when the conflict comes to a head, Tami will have to choose between proving himself as a man, and protecting the villagers he's come to love. Available for the first time in English, Enrico Orlandi's exciting tale of adventure and compassion is a timely reflection on identity, responsibility, and the true meaning of maturity. "My intention when I created Tami and the world of *Il fiore della strega*, was to tell a fantastic story that would capture the reader's imagination and inspire them to lose themselves in the cold forests of the far north, to feel the icy gaze of the spirits and the warmth of the hearths in each tent. Tami's journey, his difficulties and mistakes, are in essence what every child must face as they grow into adulthood. To those who read this book, I would like to say that a girl can go on adventures, that a boy can cry if he needs to, that there is no right way to grow up. You just have to take the time to understand who you want to be." -- Enrico Orlandi

Follows the adventures of little dead girl as she copes with such events as a dark side tea party and a meeting with the "toof hairy."
