In this industrious tale of revenge, women of latent power rebel, turn the tides and end their frustration. A frustrated Millicent Hayward decides to end husband Harold's annoying attempts to please himself with his inadequate equipment, locking away an organ which the women of the world will never miss. In doing so she finds a level of arousal not before achieved and a Harold who begins to better perform orally. Curious body modifications assist in Harold's new role and Millicent enters a new world of feminine authority. After training her husband to offer pleasure but never to receive, she next turns the tables on her once wealthy libertine boss, and Millie learns that she is not alone in her quest to transform

male desire into meaningful and ardent feminine ecstasy. The boss has secret penchants that led to an expensive divorce and enables his proficient assistant, the experienced Penepole Teasdale, to take control a very lucrative enterprise. Readers will thrill in learning of Miss Teasdale's background. Just where does a prim and well educated woman learn to so thoroughly control the male organ? Millie is also joined by her jaded neighbor and nurse Julie Danforth who will finally take control of her philandering husband. In the author's world of feminine dominion, the phallus is deemed superfluous to sexual gratification. Oral pleasure rules. Therefore the penis is best locked away and relegated to being a source of control and torment rather than enjoyment. Instead it is the tongue which best satisfies. And what better way to ensure fervent oral servitude than to demand thorough chastity and thus assure that the male desire for ecstasy be experienced only vicariously, felt through she holding the key to an ineluctable chastity device.

The #1 thing men secretly desire of women, yet typically won't admit it. Do your relationship a favor and join the modern version of relationships where women are the ones who take charge. Keep up -- the times are changing!

States on April 16, 2021) Excepting works by the revered Ann Michelle, this is the best forced feminization novel I've ever read (and I've read--or tried to read--most). The plot is standard but smoothly executed. No corners are cut; every step of Joe's ushered transition to Josie is lovingly described and his crossdressing dilemmas are both pathetic and delectable...

BDSM is this: Women are submissive, and men are dominant. It's time to shine some bright light on that myth. With tons of experience with pushing men around (in a non-bitchy way, they all agreed, I promise you) I decided to write this book for both novices and experienced Dominas. It's a sensitive topic. It goes against what we see on tv and film. It goes against the innocent girl conquered by a dominant man. It's against the so-called masculine attributes. That's why it's both exciting and common! It's like eating the forbidden fruit, almost as living a double life. I've divided this book into four parts. Part one: Being a dominant women Part two: Understanding Male Sexuality Part three: Communication and satisfying each other's needs Part four: Perform the act Each part is divided into several sections to arm you with the best information and make sure you get a great time being a Domina. Enjoy the book, and please let me know if I can help in any way! All the best, Alex

men and women have sent to Mistress Benay detailing how their lives have changed once they implemented Male Chastity into their Relationships. Here are thirty-five brief, short-story fantasies that treat femdom castration as a highly-erotic, seductive and fetishistic activity. Emphasis is on the female-dominant/male-submissive relationship and not on the gory details of the climactic act itself. The mode of the domination is purely assertive, as if it were a woman's simple, basic prerogative. No violence, gore or harsh verbal abuse is used. These little vignettes take place in a contemporary world where this kind of radical emasculation is deliciously rare and exotic but at the same time perfectly acceptable. The general settings are: suburbia, a clinic or a farm. I know how disappointing it is when you get false hopes up that a work of erotic fiction will be featuring one's favorite fetishistic details. So, in particular, the reader should be warned that no penectomy or full-blown feminization takes place. The cover art is by Sorenutz and is taken from a commission I paid him to draw. Domination and male submission. This 86,000 word erotic novel contains explicit adult content including; femdom, forced chastity, crossdressing, coerced feminisation, masturbation, oral sex, anal play, male slave training etc. and is strictly suitable for adults only. I have the genuine privilege to be considered as a collared slave to Mistress Angelica. Understanding that I was likely to take a while to transition back to 'vanilla world' after being held in Her chastity for a short, but intense, period Mistress set me a task of providing a considered article explaining what chastity has become to me. This was a task I was only too delighted to have been given. I gave My slave a task and he completed it well, in fact he completed it so well that I thought it appropriate to allow others the chance to read about his journey. The topic of chastity is diverse and deep, however I think My slave has produced an article which will definitely entertain and might educate those who choose to read it. - Mistress Angelica
