When I'm resuscitated after a car accident, my second chance at life comes with a gift. I can hear the dead. I'm struggling to figure out my new life as a psychic. I'm trying to figure out my new feelings for my best friend since second grade, Jax. And I'd like to pass my freshman year of college, too. And then the Hunters show up. Rough Luke and gorgeous Mave. It doesn't take a psychic to tell those boys are trouble. They're trying to stop the November murders. A girl disappears from campus every November, and they believe she's being taken by a murderous poltergeist. They can't speak to the dead. They need me. Most of all, the women on our campus, and the ghosts of the dead girls, need me. I can't let them down. I hunt the ghost. And then the ghost hunts me. If I can trust Jax and these Hunters to have my back, we might all survive. But how can I ever reconcile these two worlds? I long for life with Jax, simple and sweet. And I crave the chance to use my gifts, with these two Hunters by my side. When you come back from the dead, how do you learn to live again?

I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the

exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero? Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems. Death is back. He wants another kiss. And he's not alone. The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

Three things I didn't know yesterday: 1. The old gods still exist. 2. They can inhabit a human body... like mine... when a girl is just innocently studying at the library (and maybe stealing one small microfiche...) 3. The old gods are cruel and dangerous and oh, also, horny. Actually, add a fourth thing: There's a reform

school for delinquent supernatural creatures. After a little mishap where I may have accidentally set my school on fire, I have to choose between human prison or a paranormal academy for the troubled. I look terrible in orange, so it's a simple call... But it turns out, all the bad boys of the supernatural world... vampires, shifters, witches... can stop fighting each other in the yard at God Fire Reform School and agree on one thing. They want the gods dead and gone again. I'm not going into this twisted new world alone though. The four boys I once loved, who have grown into sexy men, are all possessed by the gods. Not only have we inherited their powers, but a shard of their troublesome personalities, too. Which means even we're scared of what we might do next... If these men and I don't master the gods within, this school won't 'reform' us. It will bury us. **MAGIC FOR DUMMIES** is book 1 in a paranormal reverse harem series. Scroll up and download now to enroll in the reform school, where you'll find yourself with sexy gods, a lovable heroine, and the mess of supernatural beings who want them dead.

They say men like a lady in the living room and a whore in the bedroom. I never knew the sentiment was reciprocal. Until I met Jax Knight. A gentleman in public, a commanding, dirty talking rogue in the bedroom. Daughter of legendary fighter "The Saint," Lily St. Claire knows firsthand how fighters can be.

As the owner of a chain of MMA gyms, she's no stranger to aggressive, dominating, and possessive men. That's why she's always kept her distance. But the day Jax Knight walks through her door she's captivated by his charm. Stunningly handsome, well mannered, Ivy League educated, and confident, he shatters all the preconceived notions she'd come to think were true about men who trained to fight. But falling for someone so soon after her breakup wasn't something she'd planned on. And definitely not something her ex plans to allow.

So many lovers, so little...sanity. Gesa is dealing with a sickening overabundance of FEELINGS. No matter how she might resist it, her gryphon side insists she claim her pride--as if she were a damned alpha lion. But she has other priorities. Like getting rid of the squatters in her bookstore home, keeping Hisashi from going insane...and what the hell is up with Oisin? Danger is looming, and the pride might not make it out intact. Author's Note: I was tired of reading the same old thing over and over again in reverse harem. Sick of all alpha male and fainting female all the time—and desperate to be able to tell the male characters apart—I tried to infuse some variety into my story. Gesa might not be your cup of tea, and that's okay—she doesn't care. Her lovers are as varied in physicality and personality as they are in supernatural race. And the characters all have their own definition of sexuality. I know reverse

Death, Sin, and Vengeance walk into a bar...They all want something from Karmen. Bish wants to get even with Karmen for her interference in taking Dahlia away from him. Cipher wants to punish her for abandoning his arms and his bed. Váli has wanted her for centuries but she never seemed to see him. When Bish and Cipher conspire to teach Karmen a lesson, Váli seizes the opportunity and offers his services-after all, Vengeance is his grace. Too bad for them, he'll extract a little for his girl and eliminate them as competition at the same time. These bad boys are no angels. Karma has no deadline...I'm not afraid of them. me, Death wants me to pay, and Vengeance? He's all right, but we work together too much. Our methods are very different. When those three Keepers put their heads together, my spine tingles in warning. They're up to something and it's hard to miss. I've played this game for far too long. Are they really sure they want to mess with me? Bring it on, boys. I'm patient and it's hardly the first time I got my hands dirty. *Please note this is a reverse harem and the authors suggests you always read the forward in their books. Warning, this is a standalone tale with a fierce and feisty heroine, three anti-heroes who are forces of nature, and a tale as old as time, with elements of revenge, humor, and a little bit of karmic justice thrown in.

Cass Saélihn is light years away from her four mates. She knows they'll come for her. She knows they'll never abandon her. Yet she isn't some defenseless damsel, sitting on her ass and waiting for her hot, alpha males to rescue her. She won't accept the fate of being in another cage. Even though she's heavily guarded. Even though the torque on her neck binds her, rendering her powerless. She won't allow Ares and Apollo to sever her mating bond to her beloved mates, no matter how they seduce, threaten, or torture her. She knows if the rogue gods can't make her their queen and weapon in a war between the gods, they'll destroy her. But she doesn't bend, and she'll never break. They may

have a terrible plan for her, but she's reserved worse for them. Now she awaits the one chance to strike back and return to her mates, who she knows are coming for her. Warning: This is a full-length reverse harem fantasy/paranormal romance that features one hell of a strong woman and her four powerful supernatural mates. It contains brutal battles, explicit love scenes, raw language, magic, swordfights, Greek gods, dark fae, vampires, shifters, and a lot of assholes.

Her adventure has only just begun... Wyn thought everything would be unicorns and rainbows once she reached her mother's palace. The last things she expected were assassination attempts, the Summer King readying for war and, worst of all, frilly dresses. But all of that is pushed to the side when one of her Guardians needs her help. They're hers. And she'll protect them while keeping her vow to protect the Realm. No matter the cost. This second novel in the now completed Daughter of Winter series, a fantasy reverse harem romance full of Scottish mythology, sexy alpha guys and explosive magic. Also available as audiobook. This series needs to be read in order, so start with Winter Princess if you're new to Daughter of Winter.

Hunted by dark spirits, she's running out of options... At first glance, she probably seemed like any woman in her prime - Full of life, fearless, and dances like everyone's watching. Except no one is because she's dead. Worse than dead,

she's invisible. No one can see, hear, or feel her and who can live dead like that? Oh, by the way, she also has no idea who she is, how she died, or who killed her. As if that's not bad enough, dark spirits are hunting her. Knowing she can't fight them off forever, she's running out of options and is determined to do whatever it takes to survive. Enter Jack, with his killer smile and wicked sharp blades. He can see her. Touch her. And kisses like a sinner with no interest in finding salvation. When Jack offers her a chance of a lifetime, she's all too eager to accept his help and follow him home. What she finds when they go through his front door defies everything she thought life was about. He isn't just her savior. He's something far more dangerous. And he doesn't live alone. Can she trust her instincts and navigate through the fog of her past to find out what happened to her? If so, how does Jack play a role in her life... and death? This is a Reverse Harem Novel with graphic language, sexual content, and violence. Don't step into this world unless you want to play with the big boys. And yeah, they run in packs. All the Hell Hounds do. Restless Spirit is Book 1 in the first trilogy of the Hell Hounds Harem series.

Who knew dragons could be so...hot? I grew up as a trashbag kid. I don't want to even try counting how many foster homes I've lived in since I was orphaned at the age of five. When some long-lost relatives take me in during my last year in the system, I'm careful to remain on my best behavior. Finding family and living happily ever after has always been a secret fantasy, so getting the boot would be devastating. But these perfect strangers are turning out to be perfectly strange. Like when they tell me dragons are real and my great-aunt's husband just happens to be one. Um... But before I can pack my few belongings and bolt, I see the evidence with my own eyes. Then I catch sight of my new uncle's five gorgeous nephews and decide...maybe dragons aren't so bad after all.

The Glow of the Dragon's Heart is the prequel to the Harem of Fire series.

A large family with a great appetite for living is dominated by the father until an older son, Gant, is able to free himself. I get what's mine. As the gun lay heavily in his hand, the weight of it was nothing compared to the pressure his father had put on him and the club year after year, dragging them all down in the process. Cade had two choices: the club or his father. The club won. Cade Baker sacrificed everything for the Vipers Creed Motorcycle Club, bringing the club back to what it was supposed to be—a family—even when it meant taking out his own father. It took a particular kind of man to kill his blood, but Cade had always believed in doing what was right for the club. To him, it was a small sacrifice to make things normal for him and his brothers. Then, when Trixie strode into his club, full of demanding attitude, his normal was shot straight to hell. He vowed to have Trixie. No matter the cost. Nobody steals from me Trix Lamasters was nobody's fool. Raised by a con man, she lived by her own set of rules. Mainly, take care of herself first because no one else was going to do it. When an employee stole from her, she could have let it go. She could have let the thief fade into the background and chalk up the missing cash as a loss. She was Trix, after all—she always landed on her feet. But that wasn't her style. She was too stubborn, too damn proud. No one stole from her and lived to tell about it. With pride, though, came consequences, and Cade Baker was hers. Trix gave something to Cade when she was a girl, something sacred. And she could never get it back. She had loved and trusted him, and he had left her. Now he was making her crazy ... because he wanted her. And hell, she wanted him, too. But how is she supposed to trust the man who broke every single one of her rules, not to mention, her heart?

The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined--and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

Who knew one small mistake--that just happened to go viral--would result in being exiled from my family and shunned by my coven? Not me. Yet here I am, in nowhere, Alaska, armed only with a laptop and my Pomeranian. But even witch magic can't prepare a girl for the freezing temperatures, murderous moose, or the abundance of hot men. Jack, Ty, and Aiden walked straight out of the freezing ocean like some mythical gods, water sluicing from their broad shoulders. What starts as burning attraction quickly turns into searing kisses and hot nights between the sheets. But something isn't right in this tiny Alaskan village. There aren't any tourists. There's no internet, and the locals shoo their children away when I walk past in the streets. There are secrets here I long to uncover. But not if that means the risk of exposing my own. Tempted is a 'why choose' paranormal romance perfect for readers who enjoy sassy heroines, sexy sea dragon shifter heroes, and

enough steamy scenes to heat up even a cold Alaskan night. This is the first book of an ongoing trilogy.

From USA Today Bestselling Author K Webster, comes a dark, paranormal prison reverse harem romance standalone novel! I've been wrongfully accused. Sure, everyone sent to prison says that. It's true, though. I'm not who they say I am. Dark. Evil. An abomination. The worst of the worst. They sent me to the deepest, most awful catacombs of Nightmare Penitentiary. It's where they put all their secrets they don't want anyone in the world-both human and paranormal-to know about. I'm left to be forgotten and waste away until the day I die. And I'm not alone. I'm there with others. Others who are worse than me. Terrifying. Horrible. Monsters. Four demons in particular who seem to wake from their evil slumber the moment I enter their presence. They want me. All four of them. I'm not sure what they plan on doing once they get their hands on me. But one thing's for sure...It won't be good.

Everyone here wants us dead... and I don't blame them. The gods inside of us are dangerous. They seek power above all else. As we learn to use our supernatural abilities, we also have to learn how to control them. Because the stronger we grow, the stronger the gods grow. And that's terrifying. The four boys, who I loved in childhood, have become gods alongside me. And while Loki, the trickster god inside of me, gets me into a lot of trouble, he's also pushes me toward the men I care for. My guys have gods of war, death, wisdom, and violence inside of them. Those gods are changing them too, into strong men capable of amazing things. But just like with me, it isn't always a good thing. And at a reform school of paranormal creatures capable of frightening things, we have to be able to control ourselves or the consequences could be deadly. This reform school is our last chance. If we fail here, I don't want to know what they'll do to us. But it can't be

After surviving childhood at the snooty, stuck-up boarding school for budding omegas, I have everyone convinced I'm a dud. My awakening? Never gonna happen. Heat, mates, and a fairytale pack life? Maybe next reincarnation. All I want is to be left alone. I'm invisible, headed to a blissful solo future until the Wyvern Pack destroys my dream of independence. Atlas, Hunter, Finn, Jett, and Orion are poison candy. They don't want an omega, but they need one, even if there'll never be a real spot for me in their pack. Who needs a pack? I'll keep myself safe, same as always. I'll never awaken, and I'll never ever give the Wyverns my heart... Because all they'll do is rip me apart. ? Burn: Slow ? Heat: Med/High (spicy MM + M MMMMM scenes) ? Warning: Contains MM content, frequent cursing, and references to past assault that may be disturbing. Author not responsible for ugly crying.

When I fell, I fell hard. After refusing to choose between good and evil, high or low, Heaven or Hell, I was exiled and fell from my pedestal and landed in a cesspit that was Earth. Stripped of my wings, and left with only two of the five gifts that I was gifted with from Him, I've been forced to live my immortal life

amongst the humans. Make no mistake, as much as a punishment for choosing neither side this was supposed to be, it's become my sanctuary, my haven. Although a disaster when I landed, Earth has become my home, a place where I can blend with the humans, live my endless life moving from one place to another. That is until my home is invaded by four angels, all hell bent on making me to choose a side. They're in for a sure surprise when they realise my choice will forever and always be the same: humanity. A foreign concept to any angel. Well, any angel but me, it seems. Yes, humanity have their flaws, but so do I. I'll choose my perfectly imperfect life, and there's not a damn thing any angel can do to change that. So, yeah, I fell hard. But I fell for the flaws of being human even harder. *This is a Reverse Harem novel! #whychoose* Recommended 18+ due to mature language and situations.

Cruel. Heartless. Quarantined. The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting

creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their

When angels fall, Hell will rise. Lucifer isn't Hell's only devil. When a powerful angel purposely abandons Heaven, their descent creates a new level of torment in Hell's Kingdom. If only it didn't take me nearly dying by the hands of my ex-fiancé to discover this. I could've begged for a miracle or at least mercy. Now, the best I can hope for is a crappy deal with Hell's most notorious ruler and some twisted help from my new devil soul keepers. Lucifer, Kase, and Dante need me to force the rest of their traitorous brethren to fall from grace and take their rightful places to bring Hell's Kingdom to its intended glory. I'm the only one who can complete the task-whether or not I want to-because of my angel-kissed soul. I unknowingly made an angel fall in another life and am the perfect angel bait. Corrupting some angels sounds easy...right? Unfortunately, the divine brethren aren't the sweet, innocent angels I've heard about. These guys are fierce and won't think twice before smiting me. Starting over in a small nowhere town in Oregon with an aunt she didn't know existed until a week ago, she makes five new guy friends that are each something otherworldly. Something supernatural-- and they say she is too. As if high school wasn't hard enough. In this captivating and vivid, paranormal reverse harem, join Callie on her journey of healing from the horrors of her past, while discovering that the world is far weirder than she could've possibly imagined. Warning: This book contains graphic violence, adult language, underage drinking, mild sexual content, and deals in sensitive issues such as abuse, suicide, and PTSD. Reader discretion is advised.

Kiara Arrio is on the run and dying when four tall, dark, and gorgeous strangers find her in a crumpled heap along the road to the hospital she was desperately trying to reach. The small herd of stag shifters are immediately drawn to the injured woman, taking over her care as she recovers from her illness. They're entranced by Kiara's strength, her sass, and her sweetness, and do their best to woo her, hoping to claim her for their own. There's just one problem: Kiara already has a mate. And she certainly didn't run away from one only to find herself with four more. ***** Night of the Wild Stags is a steamy standalone shifter Reverse Harem Romance, HEA guaranteed, set in Golden Angel's Big Bad Bunnies world. It is not part of the BBB main storyline and it is not necessary to read the BBB series in order to read this book.

and poems by Alice Dunbar Nelson. While working as a teacher in New Orleans, Dunbar Nelson published *Violets and Other Tales* through *The Monthly Review*, embarking on a career as a leading black writer of the early twentieth century. “If perchance this collection of idle thoughts may serve to while away an hour or two, or lift for a brief space the load of care from someone's mind, their purpose has been served—the author is satisfied.” With this entreaty, Alice Dunbar Nelson introduces her first published work with a humility and caution rather unfitting an author of such immense talent. In this collection of reflections, vignettes, short stories, and poems, Dunbar Nelson proves herself as a writer immersed in the classics, yet capable of illuminating the events and concerns of her own generation. In “A Carnival Jangle,” she provides a vibrant description of New Orleans during its legendary season of celebration. “The Unknown Life of Jesus Christ” presents itself as a newly discovered manuscript revealing Jesus’ travels in India. Dunbar Nelson’s brilliant prose style is nicely juxtaposed with her expertise in poetic form as she moves fluidly from love poems to religious verses, narrative poems to heartbreaking elegies. Only twenty years old when this collection was published, Dunbar Nelson executes a brilliant debut to a long and distinguished career in literature. With a beautifully designed cover and professionally typeset manuscript, this edition of Alice Dunbar Nelson’s *Violets and Other Tales* is a classic of African American literature reimagined for modern readers.

their life? That's the decision I have to make when the Alpha Council assigns me a secret undercover mission to join the dangerous coven, The Day. After all, I'm the only wolf shifter around who's also a witch. No one likes me much--except for my men--but at least I'm useful. There's just one problem with my new assignment. Because there are spies at our school, I have to keep my mission a secret, or Dean Clearborn will yank me back to the academy before I have the chance to save the packs. But those protective, fated mates of mine will follow me anywhere. So I weave a spell before I leave to destroy their love for me, and mark my men in blood and ash and regret. Then I surrender myself to the Day, only to find I'm not entirely alone here. A handsome man with a stranger's face but some oddly familiar mannerisms says he's on my side. But can I trust him? Sometimes, he's my friend. Sometimes, he's my tormentor. And if I survive my time in the Day, will I be able to come home to my men and restore their love? Or is what I've done...Unforgivable? Their Shifter Academy 4: Unforgivable is book four in this thrilling five book academy RH series. Scroll up and download now to enter a world where the twists, turns and dangers are unending, the men are bossy and protective, and their imperfect--but adored--heroine will always find a way. I wish this was our happily ever after. But it's not. My mates and I got what we wanted--we found Rhys's sister. We should be celebrating, but the danger is far from over. Our welcome into the Lost Pack was frosty at best, and tensions between old and new blood threaten to boil over. Crammed too close together, trapped by our fear,

we're hardly better off here than we were at Strand. If my men and I can't unite the two packs, they'll tear each other apart before Doctor Shepherd and his hunters even have a chance to find us again. I won't let that happen. My wolf has claimed each of these four men. And the deeper I fall in love with them, the more determined I am to create a real future for us. But to do that, I'm going to have to fully accept the truth of who I am... and what I am. Wolf Claimed is the third book in The Last Shifter series, a reverse harem story intended for ages 18+. This book contains strong language, violence, sexual situations, and a fierce heroine who doesn't have to choose between her men.

After the attack at the party, Yuri goes to see Oya to thank him for saving her, and as much as she hates to admit it, she can't deny there's an attraction. However, when tragedy strikes, Yuri attempts to turn her back on Oya and his dangerous lifestyle for good—but will the allure prove too great to resist? -- VIZ Media

What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...? Me. Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I kicked the ass of a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at that school and each of them have motive and cutthroat natures. Aurora Academy isn't a place for the faint of heart. To put it

lightly, my town is the asshole of Solaria where the dodgiest Fae in the kingdom reside. The school itself is divided by the two gangs who run this town. The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the school, their hatred for each other so fierce I hear a day doesn't go by without blood being spilled in the halls. I might be a petite, lilac-haired girl who looks like a fragile doll, but they haven't been introduced to my fangs yet. And they don't know why I'm really here. Or that I'll do whatever it takes to bring down the Fae who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge. This is a reverse harem series set in the world of Zodiac Academy four years before the Vega Twins were Awakened. Expect some character cross-over, dark and hot romance, and a twisted murder mystery which will leave your head spinning.

Freshman year is rough. Especially as the daughter of the dark lord. After her evil father was defeated, a young Tera Donovan was thrown from her world to Earth. After five years of hardship and abuse, Tera suddenly receives an invitation back to the magical realm. Her presence at her new college ignites the campus. Hidden among the people who hate her family are the True, loyalists to her father. They hope Tera will be the face of their revolution. Tera needs to stay in Avalon and become a magician again. She doesn't want anything to do with the True or to serve as a pawn to the Crown. But no one cares what Tera herself wants - no one except three alluring men who seem willing to give Tera a second chance. For the first time since she was banished, Tera's found

someone to trust, and someone who trusts her. When the first body marked with her father's sacrificial runes shows up on campus, however, Tera fears that her three friends may be more dangerous than she imagines. She's ready to fight for herself, for her magic, and for her world. But will she lose the battle and find herself banished again? Welcome to a world where redemption is possible, where friendship and adventure and magic abound, and where love means never having to choose.

Welcome to The Fallen Angels, where heaven couldn't control us and hell can't contain us. Some monsters are born into this world, while others are made. Some fall from Heaven, while others rise up from Hell. Me? I wasn't just made, I was created. An angel is what my parents called me, but when I witnessed their murders, brutal and sadistic, that night, I clipped my own wings. A Fallen Angel, that's what I became that night. Five feet one, red hair, round innocent face with baby fat still present in my cheeks, pink pouty lips, I can walk straight up to the enemy and put a bullet in his head before he even knows what's happening. No one who isn't a member of The Fallen Angels knows my real identity, and I always personally take care of anyone who even begins to come close. Who am I now you ask? Well, I'm Sweets. The innocent-looking devil who kills without conscience or regret, all with a smile on my face and a lollipop in my mouth. I'm Sweet Chaos on your best of days, so imagine me on your worst, and there's no man alive who doesn't fear the power I wield. Well, that's what I thought, until I met four. They thought me to be the innocent little flower, until I showed them my thorns. And guess what? They held me anyway. Everyone knows my heart is a block of ice, but what happens when four handsome, dominant, possessive bikers decide that I belong to them, and that I don't have a choice in the matter. This is a Reverse Harem, why choose romance,

where the female main character doesn't have to choose how many or who to love. This novel contains strong language, violence, sexual content, and dominant anti-hero assholes who you can't help but love. May not be suitable for anyone under the age of 18.

Why be good when being bad is just so much more fun? Before you read my story, you need to prepare yourself. I'm not some damsel in distress in search of her Prince Charming. I'm not a girl looking to settle down, and most of all, I'm not someone who can be controlled. No, I do the controlling around here. My name is Angel and I'm the devil's daughter. I know, right? He must have had a lot of fun with that name choice. But you know what? I kinda like it now. Anytime people see the distinctive markings on my skin or hear my name dropped, they run for the damn hills. Why? Because I'm a weapon. I kill whomever I want, whenever I please and there is nothing anyone can do about it. Not even dear old Dad. When opportunity knocks and I'm given the perfect chance to catch a ride out of Hell, I don't think twice. Only the Nephilim who let me tag along with them have no clue who I really am. But when they realize just who they've brought to Earth, that's when the real fun begins. **WARNING:** This is a dark reverse harem novel and contains things that may trigger you if you are sensitive to certain subjects. I strongly advise that you read the note at the beginning of the book before you decide whether to continue with the story. I kept mention of specific triggers from the blurb in an effort to avoid spoiling it for readers, but have detailed them inside the book for your reference. The warning page can be read as part of the sample, so there's no need for you to purchase the book if you aren't sure whether it's for you.
