"Hey, yo, Jim . . . This is Sylvester Stallone. Give me a call . . ." It was these words that would set Jim Peterik on the road to rock 'n' roll immortality. After he and his Survivor bandmates recorded "Eye of the Tiger" for the Rocky III soundtrack, the song would go on to earn a Grammy, an Oscar nomination, reach triple platinum status—and become one of the most recognizable tunes in music history. But there's much more to the story of Survivor and its founding member, Jim Peterik, than meets the eye. As one of the most prolific songwriters of his generation, Peterik has cowritten songs with some of the most famous bands and artists of our time, including 38 Special ("Caught Up in You," "Hold on Loosely"), Sammy Hagar ("Heavy Metal"), The Beach Boys, The Doobie Brothers, REO Speedwagon, Cheap Trick, and many more. Now, for the first time, Peterik is sharing his stories. Filled with tales from Peterik's life in rock 'n' roll, *Through the Eye of the Tiger* documents his early days of success with The Ides of March ("Vehicle"), through the often torturous power struggles within Survivor, and the giddy highs that accompany a trail of worldwide hits. From going to a party in Led Zeppelin's hotel room (and turning right back out the door) to escorting a disoriented Janis Joplin back to her hotel room after opening her show in Calgary, Peterik's accounts will surprise and delight. *Through the Eye of the Tiger* is more than

just a memoir of a songwriting legend; it's a classic rock 'n' roll story told through the eyes of someone who has lived through it all—and through the Eye of the Tiger.

"We live together under the thick canopy, each searching for the other; the same leeches and mosquitoes that feed on our blood feed on his blood." John Edmund Delezen felt a kinship with the people he was instructed to kill in Vietnam; they were all at the mercy of the land. His memoir begins when he enlisted in the Marine Corps and was sent to Vietnam in March of 1967. He volunteered for the Third Force Recon Company, whose job it was to locate and infiltrate enemy lines undetected and map their locations and learn details of their status. The duty was often painful both physically and mentally. He was stricken with malaria in November of 1967, wounded by a grenade in February of 1968 and hit by a bullet later that summer. He remained in Vietnam until December, 1968. Delezen writes of Vietnam as a man humbled by a mysterious country and horrified by acts of brutality. The land was his enemy as much as the Vietnamese soldiers. He vividly describes the three-canopy jungle with birds and monkeys overhead that could be heard but not seen, venomous snakes hiding in trees and relentless bugs that fed on men. He recalls stumbling onto a pit of rotting Vietnamese bodies left behind by American forces, and days when fierce hunger made a bag of plasma seem like an enticing meal. He writes of his fallen comrades and the images of war that still pervade his dreams. This book contains many photographs of American Marines and Vietnam as well as three maps.

A short story by famous children's author L. Frank Baum, who was the one that wrote "The Wonderful Wizard of Oz." In *Tiger's Eye*, he changes his tone a bit and goes for a darker tone in his writing. This version of the story features illustrations.

(The right eye of a tiger,) is explained in the story. All of the events in this story took place before I was 21 years of age, and had an influence on me the remainder of my life. This is by no means the only event that took place while I was in Korea, but only what I can recall, after more than 60 years have passed, I own my life to the Offices and NCO's of my unit. We completed all assigned missions and they kept unit casualty down, do to their knowledge and leadership. Most of them had WW2 experience.

Synopsis (JACKET) In the South, Southerners don’t think, they feel; and there’s nothing they feel more passionately about than sports—especially college football. In recent years America’s media-driven, sports-crazed culture has whetted the fan’s appetite and thereby catapulted Division I college athletics into a multibillion-dollar entertainment business that rivals the professional ranks. Today, no place is this trend more evident than at Louisiana State University in Baton Rouge, home of the LSU Fighting Tiger football team. Louisiana State University is part of the nation’s toughest athletic subdivision—the mighty Southeastern Conference, and as a large public institution, it is a microcosm of major competitive college football and sports across the Deep South, a region where overall athletic success is not only encouraged, but expected. Since 2005, LSU has won nearly 80 percent of its football games, three conference championships, a BCS National Championship (2007) and a College Football Playoff National Championship (2019). But LSU has not always been atop the college football world. Why did LSU have six straight losing seasons in football? How did LSU Athletics survive the losing years? Who is responsible? How did LSU rise from the fall? What is it that LSU and other competitive schools have done that has made them so successful in sports so fast? What sets LSU and some of the larger SEC schools apart from other football-playing schools in terms of competitiveness? Answers to these important questions can be found inside the pages of this must-read book. Written for the serious observer, alumni or fan struggling to realize how the system works, or often fails to work, *Inside the Eye of the Tiger* is an introspective snapshot of what it’s like to coach in a big-time athletic department where campus politics and winning are regularly at odds. Often what you see from the outside looking in to the athletic department is not always a true picture of what actually happens. *Inside the Eye of the Tiger* is the story of what really went on behind the scenes of the LSU Athletic Department over two tumultuous decades in Baton Rouge, Louisiana. *** Hall of Fame LSU Tennis Coach Jerry Simmons’ memoirs of 26 years of coaching is an engaging and sometimes startling read that will once and for all set the record straight on how business was conducted inside the LSU Athletic Department during its roller coaster ride from 1981 to 1998, and beyond. As told to author Chris Warner by Jerry Simmons in a straightforward, provocative style characteristic of his maverick personality, this is a must-read for anyone hoping to enter the big business of college athletics, whether coaching or administratively; as it is the tell-all sports book that will for the better forever alter the stereotype of the modern, big-time Southern athletic department. This is a politically-correct book. Jerry Simmons A native of West Texas, and a former LSU tennis player, Simmons coached LSU Men’s Tennis for 15 years. A 1964 Palo Duro High School graduate from Amarillo, he was the 1965 *Globe News Male Tennis Player of the Year*. Simmons played college tennis at LSU for a year and at West Texas State (Now West Texas A&M) University in Canyon, Texas from 1967-69, where he maintained the No. 1 singles position and was the Buffaloes’ team captain. A self-proclaimed blend of the lives and philosophies of U.S. Army General George S. Patton, UCLA Coach John Wooden and 6th-century B.C. Chinese General Sun Tzu, before coaching LSU Tennis, he was the Men’s Head Tennis Coach at the University of Southwestern Louisiana in Lafayette for 11 years. At LSU, six years after his hiring, he was named National Tennis Coach of the Year, in 1988. Having won over 70 percent of his college matches (492–197 .714), he remains the youngest coach inducted into the United States Collegiate Tennis Hall of Fame (1998) at 52. He is a member of the West Texas State (West Texas A&M) Hall of Fame (2017) and the

Louisiana Sports Hall of Fame (2018). At LSU he had 13 NCAA Tournament appearances, going 278-105 in that span. Simmons reached the prestigious Elite Eight in the NCAA Tourney five times and won the SEC in 1985, while earning SEC Coach of the Year honors in 1988 and 1997. Simmons coached 37 All-SEC honorees, 24 All-Americans, 19 Academic All-Americans, one NCAA singles champion (1989) and notched a 128-42 record in NCAA play. Chris Warner is the author of over 20 books, including "A Tailgater's Guide to SEC Football Vol. V," the Bible of SEC Football, "The Wagon to Disaster," with HealthSouth CFO Aaron Beam, "The Ulysses Long Story," about Dale Brown getting four-term Louisiana Governor Edwin Edwards to pardon a black man from Angola State Penitentiary, "Bushwhacked at the Flora-Bama," the history of the iconic beachside haunt, with patriarch Joe Gilchrist, as well as six novels, "The Tiger Among Us," a fictional story on international terrorism with Recon Marine/Air Force Pararescue Daniel Waghelstein, set at LSU in 1990, "Professional Bone," a novel based on the HealthSouth scandal, a campy series: "Saved at the Alabama-Florida Line"(Nominated, Best Piece of Fiction by an Alabama author, Alabama Library Association 2017), "They Met at the Alabama-Florida Line," "Trouble at the Alabama-Florida Line," and a novella, "Santa & Sam," among other titles. He has completed but not published, "The Principal of Influence," the story of Richard Scott Rogers, a British con man and vicious pedophile hiding in plain sight as a Baton Rouge scion and talk show host for over a dozen years, whose demise in the viper pit of Louisiana politics was the Media Story of the Year in Louisiana in 2014. Chris holds a doctorate from the University of New Orleans and is a double graduate of Louisiana State University in Baton Rouge. A New Iberia, Louisiana native, he lives in Perdido Key, Florida.

It takes one to recognise one. This was a man trained to live with, and by, violence. He was muscle, a soldier, in the jargon. I had hoped never to see this kind of barracuda cruising St Mary's placid waters. It gave me a sick little slide in the guts to know that it had found me out again. He left that life behind. But that life hasn't left him . . . Harry Fletcher lives a quiet life these days, running a tourist fishing boat from the peaceful island of St Mary's, off the South African coast. Then his next group arrives, with very specific instructions for Harry - instructions that suggest they know exactly who he is. Before he knows it, Harry has been swept back into a world of greed and violence, of men who will do anything to get their hands on the treasure under the sea, and of women who are too beautiful to trust. But when the Great Mogul diamond is the prize, all Harry knows is that he'll do anything to get there first . . . A gripping tale of one man's desperate attempt to escape his past, from global bestseller Wilbur Smith

THE EYE OF THE TIGER The deep. The deadly. The damned... For a thousand years, an unimaginable treasure has rested on the bottom of the Indian Ocean, hidden by swift blue currents, guarded by deadly coral reefs, and even deadlier school of man-eating great white sharks. Now, Harry has no choice but to enter full bore into an international battle to raise an extraordinary object from the deep. Because possessing this treasure isn't just about getting rich--it's about staying alive...
