yet has done that. My pledge is that should some one prove anything that I have said to be a lie at the very least I'll have to publically apologize. If my word is worth anything it's now on the line. My name is Ray Ralph. I'm the author of Christ, Christianity, and Christians Welcome to the real world. For most of you who are about to read this book, It will most likely not live up to your expectations. The majority of you who read these types of books will be expecting more of the same old same old. These days preachers of all faiths prepare their sermons for their next worship day. You will attend the service out of tradition, and habit more than anything else. It's your responsibility, your duty to honor God with your presence. You'll show up at the church dressed in your Sunday best whether you have services on Sunday, Saturday, or any other day. You'll find your seat, make yourself as comfortable as you can, some of those seats are as comfortable as easy chairs, and some are bring your own pillows. Then you muddle through the next few hours give or take. Whatever the sermon is about, you usually don't have a say, and yet you'll suppose ably accept it as Gods Word. What was said actually didn't make sense but hey, the sermon was good the pastor who told it is your friend. Gods chosen representative. They don't make mistakes and if they do there so insignificant it doesn't matter. Like many of you I was raised a Christian and as I was growing up I heard the word of God told to me the same way, over and over for over 50 years. Myself I had never read a book of the Bible in my life. I used the same excuse as many of you; it's just too hard to understand. All those years I just took for granted that what my preachers were telling me was Gods Word. My preachers wouldn't lie. I stood up for my faith whatever the consequences. Now that I think back upon many of my conversations with other faiths it didn't matter that what I was saying was totally wrong, as far as I was concerned I was right and they were wrong. What I couldn't figure out was why everyone else couldn't see that my faith was the true faith. I could see their faiths short comings, but I couldn't see mine. Then one morning it happened, TheReallyTruth. You are now about to read Christ, Christianity, and Christians. This Roller Coaster Ride I call TheReallyTruth is rolling, ride with your eyes and mind wide open. Remember to show this book to your pastor's asking them to put Ray in his place. Should you and or your faith disagree with what I say, they should be able to do that? Thank You and Enjoy!... Sincerely
