"It began as a mistake." By middle age, Henry Chinaski has lost more than twelve years of his life to the U.S. Postal Service. In a world where his three true, bitter pleasures are women, booze, and racetrack betting, he somehow drags his hangover out of bed every dawn to lug waterlogged mailbags up mud-soaked mountains, outsmart vicious guard dogs, and pray to survive the day-to-day trials of sadistic bosses and certifiable coworkers. This classic 1971 novel—the one that catapulted its author to national fame—is the perfect introduction to the grimly hysterical world of legendary writer, poet, and Dirty Old Man Charles Bukowski and his fictional alter ego, Chinaski.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

This classic memoir of the First World War is now a major motion picture starring Alicia Vikander and Kit Harington. Includes an afterword by Kate Mosse OBE. In 1914 Vera Brittain was 20, and as war was declared she was preparing to study at Oxford. Four years later her life - and the life of her whole generation - had changed in a way that would have been unimaginable in the tranquil pre-war era. *TESTAMENT OF YOUTH*, one of the most famous autobiographies of the First World War, is Brittain's account of how she survived those agonising years; how she lost the man she loved; how she nursed the wounded and how she emerged into an altered world. A passionate record of a lost generation, it made Vera Brittain one of the best-loved writers of her time, and has lost none of its power to shock, move and enthral readers since its first publication in 1933.

NEW YORK TIMES BESTSELLER • Maya Angelou shares her path to living well and with meaning in this absorbing book of personal essays. Dedicated to the daughter she never had but sees all around her, *Letter to My Daughter* transcends genres and categories: guidebook, memoir, poetry, and pure delight. Here in short spellbinding essays are glimpses of the tumultuous life that led Angelou to an exalted place in American letters and taught her lessons in compassion and fortitude: how she was brought up by her indomitable grandmother in segregated Arkansas, taken in at thirteen by her more worldly and less religious mother, and grew to be an awkward, six-foot-tall teenager whose first experience of loveless sex paradoxically left her with

her greatest gift, a son. Whether she is recalling such lost friends as Coretta Scott King and Ossie Davis, extolling honesty, decrying vulgarity, explaining why becoming a Christian is a “lifelong endeavor,” or simply singing the praises of a meal of red rice—Maya Angelou writes from the heart to millions of women she considers her extended family. Like the rest of her remarkable work, *Letter to My Daughter* entertains and teaches; it is a book to cherish, savor, re-read, and share. “I gave birth to one child, a son, but I have thousands of daughters. You are Black and White, Jewish and Muslim, Asian, Spanish speaking, Native Americans and Aleut. You are fat and thin and pretty and plain, gay and straight, educated and unlettered, and I am speaking to you all. Here is my offering to you.”—from *Letter to My Daughter*

"By the end of the Archaic period, Greek sanctuaries were bursting with dedications, including many that bore epigrams. This study views dedications comprehensively as sites of ritual efficacy, and in particular it recovers epigrams' reflections of and contributions to that efficacy and restores them to an important place in the panorama of Greek religious practice. In order to reconstruct the Archaic experience of reading and viewing, the book draws on studies of traditional poetic language as resonant with immanent meaning, early Greek poetry as socially and religiously effective performance, and viewing art as an active response of aesthetic appreciation. It argues that reading epigrams while viewing dedications generated effects of religious ritual and poetic performance, and that visual and verbal representation of the dedicator's act of offering associated that rite with similar effects, thereby framing the experiences of readers and viewers as reperformances of the earlier occasion"--

First published in 1971, *Rules for Radicals* is Saul Alinsky's impassioned counsel to young radicals on how to effect constructive social change and know “the difference between being a realistic radical and being a rhetorical one.” Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

"Tubbs' connection to these women is palpable on the page — as both a mother and a scholar of the impact Black motherhood has had on America. Through Tubbs' writing, Berdis, Alberta, and Louise's stories sing. Theirs is a history forgotten that begs to be told, and Tubbs tells it brilliantly." — Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* and National Book Award winner *Stamped from the Beginning* Much has been written about Berdis Baldwin's son James, about Alberta King's son Martin Luther, and Louise Little's son Malcolm. But virtually nothing has been said about the extraordinary women who raised them. In her groundbreaking and essential debut *The Three Mothers*, scholar Anna Malaika Tubbs celebrates Black motherhood by telling the story of the three women who raised and shaped some of America's most pivotal heroes. These three extraordinary women passed their knowledge to their children with the hope of helping them to survive in a society that would deny their humanity from the very beginning—from Louise teaching her children about their activist roots, to Berdis encouraging James to express himself through writing, to Alberta basing all of her lessons in faith and social justice. These women used their strength and motherhood to push their children toward greatness, all with a conviction that every human being deserves dignity and respect despite the rampant discrimination they faced. These three mothers taught resistance and a fundamental belief in the worth of Black people to their sons, even when these beliefs flew in the face of America's racist practices and led to ramifications for all three families' safety. The fight for equal justice and dignity came above all else for the three mothers. These women, their similarities and differences, as individuals and as mothers, represent a piece of history left untold and a celebration of Black motherhood long overdue.

Presenting striking new evidence, this book shows that “William Shakespeare” was the pen name of William Stanley, son of the Earl of Derby. Born in 1561, he was educated at Oxford, travelled for three years abroad, and studied law in London, mixing with poets and playwrights. In 1592 Spenser recorded that Stanley had written several plays. In 1594 he unexpectedly inherited the earldom—hence the pen name. He became a Knight of the Garter in 1601, eligible to help bear the canopy over King James at his coronation, likely prompting Sonnet 125's “Wer't ought to me I bore the canopy?”—he is the only authorship candidate ever in a position to “bear the canopy” (which was only ever borne over royalty). Love's Labour's Lost parodies an obscure poem by Stanley's tutor, which few others would have read. Hamlet's situation closely mirrors Stanley's in 1602. His name is concealed in the list of actors' names in the First Folio. His writing habits match Shakespeare's as deduced from the early printed plays. He was a patron of players who performed several times at court, and financed the troupe known as Paul's Boys. No other member of the upper class was so thoroughly immersed in the theatrical world.

The Address was delivered at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, on the afternoon of Thursday, November 19, 1863, during the American Civil War, four and a half months after the Union armies defeated those of the Confederacy at the decisive Battle of Gettysburg. In just over two minutes, Lincoln invoked the principles of human equality espoused by the Declaration of Independence and redefined the Civil War as a struggle not merely for the Union, but as "a new birth of freedom" that would bring true equality to all of its citizens, and that would also create a unified nation in which states' rights were no longer dominant. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

As profound as Martin Luther's ideas are, this giant of church history was concerned above all with practical instruction for daily Christian living. *Harvesting Martin Luther's Reflections* highlights this concern of Luther, mining his thought in key areas of doctrine, ethics, and church practice. Gathering noteworthy contributions by well-known Luther scholars from Europe and the Americas, this book ranges broadly over theological questions about baptism and righteousness, ethical issues like poverty and greed, and pastoral concerns like worship and spirituality. There are even rare discussions of Luther's perspective on marriage and on Islam. As a result, *Harvesting Martin Luther's Reflections* is both a state-of-the-art discussion of Lutheran themes and an excellent introduction for newcomers to Luther's work.

In his apostolic letter *Patris Corde* ("With a Father's Heart"), Pope Francis reflects on Saint Joseph and his multifaceted role as a father. The purpose of this letter, Pope Francis writes, "is to increase our love for this great saint, to encourage us to implore his intercession and to imitate his virtues and his zeal." Saint Joseph is a beloved father; a tender, loving father; an obedient father; an accepting father; a creatively courageous father; a working father; and a father in the shadows. As protector, advocate, and guardian of the Holy Family, Saint Joseph has always been venerated as a father to all Christians. With this letter, promulgated on the 150th anniversary of the declaration of Saint Joseph as Patron of the Universal Church, Pope Francis proclaimed a Year of Saint Joseph from December 8, 2020, to December 8, 2021. *Patris Corde* ends with a new prayer to Saint Joseph, and the OSV edition includes additional prayers and a litany to this beloved saint.

The dedication of a piece of music is a feature generally overlooked, but it can reveal a great deal about the work, the composer, the society and the music world in which the composer lived. This book explores the musical, biographical and sociological aspects of the practice of dedicating new compositions in the late 18th and early 19th centuries, and makes a significant contribution towards a better understanding of the impact these tributes had on Beethoven's life and work, and their function within the context of the musical, cultural and economic environments in which they appeared. As the first of its kind, this study demonstrates that, as a result of their different functions, published dedications and handwritten inscriptions are distinct from one another, and for that reason they have been classified in different categories. This book, therefore, challenges the idea of what exactly can be termed as a 'dedication', a concept which extends far beyond the dedication of musical works.

Winner of Australia's richest literary award, No Friend but the Mountains is Kurdish-Iranian journalist and refugee Behrouz Boochani's account of his detainment on Australia's notorious Manus Island prison. Composed entirely by text message, this work represents the harrowing experience of stateless and imprisoned refugees and migrants around the world. In 2013, Kurdish-Iranian journalist Behrouz Boochani was illegally detained on Manus Island, a refugee detention centre off the coast of Australia. He has been there ever since. This book is the result. Laboriously tapped out on a mobile phone and translated from the Farsi. It is a voice of witness, an act of survival. A lyric first-hand account. A cry of resistance. A vivid portrait of five years of incarceration and exile. Winner of the Victorian Prize for Literature, No Friend but the Mountains is an extraordinary account — one that is disturbingly representative of the experience of the many stateless and imprisoned refugees and migrants around the world. #1 NEW YORK TIMES BESTSELLER • The compelling, inspiring, and comically sublime story of one man's coming-of-age, set during the twilight of apartheid and the tumultuous days of freedom that followed **NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** Michiko Kakutani, New York Times • USA Today • San Francisco Chronicle • NPR • Esquire • Newsday • Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. Praise for Born a Crime "Compelling . . . By turns alarming, sad and funny, [Trevor Noah's] book provides a harrowing look, through the prism of Mr. Noah's family, at life in South Africa under apartheid. . . . Born a Crime is not just an unnerving account of growing up in South Africa under apartheid, but a love letter to the author's remarkable mother."—Michiko Kakutani, The New York Times

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, Christus Vivit, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with

young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

Discourses on Livy is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos. "[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, *The Times* "Translated with painstaking accuracy—but also great readability."—*Weekly Standard* "A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice."—*Choice*
