Alice has a nose for trouble, but luckily she's a fairy--a Temporary Fairy. She has a magic wand, fairy wings, and a blanket, all of which she uses to disappear, to fly, to transform her dad into a horse, and to turn his cookies into her own! There are still a few things Alice needs to learn to become a Permanent Fairy, like how to float her dog on the ceiling and make her clothes put themselves away, but she's working on it--sort of. Here's an endearing, funny story about a girl and her magical imagination, sure to delight every fairy in training!

Acclaimed author Graham Joyce's mesmerizing new novel centers around the disappearance of a young girl from a small town in the heart of England. Her sudden return twenty years later, and the mind-bending tale of where she's been, will challenge our very perception of truth. For twenty years after Tara Martin disappeared from her small English town, her parents and her brother, Peter, have lived in denial of the grim fact that she was gone for good. And then suddenly, on Christmas Day, the doorbell rings at her parents' home and there, disheveled and slightly peculiar looking, Tara stands. It's a miracle, but alarm bells are ringing for Peter. Tara's story just does not add up. And, incredibly, she barely looks a day older than when she vanished. Award-winning author Graham Joyce is a master of exploring new realms of understanding that exist between dreams and reality, between the known and unknown. Some Kind of Fairy Tale is a unique journey every bit as magical as its title implies, and as real and unsentimental as the world around us.

From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.

This coloring book features images mainly from 2020. I have included both the line art versions as well as the grayscale versions of these artworks after asking my wonderful customers and fans if they would be interested in this. The overwhelming majority said YES! It is a bit different in it's layout as well with the images facing each other so that one can be used as a reference for the other (also requested by many). Most images are fairies, two are mermaids and one is a maiden in the wind. Some are more simple than others and some also have some added backgrounds that did not appear in the original paintings and so the backgrounds on the line art pieces (in some) might be a bit different than the grayscale images. This coloring book is suitable for adults and kids who have good fine motor control. I recommend using colored pencils, alcohol markers, chalk pastels, chalk, even eye shadow. Gel pens add a nice touch. Even though

these images are printed single sided, please put a piece of heavy paper or a few sheets of regular printer paper between the pages to prevent bleed through. Also, you are welcome to scan the images on your scanner and print them out on heavy card stock paper or even watercolor paper if your printer will accept it. I also have this book in PDF version in my Etsy shop [etsy.com/shop/mollyharrisonart](https://www.etsy.com/shop/mollyharrisonart).
