The thrilling final installment in The Sainthood series by USA Today bestselling author Siobhan Davis. Everything changed after the attempt on my life, and now, I'm more determined than ever to crush my enemies until they lie in pieces at my feet. Sinner believes he has pushed me into a corner, but he underestimates my thirst for revenge. Nothing will stand in my way. And I'm no longer in this alone. Saint, Galen, Caz, and Theo have won my trust and my heart. Together, we are an unbreakable team and an unstoppable force. Staying one step ahead of the game is critical to our success, so we've little choice but to partner with the most unlikely of allies. The situation is tense and fraught with danger, and it's not just our lives at stake. Everything rests on finding the evidence that links The Sainthood to Daphne Leydon's kidnapping and murder, and we're running out of time. Sinner thinks war has already come to Lowell. But he has overlooked his deadliest enemy and the challenge that comes from within. We won't stop until he's defeated and we have taken his crown. Sinner is going down. Jesus gave his followers a command: "Follow me." And a promise: "And I will equip you to

One Dress, Three Weeks, Eight Countries—Zero Baggage Newly recovered from a quarter-life meltdown, Clara Bensen decided to test her comeback by signing up for an online dating account. She never expected to meet Jeff, a wildly energetic university professor with a reputation for bucking convention. They barely know each other's last names when they agree to set out on a risky travel experiment spanning eight countries and three weeks. The catch? No hotel reservations, no plans, and best of all, no baggage. Clara's story will resonate with

adventurers and homebodies alike—it's at once a romance, a travelogue, and a bright modern take on the age-old questions: How do you find the courage to explore beyond your comfort zone? Can you love someone without the need for labels and commitment? Is it possible to truly leave your baggage behind?

At a time when climate-change deniers hold the reins of power in the United States and international greenhouse gas negotiations continue at a slow crawl, what options are available to cities, companies, and consumers around the world who seek a cleaner future? Scott Victor Valentine, Marilyn A. Brown, and Benjamin K. Sovacool explore developments and strategies that will help fast-track the transition to renewable energy. They provide an expert analysis of the achievable steps that citizens, organizational leaders, and policy makers can take to put their commitments to sustainability into practice. *Empowering the Great Energy Transition* examines trends that suggest a transition away from carbon-intensive energy sources is inevitable—there are too many forces for change at work to stop a shift to clean energy. Yet under the status quo, change will be too slow to avert the worst consequences of climate change. Humanity is on a path to incur avoidable social, environmental, and economic costs. Valentine, Brown, and Sovacool argue that new policies and business models are needed to surmount the hurdles separating the current consumption model from a sustainable energy future. *Empowering the Great Energy Transition* shows that with well-placed efforts, we can set humanity on a course that supports entrepreneurs and communities in mitigating the environmental harm caused by technologies whose time has come and gone.

It is well known that American culture is a dominant force at home and abroad; our exportation of everything from movies to junk food is a well-documented phenomenon. But is it possible

America's most troubling impact on the globalizing world has yet to be accounted for? In *Crazy Like Us*, Ethan Watters reveals that the most devastating consequence of the spread of American culture has not been our golden arches or our bomb craters but our bulldozing of the human psyche itself: We are in the process of homogenizing the way the world goes mad. America has been the world leader in generating new mental health treatments and modern theories of the human psyche. We export our psychopharmaceuticals packaged with the certainty that our biomedical knowledge will relieve the suffering and stigma of mental illness. We categorize disorders, thereby defining mental illness and health, and then parade these seemingly scientific certainties in front of the world. The blowback from these efforts is just now coming to light: It turns out that we have not only been changing the way the world talks about and treats mental illness -- we have been changing the mental illnesses themselves. For millennia, local beliefs in different cultures have shaped the experience of mental illness into endless varieties. *Crazy Like Us* documents how American interventions have discounted and worked to change those indigenous beliefs, often at a dizzying rate. Over the last decades, mental illnesses popularized in America have been spreading across the globe with the speed of contagious diseases. Watters travels from China to Tanzania to bring home the unsettling conclusion that the virus is us: As we introduce Americanized ways of treating mental illnesses, we are in fact spreading the diseases. In post-tsunami Sri Lanka, Watters reports on the Western trauma counselors who, in their rush to help, inadvertently trampled local expressions of grief, suffering, and healing. In Hong Kong, he retraces the last steps of the teenager whose death sparked an epidemic of the American version of anorexia nervosa. Watters reveals the truth about a multi-million-dollar campaign by one of the world's biggest drug companies to

change the Japanese experience of depression -- literally marketing the disease along with the drug. But this book is not just about the damage we've caused in faraway places. Looking at our impact on the psyches of people in other cultures is a gut check, a way of forcing ourselves to take a fresh look at our own beliefs about mental health and healing. When we examine our assumptions from a farther shore, we begin to understand how our own culture constantly shapes and sometimes creates the mental illnesses of our time. By setting aside our role as the world's therapist, we may come to accept that we have as much to learn from other cultures' beliefs about the mind as we have to teach.

You were created for many wonderfully fulfilling purposes and experiences--to know the Father, to know who you are in Him, to receive an inheritance from Him, and even to rule with Him. Many Christians are running hard after these things--working to become somebody, striving to have what has been promised, hoping to find their calling and realize their destiny. But they find themselves in a never-ending cycle of restlessness. Everything from God comes from a place of rest, and when you find it, you receive. When you know who you are, whose you are, what you have been given, and what you have been called to do--and experience these amazing blessings from a position of rest - you step into your destiny. Right now, you can be completely secure in your identity. You can begin to receive all that you've been given. And, at rest in your Father's love, you can realize your ultimate purpose -- that you have been called to reign. Many people struggle to make sense of the Bible. They hear things about Jesus that certainly pique their interest, but don't quite know what to make of him - let alone how they might appropriately live in response to everything he taught and accomplished.

Reimagining Discipleship paves the way forward through the curiosity and confusion. Through a 16 week series of short teachings and guided practical exercises, it brings the biblical narrative into focus and equips modern-day followers of Jesus with some of the life shaping habits and rhythms he modeled and taught to his first disciples. The Bible makes the audacious claim that Jesus was resurrected from the dead following his crucifixion and that his resurrection life will one day be shared with all of his followers. It claims that Jesus will return to renew and restore all of creation. Reimagining Discipleship empowers its readers to live well in the meantime - embracing the reign of Jesus Christ here & now in anticipation of the pending transition into his eternal kingdom.

The Essential Guide for Prophets Mining from years on the frontlines of prophetic ministry, and overseeing the internationally renowned Bethel School of Supernatural Ministry, bestselling author Kris Vallotton takes you deep into the heart of one of the most crucial, compelling and controversial topics today: the office of prophet. In this definitive guide, Kris offers often-neglected foundational teaching and provides critical advanced training, including how to · discern your calling and grow in your gift · define your divinely appointed sphere of influence and depth of authority · recognize the six different types of prophets--and how to deal with false ones · navigate potential relational difficulties as you step into your gifting · understand the complex ways God communicates · prepare for the common, but dangerous, spiritual attacks prophets face Vallotton offers a balanced view of not only what modern-day prophets are, but also what they are not. You will come away empowered and equipped with the knowledge and skills needed for this beautiful, vital, supernatural ministry. "The New Testament of Jesus Christ is a message of faith, hope and love. It is called the Good News. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach and model these 'Good News Prophets.' Thanks for honoring my generation's pioneering work and picking up the baton and carrying it forth!"--Dr. James Goll, founder, Encounters Network, Prayer Storm and GET eSchool "My friend Kris Vallotton has masterfully crafted this treatise, School of the Prophets, on the dynamics

and framework of building a prophetic community in the 21st century. His life experience and seasoning in Christ have afforded the Spirit the opportunity to make him an influencer of influencers and a prophetic voice to the nations with a global footprint."--Mark J. Chironna, M.A., Ph.D.; Mark Chironna Ministries; Church on the Living Edge, Orlando, Florida "I love this book! As a person passionate to see the most desired gift in the New Testament (1 Corinthians 14:1) flourish all over the world, I would recommend this book wholesale. It clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry."--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy "This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor. Reading School of the Prophets has given us greater insight and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and eliminates the fear of giving and receiving the prophetic."--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly

recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, *The Roar: God's Sound in a Raging World; Future Perspectives*, New Haven, Connecticut

The Girl of Fire and Thorns meets The Queen of the Tearling in this thrilling fantasy standalone about one girl's unexpected rise to power. Freya was never meant to be queen. Twenty-third in line to the throne, she never dreamed of a life in the palace, and would much rather research in her laboratory than participate in the intrigues of the court. However, when an extravagant banquet turns deadly and the king and those closest to him are poisoned, Freya suddenly finds herself on the throne. She may have escaped the massacre, but she is far from safe. The nobles don't respect her, her councillors want to control her, and with the mystery of who killed the king still unsolved, she knows that a single mistake could cost her the kingdom—and her life. Freya is determined to survive, and that means uncovering the murderers herself. Until then, she can't trust anyone. Not her advisers. Not the king's dashing and enigmatic illegitimate son. Not even her own father, who always wanted the best for her but also wanted more power for himself. As Freya's enemies close in and her loyalties are

As two lethal elemental gods set out to destroy Mytica, sworn enemies must become allies in the final fight to save the kingdoms in the thrilling conclusion to the Falling Kingdoms series by "New York Times"-bestselling author Rhodes. Those in recovery learn to “rein in their brain,” ending compulsive behaviors while fostering a more thoughtful lifestyle that ensures long term emotional sobriety. Addiction—whether to mood-altering substances, gambling, sex, or food—stems in part from an over-reliance on the reward system of a primitive part of the brain that can push us to make poor choices based on an expectation of immediate gratification. Those of us in recovery often struggle with the compulsive thoughts and behaviors that are still programmed in our addictive brains well after the drinking and drugging has stopped. These often play out thoughtlessly in our interactions with others, damaging our relationships and growth as balanced human beings. Rein in Your Brain, by addiction expert Cynthia Moreno Tuohy, offers ten tools for breaking the cycle of impulsivity.

With the 21st century upon us, many people are talking about all the "earth changes" that will occur. However, in this inspirational book, best-selling author Louise L. Hay reveals that the primary changes we will see will be internal changes. She points out that when we, as women, are willing to shift our internal ground, our earth, we will operate on a much more expanded level in life.

Louise's goal is to see that all women experience self-love, self-worth, self-esteem, and a powerful place in society. In her inimitably warm and forthright manner, she offers penetrating insights into how women of all ages and backgrounds can achieve this goal and make the coming years the most productive, fulfilling, and empowering ones ever!

As you listen to the Holy Spirit and realize what it means to have the mind of Christ, you have the capacity for life-transforming spiritual intelligence unavailable in any other way.

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award–winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At WBCN, creativity

and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of The Daily Show; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone “Listener Line” fielded questions on any subject, day and night. From 1968 to Watergate, Boston’s WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the “news dissector” Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein’s documentary WBCN and the American Revolution is available as a DVD sold separately.

Rose Howard is obsessed with homonyms. She's thrilled that her own name is a homonym, and she purposely gave her dog Rain a name with two homonyms (Reign, Rein), which, according to Rose's rules of homonyms, is very special. Not everyone understands Rose's obsessions, her rules, and the other things that make her different – not her teachers, not other kids, and not her single father. When a storm hits their rural town, rivers overflow, the roads are flooded, and Rain goes missing. Rose's father shouldn't have let Rain out. Now Rose has to

However, I realized that the fact that it was written by a man, and it is a man calling me into my divine design, brought a deeper level of healing than I'd anticipated and sent me on a journey digging deeper into God's heart. I recommend it for all!" --Revival Magazine "Fashioned to Reign considers the everlasting deception Christians face regarding women's role and purpose: a deception fostered by evil and which is not of God's plan. The disempowerment of women was the devil's idea - and God's true plan for women is very different. Woman was, in fact, designed to stand by man's side and reign with him, not under him - and Fashioned to Reign covers God's ultimate intention for women. Packed with scripture and information throughout, Fashioned to Reign is a powerful analysis perfect for any Christian collection." --Midwest Book Review

you from experiencing abundant life in Christ. What's more, his approach to disrupting your life and discrediting your faith isn't general or generic, not a one-size-fits-all. It's specific. Personalized. Targeted. So this book is your chance to strike back. With prayer. With a weapon that really works. Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you're on to him and that you won't back down. Because with every new strategy you build, you're turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God's Spirit. New York Times bestselling author Priscilla Shirer, widely known for her international speaking, teaching, and writing ministries, brings her new role from the 2015 film *War Room* into the real lives of today's women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more. Each chapter exposes the enemy's cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can post and pray over yourself and your loved ones on a regular basis. *Fervent* is a hands-on, knees-down, don't-give-up action guide to practical, purposeful praying.

has created you to be. Many who have given in to the power of peer pressure and the lure of distorted cultural values will find hope and courage to start over again. Moral Revolution is written for radical and passionate people who dream of being catalysts to a different kind of sexual revolution--one that transforms the way the world views sexuality, defines the unborn and embraces the family. Join the Moral Revolution! Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of Understanding the Purpose and Power of Women, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: "The impediment to action advances action. What stands in the way becomes the way." Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.

For fans of J Lynn, Jodi Ellen Malpas and Sylvia Day comes the Reign trilogy, an all-consuming, raw and powerful love story . . . He will give her everything she's ever wanted . . . She'll continue to reach for him - her only fear is if he'll reach back, or go on his way, taking her soul with him . . . Addictive and unforgettable, Lana's story will seduce, surprise and stay with you. A brand new trilogy by the #1 Bestselling author of Break Me Slowly, the Reign series is an emotional rollercoaster you'll want to keep riding forever. ----- EXCERPT

"You look flushed," he said, his tone so raspy it made me want to tell him why. "I was just thinking of something," I whispered, my gaze zeroing in on his mouth. "Oh?" He took one step closer. "Care to share your thoughts?" I licked my lips . . . ready to share more than just the thoughts. He'd said earlier he wondered what I tasted like. I was wondering the same about him. "Is it easy for you? Telling the truth?" I asked. "Generally." "How? Not that I lie, but I just don't know how you can say what you say." "You mean voice what I want?" "Yes." It was then it hit me. I wanted that. To be able to say what I wanted. Put a voice to my fears. My desires. My everything. To have someone actually listen. "It's a matter of worth over value," he said. "Any given thing has a value. I just decide what it's worth to me to keep that value." He took a step forward. "For example, you have a value. My silence wasn't worth you walking away." of scholars in Europe, Australasia, and North and South America, were selected from the over 400 presentations at SIGET IV (the Fourth International Symposium on Genre Studies) held on the campus of UNISUL in Tubarão, Santa Catarina, Brazil in August 2007—the largest gathering on genre to that date. The chapters also represent a wide variety of approaches, including rhetoric, Systemic Functional Linguistics, media and critical cultural studies, sociology, phenomenology, enunciation theory, the Geneva school of educational sequences, cognitive psychology, relevance theory, sociocultural psychology, activity theory, Gestalt psychology, and schema theory. Sections are devoted to theoretical issues, studies of genres in the professions, studies of genre and media, teaching and learning genre, and writing across the curriculum. The broad selection of material in this volume displays the full range of contemporary genre studies and sets the ground for a next generation of work.

You know the battle is raging--but are you fighting the right enemy? Just as enemies fought Joshua in the Promised Land, and Nehemiah faced opposition as he rebuilt the walls of Jerusalem, our enemy will fight us as we approach the spiritual terrain God has promised us. Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until
