Acting Face to Face 2: How to Create Genuine Emotion for TV and Film (AFF2) is the second book in a series about the "Language of the Face" - or how the face communicates nonverbally. Building upon the work and concepts of many leading researchers, including famed Dr. Paul Ekman, that were introduced in the first book. AFF2 expands on the science of emotions offering practical exercises guiding its readers to true Emotional Alignment. Acting Face to Face 2 is not just another book on acting theory, it's a complete course in emotion training and developing. It contains links to videos, audio as well as detailed photos, explanations, descriptions and reference sheets of each of the muscle groups associated with the seven universal emotions. AFF2 goes even deeper, with a guided method to reveal how you personally express emotions, how others perceive you and what could be interfering with your emotional life in your character work. For the first time, you are presented with how the science of emotion and the art of expression are interwoven to assist the professional actor in achieving the real and genuine emotion necessary to not only move the story along but to captivate the viewer. This is where you will have the long awaited opportunity to learn to speak the Language of the Face, John Sudol's

groundbreaking set of tools for on-camera actors and business professionals alike. "And when we do it correctly it allows the viewer to read your mind" is Sudol's emphasis when he teaches and coaches his students and clients. AFF2 contains ALL and more of what you were never told about on-camera acting! Four-skills American English course with a communicative methodology, engaging texts, and a strong pronunciation syllabus - designed to get students speaking. With texts and topics that make learners want to speak, American English File is the course that gets students talking. The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The

second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
