

Exam Review For Milady Standard Esthetics Fundamentals

This is the primary student supplement to Milady's Master Educator. The Exam Review contains chapter-by-chapter questions in multiple-choice formats to help students prepare for their state board exams. The answer key at the back of the book allows students to check accuracy and identify weak areas.

Nail technology is an exciting and rewarding profession. Each year professional nail technicians perform more than \$6 billion worth of manicuring, pedicuring, and artificial nail services for millions of fashion-conscious clients. The business of nails has grown enormously over the past five years and will continue to grow. Thus, the need for educated and competent nail technicians is expanding in the same way. Milady's Standard: Nail Technology is the complete guide to basic nail technology that every professional nail technician needs. - Preface.

This is the primary student supplement to Milady's core disciplines: Cosmetology, Nail Technology, Esthetics, and Barbering. Each contains chapter-by-chapter questions in a multiple-choice format to help students prepare for their state board exams. An answer key at the back of the book allows students to check accuracy and identify weak areas.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Milady's Standard Esthetics Fundamentals, International Edition is an introductory text for students who are enrolled in an esthetics training course up to 600 hours. The text is designed to deliver a complete overview of all of the information necessary to introduce a newcomer to the world of professional skin care, including human anatomy, chemistry, electricity, skin analysis, conditions and disorders. Learners are given a comprehensive tour of the most well-known, best-used treatment techniques and services requested by clients: facial massage, the use of facial machines, hair removal, advanced topicals and makeup. The material covers the history of and the opportunities in Esthetics, as well as how to create a competent and lasting professional image and effectively communicate for success in the skin care business. The text prepares the learner for management of the skin care business operations and successful retailing of products and services.

"Each author represented in this book, shares their knowledge that transforms their clients and helps them to realize success." -- taken from back cover.
