Spiritual warfare is a reality that faces Christians every day. Their daily walk with the Lord and fight with Satan affects every aspect of their life: their personal victory, the state of their families, their interaction with the world around them, and their ultimate service and performance on earth. Every Christian finds himself harassed and under the relentless hand of the enemy. Spiritual casualties surround us on every side. Luke warmness, defeat, and compromise seem to be the order of day. Deep within the heart of every true Christian stands a hunger to please his Master. This book focuses on that deep cry-the spiritual seed within. It equips the child of God and steadies him to a life of spiritual fulfillment in Christ as he fights and wins spiritual battles. Nobody is born a natural spiritual fighter. Like any army which recruits soldiers and trains them before releasing them to the battle field, the Christian soldier likewise has to be trained. His training is crucial knowing that the enemy he is fighting does not give him a chance to train before launching his attacks. Prayer and Spiritual Warfare equips and encourages the believer to effectively stand against the deceptive schemes of Satan by applying scriptural truths. It teaches the nature of the spiritual battle, what it takes to win battles, and weapons that are used to fight in this warfare. It trains God's soldiers to receive and

This is a true story. His eye balls were rolling inside his skull as he came out of Cecilia's home. "What is the problem?" we asked him. This is not the person I use to know because his behavior changed. As we began to pray for him, he turned violent that three of us could hardly hold him down. About one hundred and forty four demons were cast out of him. The last twelve demons refused to leave as they claimed ownership of this brother. We stood our ground that brother Paul is a child of God. We rebuked and cast them out. Reluctantly they left, remaining their leader that also left after all false claims. This violent brother by now was slain in the spirit and slept like a baby for quite some time. When he woke up he looked surprised wondering what has happened. What happened was that he had gone and laid hands on this said Cecilia when he heard her screaming and shouting. Cecilia was not born again and had been demon possessed and ran mental

demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them

What specific actions to take if you believe your family has come under the influence of demonic activity  
How to use your baptismal, spousal, and parental authority in spiritual warfare  
How curses can become effective — and what can be done to counteract them  
The difference between diabolical temptation, oppression, obsession, and possession  
The seven ways your family can wear the full armor of God  
The diabolical counterparts to each of the Ten Commandments and the Beatitudes  
The 13 weapons you can use to defend yourself and your family against evil spirits

.This Book Contains 500 Powerful prayers against the powers of darkness, Evil forces, Powers of the Witches and all rulers of darkness of this world. According to Ephesians 6:12 which states "For we wrestle not against flesh and blood, but against principalities, against powers of darkness, against spiritual wickedness in high places." When considering Prayers against the powers of darkness we need to understand that we are in a war. Battles make up smaller components of the bigger picture. By definition, battles involve combat between two persons, between factions, between armies and they consist of any type of "extended contest, struggle, or controversy" As Christians, we are in a spiritual battle of some sort on a daily basis. In warfare, battles are fought on different fronts, for different reasons, and with varying degrees of intensity. The same is true in spiritual warfare. Our spiritual battles and warfare are real, though we cannot physically see the attacker. But, we can educate ourselves on how the battles are fought and how they impact our lives on a daily basis. We have to ask ourselves, "Why do we even want to fight?" It will do us no good to educate ourselves on the battle if we see no reason for the fight. War is very controversial today in the physical realm. Those attitudes, beliefs and convictions will transfer over to the spiritual realm. However, in the spiritual realm, there is a battle going on regardless of our opinion. We are either victors or victims. Jesus has come and conquered. The war is already won in the heavens. Jesus told us in Matthew 28:18 that, "All authority has been given to me in heaven and on earth." We now have the privilege of having an eternal relationship with God. Many of us enter into that covenant of salvation by grace. But the Matthew 28:18 verse is not only about our salvation; it is also about our every day victory, which adds up to victorious living in Christ. Every day victory

Do you want all that God has for you on this earth right now, or do you want to wait until you get to heaven to receive the victory and blessings? In this Book you will understand the Battle of Spiritual Warfare together with over 500 prayers that will enable you to fight the powers of darkness and be victorious. The prayers ensure that you will recover all your possessions and your God given potentials in you. You will also get back all that the Devil has taken away from you. Are you facing the following challenges, living in an anti-Christ nature and following their Doctrine, Living out of faith, Sexual temptations for unmarried, Sexual harassment, Divorce, Destruction of life, Poverty, Lack of focus, Confusion, Homosexualisim, Lesbianism, Drug Addiction, Joblessness., No sense of Direction, Confusion, Lazy to Prayer , Not willing to server God, and many more. For years, we have learned principles of individual spiritual warfare. Yet as the end times are upon us, the forces of darkness are intensifying their attacks around the world. For this next season, says renowned prophetic leader Dr. Bill Hamon, we as the church must up the ante and learn to fight on a higher level than we ever have, in corporate spiritual warfare. With wisdom, urgency, and keen prophetic insight, Hamon lays the biblical foundation for this final level of warfare and shows how we, as the church, can prepare to work in unity to become the army of the Lord. He lays out the weapons available to us in this new battle front and reveals a plan for destroying the works of the devil and advancing God's kingdom on earth. Now is the time to rise up, fight back together, and secure the ultimate victory in Christ. There are constant battles that we face on a daily basis, but there is a method designed by God that puts you in authority. It is called, Spiritual Warfare! God has given us divine

stratagems and tactics to fight against the forces of darkness and win every time, as the scriptures notes, "Behold, I give you power to tread on serpents and scorpions, and over all the power of the enemy and nothing shall by any means hurt you" (Luke 10:19). My brothers and sisters, this does not mean that you will never suffer loss, heartache, sickness or pain, but it does allow you to walk out of the fire, not even smelling like smoke! God has declared that he has given us power, anointing and authority to overthrow Satan's kingdom by exposing the hidden secrets of hell's structure! You no longer have to be afraid, because you have just been given the weapons to dismantle, disarm and disengage the adversaries power! If you feel like you are fighting a losing battle, come on and journey with me as we lock and load and man our battle stations and wreak havoc against our adversary. God is in the foxhole fighting with you and for you! This book documents my unique, firsthand experiences as a spiritual warrior for the Lord Jesus Christ. For the past fifteen years, I have been battling evil entities in the spiritual realm, and thanks to the Lord, I have successfully overcome them. To begin, the Lord had to teach me how to enter the spiritual dimension and travel outside of my physical body. This book details my becoming a spiritual warrior of the Lord. The Lord called me to my mission in 1984 when I was visited by the Blessed Mother, who gave me the Lord's graces and blessings and awakened me to my spirituality. Since then, the Holy Spirit has guided me, increasing my acceptance that I had a special gift. As a truly charismatic Christian, I have been blessed with the miraculous gift of being groomed by the Holy Spirit to fight spiritual battles on behalf of those whom the Lord has guided to me. The Holy Spirit has taught me how to fight these battles not in the physical world but in the spiritual realm of our Lord. Through this miracle, I have traveled to the stars and beyond, to far distant planets, and to

other dimensions outside of our galaxy to do the work of our Lord. This book documents my fifteen years of experience as a spiritual warrior. In a world full of ever-increasing reports about people who have had spiritual encounters, I have experienced life after death, and as a warrior, I have personally battled evil entities. In 2014, I received a message from the Lord that instead of visiting people in their homes to pray for them, I needed to write a book on my spiritual battles. By writing the book, it would enable me to help not just hundreds of people but literally thousands throughout the world. I believe our salvation depends on having a deep awareness and understanding of our spirituality. People also need to connect with their spiritual side in order to become successful and fulfilled in life. We all want to live life to the fullest. This book will help the reader to accept the Lord's blessings and the Lord's graces, unlocking the secrets of your spirituality. It will give people hope and increase their faith. You're at war. Are you winning? Your fight is not with the problems you can see—depression, a broken marriage, addiction, or financial troubles. These are just the symptoms, the true disease—the true battle—is against the devil and his armies. But the devil's not afraid of mere humans like you and me. So how are we supposed to fight? More importantly, how are we supposed to win? Warfare is a guide to fighting the battles that matter. In it, you'll learn: to identify how spiritual warfare is impacting your soul, family, church, and culture. who the armies are and what role they play—God, angels, demons, and the devil how to use the arsenal of spiritual weapons God provides how to claim the victory God has already won. When we fight the right battles with the right weapons, fear gives way to courage, futility gives way to purpose, and failure gives way to victory.

There's a great war being waged in the world today; and it's not a conflict between nations, tribes, or government leaders. It's not a rebellion or coup; but it's an important invisible battle taking place in the spirit world. The Bible states that GOD's people are destroyed because of lack of knowledge: Hosea 4:6; "My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your GOD, I also will forget your children." One of the main areas in which Believers are being defeated due to lack of knowledge is in spiritual warfare. The early Church viewed their spiritual experience in terms of warfare, and military terminology is used throughout the New Testament. Protection was seen in the Armor of GOD, and the Word of GOD was compared to a sword. Satan's attacks were called fiery darts; and faith was the "good fight" and Believers were told to "war a good warfare." The early Church knew they were engaged in an intense spiritual struggle, and the same spiritual battle continues today, but instead of fighting the enemy, Believers are often building great church buildings, producing musical dramas, holding fellowship meetings, and fighting one another while this great spiritual battle wages around them. Satan has even intensified his attacks against a church that has withdrawn from the front lines of battle; and in these perilous and evil days are upon us; it's even more important for Believers to understand spiritual warfare than in the early days of church history. The Apostle Paul warned: 2 Timothy 3:1; "This know also, that in the last days perilous times shall come." In order

## Online Library Fighting Spiritual Battles New Church

to be properly prepared for these perilous times, renewed emphasis must be placed on the strategies of spiritual warfare; because the Christian life is war, and the sooner we recognize and prepare for it; the sooner we will experience victory.

"Author and women's conference leader examines spiritual warfare for a specifically female audience"--Provided by publisher.

There is a great war being waged in the world today. It is not a conflict between nations, tribes, or government leaders. It is not a rebellion or coup. It is an important invisible battle taking place in the spirit world. The Bible states that God's people are destroyed because of lack of knowledge (Hosea 4:6). One of the main areas in which believers are being defeated due to lack of knowledge is in spiritual warfare. The early Church viewed their spiritual experience in terms of warfare. Military terminology is used throughout the New Testament. Protection was seen in the armor of God and the Word of God was compared to a sword. Satan's attacks were called fiery darts. Faith was the "good fight" and believers were told to "war a good warfare." The early Church knew they were engaged in an intense spiritual struggle. The same spiritual battle continues today but instead of fighting the enemy, believers are often building great church buildings, producing musical dramas, holding fellowship meetings, and fighting one another while

this great spiritual battle wages around them. Satan has even intensified his attacks against the church that has withdrawn from the front lines of battle. As the end of time approaches it is even more important for believers to understand spiritual warfare than in the early days of church history. The Apostle Paul warned: "This know also, that in the last days perilous times shall come." (II Timothy 3:1) In order to be properly prepared for these perilous times, renewed emphasis must be placed on the strategies of spiritual warfare. The Christian life is war. The sooner we recognize and prepare for it, the sooner we will experience victory. Luke 14:31 says, "What king, going to make war against another king, sitteth not down first, and consulteth whether he is able with ten thousand to meet him that cometh against him with twenty thousand?" No king ever entered into a battle without a careful examination of his resources and development of battle strategies. In essence, that is what we are doing in this course. We are making a careful evaluation of the strategy, weapons, and power available to us to win the war against our enemy, Satan. In the military world, "strategy" is the science of forming and carrying out military operations. It is the method or plan which leads to the goal of victory. In this book you will learn to formulate and carry out spiritual military strategy which will bring victory in the spirit world.

warfare is concerned. It is disheartening to note that dozens of believers seem to be inept at spiritual warfare for the most part and are deficient in understanding of spiritual weapons the Lord gave to the Church with which to fight our enemy. Despite its significance in the Christendom today, spiritual warfare is the very area where Christians have little understanding and a main reason why they don't achieve the desired results from the Lord is because they never engage the enemy in warfare. It is for this reason that this publication has been brought into the limelight as a key weapon in the Body of Christ to unpack the divine revelations of strategic spiritual warfare. This book does not just devise the stratagems Christians can use to fight against satanic forces but also unpacks the divine concept of strategic warfare. A strategy is an intelligently formulated plan of action that is used to stay ahead of those who are competing against you. It gives you an upper hand or competitive edge over your opponents. Strategic warfare therefore implies understanding the art of warfare or how to fight battles in the spirit realm against satanic forces and influences. It connotes to how to fight battles in the spirit realm against satanic forces and influences and how to cast out demons either from the bodies of their victims or from the environment in your sphere of contact. The truth is that winning the battle is not an outcome of physical muscles or disposition

of weapons but an art. This means that it requires a strategic thinking and spiritual intelligence to successfully engineer and won battles in the spirit realm. In this publication, Apostle Frequency Revelator therefore unpacks the divine revelation that Spiritual warfare is an art that involves developing an understanding of who your enemy is, how he operates, what strategies he uses to fight against you, what his warfare base or strongholds are and what his strengths, weaknesses, opportunities and threats are. At a broader length, it incorporates a wide spectrum of spiritual acts such as understanding the spirit realm in which the devil operates, how to manoeuvre and navigate your way in the spirit world, how to cast out demons, how to obtain a legal precedent against the accuser the devil before the High Court of Heaven, as well as how to plead cases, accusations and petitions lodged against believers before the Courts of Heaven. At a strategic level, spiritual warfare involves undertaking such strategic acts as taking over new territories for Jesus, reclaiming territories that have been taken over by enemy through the paradigm of ignorance as well as strategically occupying political, financial, media and all other territories that are deemed critical in the proliferation of the Gospel. This is what God expect you to do as a heavily armed warrior in His kingdom.
