Come with the Mob Squad on an amazing adventure through the Overworld in this official Minecraft novel! The village of Cornucopia is practically perfect in every way. Plenty of food, cozy homes, and a huge wall to keep everyone safe from the scary world outside. What more could a kid possibly need? Well, a lot, actually. Mal, a fearless girl, needs adventure, and her friends are right there with her: Lenna, a dreamer whose family underestimates her every day. Tok and Chug, brothers who love to build stuff (Tok) and smash stuff (Chug). They're best friends, and in a town whose grown-ups value safety over bravery and fitting in over standing out, they're the bad apples. But when a mysterious mob sneaks past Cornucopia's defenses, the village is in huge trouble. And nobody knows what to do. Finally faced with the adventure she's always wanted, Mal and her friends defy the rules their elders have always followed and set out beyond

the wall for the first time. On their journey across the Overworld, they discover wonders they've never dreamed of and dangers they've never imagined. To save the day, they'll have to prove they're more than bad apples. They're the Mob Squad!

From the author of Hacks for Minecrafters comes the updated guide to the latest mods released for 1.12! If you want to be the best at Minecraft, you've got to read up on the latest tricks. This book is packed with full-color screenshots showing the newest, coolest mods available in Minecraft. Minecraft was designed to allow other people to modify it. And while there are several successful game guides on the market already, this book is the first "unofficial hacker's" super-guide dedicated to adding mods (modifications) to your Minecraft game. Mods add content to the game to alter gameplay, changing the creative feel of the game or giving the players more options for how they interact within the Minecraft world. Mods can make your game run faster, they can add new mobs, mechanics, and quests, and even entirely new dimensions to play in. Hacks for Minecrafters: Mods explores a full range of modifications, including: Installing mods Must-have mods Mods o' magic Tech mods Playing with modpacks Change the rules of your world with each mod you add—anything is fair game! This book explores today's range of modded Minecraft play, from the must-haves to the fanciful. Written for seven- to twelve-year-old Minecrafters and packed with over one hundred colorful screenshots, this is the ultimate guide on Minecraft mods. Keep your game new and exciting with all these expert tips and tricks.

Sanity Jones and Tallulah Vega are best friends on Wilnick, the dilapidated space station they call home at the end of the galaxy. So naturally, when gifted scientist Sanity uses her lab skills and energy allowance to create a definitely-illegal-but-impossibly-cute three-headed kitten, she has to show Tallulah. But Princess, Sparkle, Destroyer of Worlds is a bit of a handful, and it isn't long before the kitten escapes to wreak havoc on the space station. The girls will have to turn Wilnick upside down to find her, but not before causing the whole place to evacuate! Can they save their home before it's too late? Readers will be over the moon for this rollicking space adventure by debut author Molly Brooks.

This official Minecraft novel is a journey into the unknown! Max and Alison are proof that differences don't stand in the way of friendship. Max is always on the lookout for a new adventure—even if it means getting into trouble—while Alison prefers to follow the rules. But both of them are fascinated by the beat-up old journal Max finds and the strange gate its secretive author, the Enchanter, describes: a portal to an otherworldly realm of danger called the Nether. After they use the journal's instructions to craft the portal, Max and Alison squabble over whether to remain safe in the Overworld or to journey into the Nether to find the Enchanter . . . until a fateful accident makes the decision for them. Trapped in a scary new world, Max and Alison find an ally in Freya, a fierce warrior who has been living in the Nether with her beloved wolf, Bunny Biter. With Freya's help, and with the clues that lie in the pages of the mysterious journal, Max and Alison embark on a quest to find the Enchanter, even as the Nether pushes their skills—and their friendship—to the limit.
