When Little Red Riding Hood walks through the gate between this world and the Fable homelands, she's welcomed as a miraculous survivor by everyone except her old Bigby Wolf, who smells espionage and subversion. But will he be able to

prove his case before disaster strikes.

When a savage creature known only as the Adversary conquered the fabled lands of legends and fairy tales, all of the infamous inhabitants of folklore were forced into exile. Disguised among the normal citizens of modern-day New York, these magical characters have created their own peaceful and secret society within an exclusive luxury apartment building called Fabletown. But when Snow White's party-girl sister, Rose Red, is apparently murdered, it is up to Fabletown's sheriff, a reformed and pardoned Big Bad Wolf, to determine if the killer is Bluebeard, Rose's ex-lover and notorious wife killer, or Jack, her current live-in boyfriend and former beanstalk-climber.
