From journalist, fashionista, and clothing resale expert Elizabeth L. Cline, “the Michael Pollan of fashion,”* comes the definitive guide to building an ethical, sustainable wardrobe you'll love. Clothing is one of the most personal expressions of who we are. In her landmark investigation *Overdressed: The Shockingly High Cost of Cheap Fashion*, Elizabeth L. Cline first revealed fast fashion’s hidden toll on the environment, garment workers, and even our own satisfaction with our clothes. *The Conscious Closet* shows exactly what we can do about it. Whether your goal is to build an effortless capsule wardrobe, keep up with trends without harming the environment, buy better quality, seek out ethical brands, or all of the above, *The Conscious Closet* is packed with the vital tools you need. Elizabeth delves into fresh research on fashion’s impacts and shows how we can leverage our everyday fashion choices to change the world through style. Inspired by her own revelatory journey getting off the fast-fashion treadmill, Elizabeth shares exactly how to build a more ethical wardrobe, starting with a mindful closet clean-out and donating, swapping, or selling the clothes you don't love to make way for the closet of your dreams. *The Conscious Closet* is not just a style guide. It is a call to action to transform one of the most polluting industries on earth—fashion—into a force for good. Readers will learn where our clothes are made and how they’re made, before connecting to a global and impassioned community of stylish fashion revolutionaries. In *The Conscious Closet*, Elizabeth shows us how we can start to truly love and understand our clothes again—without sacrificing the environment, our morals, or our style in the process. *Michelle Goldberg, *Newsweek/The Daily Beast*

An exceptionally moving story of triumph against all odds set during World War II, from the acclaimed author of *Fighting Words*, and for fans of *Fish in a Tree* and *Number the Stars*. Ten-year-old Ada has never left her one-room apartment. Her mother is too humiliated by Ada’s twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn’t waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. Katie Fisher and Brady James may be a match made in heaven, but that doesn't seem to guarantee them a happily ever after accompanied by angelic choirs. In fact, the sounds being heard at the bridal shop where she works are on the contentious side lately, as a bride- and groom-to-be try to mediate the growing rivalry between their basketball-obsessed families in the middle of play-off season. On top of that, Katie's parents are nagging her to get out of Dallas and come home to tiny Fairfield where her former boyfriend Casey is waiting for her, ready to rekindle their relationship. Oy vey! What's a girl to do? And will she ever be able to wear that gorgeous wedding dress she won? The breezy fun continues as Janice Thompson throws everyone's favorite small-town girl into big-city bridal chaos--and makes her choose between the love she thought she lost and the love she stumbled upon in the aftermath.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Contains 800 illustrations and diagrams covering style, design solutions for every living area, and decorating tips.

Nothing is right about this place or the other students in it. Here I am, a mere mortal among gods...or monsters. I still can’t decide which of these warring factions I belong to, if I belong at all. I only know the one thing that unites them is their hatred of me. Then there’s Jaxon Vega. A vampire with deadly secrets who hasn’t felt anything for a hundred years. But there’s something about him that calls to me, something broken in him that somehow fits with what’s broken in me. Which could spell death for us all. Because Jaxon walled himself off for a reason. And now someone wants to wake a sleeping monster, and I’m wondering if I was brought here intentionally—as the bait. ***INCLUDES 3 BONUS SCENES FROM THE HERO’S POV*** Reading order suggestion of the Crave series: Crave Crush Covet Court Charm, the missing four months of time between Crave and Crush, can be enjoyed anytime after reading Crave.

ARCHITECTURAL DRAFTING AND DESIGN, 6E is the classic text for all architectural drafters and CAD operators, whether beginning, intermediate, or advanced. This full-color, comprehensive edition provides the basics of residential design, using various types of projects that a designer or architect is likely to complete during the actual design process and is written to meet the most recent editions of IRC and IBC. This book begins with information on architectural styles that have dominated the field over the last four centuries, followed by basic design components related to the site and

structure. Commercial drafting, basic materials used for construction, common construction methods and drawings typically associated with commercial construction are all covered. An important feature of this best-seller is its step-by-step instructions for the design and layout of each type of drawing associated with a complete set of architectural plans, with projects that can be completed using either CAD or manual drawing methods. Readers will gain the knowledge needed to complete the drawings required by most municipalities to obtain a building permit for a single-family residence. A NEW YORK TIMES NOTABLE BOOK • From an award-winning journalist, a poignant and gripping immersion in the life of a young, homeless single mother amid her quest to find stability and shelter in the richest city in America
LONGLISTED FOR THE PEN/JEAN STEIN BOOK AWARD • “Riveting . . . a remarkable feat of reporting.”—The New York Times Camila is twenty-two years old and a new mother. She has no family to rely on, no partner, and no home. Despite her intelligence and determination, the odds are firmly stacked against her. In this extraordinary work of literary reportage, Lauren Sandler chronicles a year in Camila’s life—from the birth of her son to his first birthday—as she navigates the labyrinth of poverty and homelessness in New York City. In her attempts to secure a safe place to raise her son and find a measure of freedom in her life, Camila copes with dashed dreams, failed relationships, the desolation of abandonment, and miles of red tape with grit, humor, and uncanny resilience. Every day, more than forty-five million Americans attempt to survive below the poverty line. Every night, nearly sixty thousand people sleep in New York City-run shelters, 40 percent of them children. In *This Is All I Got*, Sandler brings this deeply personal issue to life, vividly depicting one woman's hope and despair and her steadfast determination to change her life despite the myriad setbacks she encounters. *This Is All I Got* is a rare feat of reporting and a dramatic story of survival. Sandler’s candid and revealing account also exposes the murky boundaries between a journalist and her subject when it becomes impossible to remain a dispassionate observer. She has written a powerful and unforgettable indictment of a system that is often indifferent to the needs of those it serves, and that sometimes seems designed to fail. Praise for *This Is All I Got* “A rich, sociologically valuable work that’s more gripping, and more devastating, than fiction.”—Booklist “Vivid, heartbreaking. . . . Readers will be moved by this harrowing and impassioned call for change.”—Publishers Weekly “A closely observed chronicle . . . Sandler displays her journalistic talent by unerringly presenting this dire situation. . . . An impressive blend of dispassionate reporting, pungent condemnation of public welfare, and gritty humanity.” —Kirkus Reviews
Eleven-year-old Isabella’s blended family is more divided than ever in this “timely but genuine” (Publishers Weekly) story about divorce and racial identity from the award-winning and New York Times bestselling author of *Out of My Mind*,

Sharon M. Draper. Eleven-year-old Isabella's parents are divorced, so she has to switch lives every week: One week she's Isabella with her dad, his girlfriend Anastasia, and her son Darren living in a fancy house where they are one of the only black families in the neighborhood. The next week she's Izzy with her mom and her boyfriend John-Mark in a small, not-so-fancy house that she loves. Because of this, Isabella has always felt pulled between two worlds. And now that her parents are divorced, it seems their fights are even worse, and they're always about HER. Isabella feels completely stuck in the middle, split and divided between them more than ever. And she is beginning to realize that being split between Mom and Dad involves more than switching houses, switching nicknames, switching backpacks: it's also about switching identities. Her dad is black, her mom is white, and strangers are always commenting: "You're so exotic!" "You look so unusual." "But what are you really?" She knows what they're really saying: "You don't look like your parents." "You're different." "What race are you really?" And when her parents, who both get engaged at the same time, get in their biggest fight ever, Isabella doesn't just feel divided, she feels ripped in two. What does it mean to be half white or half black? To belong to half mom and half dad? And if you're only seen as half of this and half of that, how can you ever feel whole? It seems like nothing can bring Isabella's family together again—until the worst thing happens. Isabella and Darren are stopped by the police. A cell phone is mistaken for a gun. And shots are fired.

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

"Bruno doesn't like his new house. He had to leave all his friends behind in Berlin, and there are no children to play with here - until Bruno meets Shmuel, a boy who lives on the other side of the wire fence near Bruno's house, and who wears a strange uniform of striped pyjamas. A stunning anniversary edition of John Boyne's powerful classic bestseller, with illustrations from award-winning artist Oliver Jeffers."

The Instant New York Times Bestseller! A speculative thriller in the vein of *The Handmaid's Tale* and *The Power*. Optioned by Universal and Elizabeth Banks to be a major motion picture! "A visceral, darkly haunting fever dream of a novel and an absolute page-turner. Liggett's deeply suspenseful book brilliantly explores the high cost of a misogynistic world that denies women power and does it with a heart-in-your-throat, action-driven story that's equal parts horror-laden fairy tale, survival story, romance, and resistance manifesto. I couldn't stop

reading.” – Libba Bray, New York Times bestselling author *Survive the year*. No one speaks of the grace year. It’s forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That’s why they’re banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn’t pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it’s not just the brutal elements they must fear. It’s not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between.

The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor

in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from "Black Hawk Down" in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, Tough Love makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our global leadership.
