

Femdom Male Slave Training Manual

A new slave is added to Mistress Lucy's stable. Abducted, he awakes in darkness, chained in a cell. Soon, he is stripped naked and paraded before his new owner. Then his first flogging brings home to him the full horror of his new life. His training begins: hour after hour, day after day of back-breaking tedious physical training, interspersed with vicious punishments. But this is his life now -- just another slave on Mistress Lucy's Estate!

In "Starting Slave Training", we were introduced to Mistress Mandy, a genuine female sadist. Now, well established in her secluded country house, Mistress Mandy recruits another young Mistress to assist in the training and discipline of her submissive male playthings.

Sex. This is one, if not the most, wonderful gift that humans were bestowed with. Just imagine the world without the gift of sexual activity between opposite sexes? There could have been an absence of this pleasurable experience that everyone in the right age enjoys. While everyone seems to view sexual intercourse as a kind of activity that is supposed to be regarded with respect and conservatism, some people have gone out of their way and formed a new orientation about it. To some, sexual activity is no longer an act of sacred human reproduction but a way of executing creativity and expression of unexplainable behaviors and attitudes. Specifically, this book focuses on BDSM. What does BDSM stand for? What does the whole term mean? Why is there such a thing as BDSM training? All these and more questions will be answered as you continue reading this entire book.

Domination and submission: perhaps you're aware of it from Fifty Shades of Grey, or perhaps you're a seasoned practitioner; whatever your experience level and expectations, this guide will provide you with a step-by-step blueprint of exactly what you will need to do in order to train your submissive partner(s), and have him/her* delighting in obeying your every command. In this guide you will learn about all of the steps which are conducive towards developing a positive Dom/sub relationship, which means you'll be learning about how to prepare a Domination and submission relationship in the first place; the protocols which you may use to maintain discipline in your sub; practices for physical, sexual and attitude submission; how you and your sub can use rituals to get into and out of your roles when engaging in D/s scenes; and there will even be some more advanced techniques mixed in throughout the guide which will help you take your Domination and submission experience to the next level. Without further ado, let's begin.

An experience is the process of personally participating in an activity, event or lifestyle. Fantasy does not always translate over to reality because reality must contend with the bodily limitations of the physical world, whereas fantasy enjoys the unlimited boundaries of the imagination. Nevertheless, fantasy is often the product of reality. For one person's fantasy is another person's reality. ; ; Notable FemDom author Elise Sutton examines the Female Domination lifestyle by taking the reader into the personal relationships and sexual practices of everyday people who live astonishing secret lives. ; ; Elise adds her insight and commentary as she examines what constitutes a successful FemDom relationship.

Winner of the Los Angeles Times Book Prize in History A bold and searing investigation into the role of white women in the American slave economy "Compelling."—Renee Graham, Boston Globe "Stunning."—Rebecca Onion, Slate "Makes a vital contribution to our understanding of our past and present."—Parul Sehgal, New York Times Bridging women's history, the history of the South, and African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South's slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.

Tim wanted to kneel before his beautiful boss Ava more than anything. But the reality might be more than he can handle. What begins as a fantasy soon becomes a journey into real domination and submission that will change both Tim and Ava forever. From the Book I felt so small and embarrassed. "Staring at me is one thing. It would be well within protocol to write you up for that alone. However, these websites are a violation of company Internet policy and subject to immediate termination... at my discretion." My mouth dropped open and I struggled to say something. I needed this job. Ava grabbed the papers from my hands and leaned on the edge of her desk. She crossed her ankles and started thumbing through the log of websites. "What is 'femdom' Tim?" "Oh... Ava, are you sure you want me to..."

"Let's hear it, Tim. I want to know what's so important that you would risk your job." "Well... it means female domination." "And that is..." "Ava..." "No, I want to know." "It's when someone is submissive to a dominant woman. It's a type of relationship where the woman is completely in charge." "Keep going..." "It often involves humiliation, corporal punishment, chastity, or service," just talking about this was both excruciatingly embarrassing and, unfortunately, exciting to me. "Really, whatever the woman wants." She clicked her tongue, "What you do on your own time is your business Tim, but surely you don't think it's appropriate to look at sites like that at work?" "No... no, no, no... I shouldn't have ever done that. I'm so embarrassed. If you'll forgive me I promise to never do that again," I looked up at her, but she was still looking at the pages. Ava sat the pages down on her desk and leaned forward, she was inches from my face. I could smell her perfume this close, and it was intoxicating. "You're going to have to do better than that." She emphasized every word of this next sentence, "I want to hear you beg for your job." Reviews A realistic FemDom FLR (Female Led Relationship) - written with exquisite detail. Once I started reading it was impossible to stop." Peter Degen Inspiring Content... Superior dominance unfolds, a definite must read! Relationship counselling with a difference! A dominant woman shares her ideas about the training of male submissives: what they should wear (not a lot), what they should do (pretty much all the housework, for a start), and how they should be treated (like the dogs they are!). A veritable cornucopia of femdom ideas! Men! DON'T give this to your wife or lady-friend -- she might get notions..!

Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We

are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

My personal training techniques for domination, humiliation and punishment of a submissive male. Spanking, caning, strapping, hairbrush spanking, thigh spanking, cuckolding, queening and facesitting, verbal humiliation, ballbusting, blue balls torment, and as a squirter (female ejaculator) all things related to those "wet" episodes, plus much more. This book focuses on several years of experiences of my using the above methods to dominate my submissive husband to my benefit, and for my sexual pleasure.

Debbie Parker is still enjoying her stay with her old friend Mistress Lucy on her estate dedicated to the femdom lifestyle. Now she decides to take a greater interest in the activities of the estate, in particular the pony training. For on this estate, the ponies are not horses — but men!

What is 'Female Leadership'? It's accepting that 'She knows best' in all matters. From the finances to the household to how best to accomplish long-term goals. It's trusting in Her judgement to run things and embracing 'Her way'. This doesn't make the man weak, just the opposite, because men are the best at 'getting things done' when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side's strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex. Surrender, Submit, Serve Her seeks to help implement your Female Led household through tools like the Command and Conquer meeting (commanding and conquering tasks and roadblocks, not people), laying out the contract of servitude (clearly defining her dominion and removing unnecessary confusion) and crafting your own pledge that personalizes and empowers the act of his submission. Surrender, Submit, Serve Her has been nominated for the BDSM Writers Con 2017 Golden Flogger Awards for BEST BDSM Book of the Year in the Non-fiction category. Updated for 2018! Better formatting and new content.

Dominatrix Renee Lane and her submissive husband live in Memphis, Tennessee, disguised as an average married couple. In private life, they are mistress and slave. For the last ten years, Ms. Renee has employed erotic S&M, mind control, and brainwashing techniques to forge an intimate and loving bond with her submissive partner. They consider themselves explorers of the boundaries of consensual female domination. Ms. Renee's intense and radical approach to their relationship will challenge the reader who merely dabbles in BDSM.

This manual will work for any gender of dominant and submissive. In section 1: A chapter for submissives who wish to find a dominant partner or to influence their existing partner to become dominant. A chapter for people who have a submissive partner and wish to tentatively explore dominating that partner. A chapter for dominants, including the very experienced, who wish to maximise the pleasure and benefits for themselves and at the same time, maximise the contentment of their submissive. Advice on managing that tricky balance between vanilla activity and domination activity. In section 2: a myriad of ideas, suggestions and techniques to explore, including advice and suggestions on: The use of different punishment implements. A multitude of physical torments, and humiliation and degradation activities. A multitude of tips and ideas to incorporate in each of the five most popular enforced role plays. Page 5 provides opinions of my expertise from many followers of my blogs and published journals.

This book contains three previously-released stories at a special BARGAIN price. Here are three tales of big fat bitches who dominate weaker males TOTALLY! Nudity and chastity are the rule for males here, as well as total obedience. These submissive males are severely punished for any fault, however minor. And they must worship EVERY INCH of their owners' big fat bodies. Oh, yes — these BBW are COMPETELY in charge! TANYA HYDE “Come into my parlour said the spider to the fly...” A young man's fantasies lead him into a unusual real-life relationship with a dominant BBW. He quickly loses control over events, and descends in a spiral of submission, slowly at first, then plummeting down to his doom. He ends up as the property of a very strict and demanding Mistress. There are no more fantasies now, only harsh realities. And there is no escape! PERFECTLY LEGAL The confessions of a mature BBW dominatrix. She tells how she enslaved a younger man — and got away with it! Read how she ruthlessly uses and exploits her naked captive! Lurid details of their life together as Mistress and slave! Gosh! That's a bit “News of the World-y”, isn't it! (That's Weekly World News for American readers, I believe). Sorry, I couldn't resist! Anyway, here is my guide to, as the subtitle says, owning your very own male slave — and getting away with it! LOVE SLAVE TRAINER A mature BBW has gone into business as a “love slave trainer”. Husbands and boyfriends are delivered to her well-equipped home to be trained as body slaves. The trainee will stay there in captivity until he has learned to please to the Mistress's exacting standards. The trainee is kept completely nude and in a state of total sexual denial. Of course he is teased — but complete chastity is the rule! He is subject to a rigorous training regime until he has become a devoted body slave. When training is complete, he is released into the custody of the lady friend who sent him for training. He will spend his life in service to his former wife or girlfriend — now his owner!
