Cancer sucks, death sucks even more. But we humans don't have the power to stop either of them from messing with our lives. They enter our lives whenever and wherever they choose to. Cancer is so common that each one of us have known someone who has dealt with the disease; some of us have lost a loved one to cancer. Common does not always mean simple, and it also does not mean we know everything about it. The diagnosis of cancer, regardless of the disease's curability, is almost always nerve-wracking, even for healthcare providers like the main character of this book who is a veteran nurse. This book is written in first person; the subject is a middle aged woman who had been separated from her boyfriend some thirty years ago and then after three decades when she searches for an oncologist for treatment of an aggressive cancer that she was recently diagnosed, she finds her ex-boyfriend's name and decides to see him. That brings back the memory of their past together, and she starts going through her old diary she had written some thirty years in the past. Part of the story is set in Nepal (from the diary) and the other part is set in the USA (this takes place after her cancer diagnosis). The main character of the story was born with 'Manglik' cosmic influencer, meaning that the planet Mars "mangal Graha" was in such position in the solar system at the time of her birth that it would have strong negative effect on her husband if she married a man who was non-Manlik (a person born at the time when the planet Mars was not in such position.) What happens next changes the lives of the main characters.

Wisdom for Kings, Rulers, Leaders and Ordinary Folk speaks to the love motif of God for His people. The writing in the Book of Proverbs peregrinates through the books of the Old Testament and back into the New Testament as the Holy Spirit reveals the sincerity, depth and integrity of Scripture. The decision to use the Reflections to talk about the grace, mercy and love of Christ Jesus as seen in the Book of Proverbs was the right decision. Like the compendium of contributors to the Book of Proverbs, Jesus used everyday situations to talk about the spiritual hope available to all humanity. Many of the teachings of Jesus, originally found in the Book of Proverbs, point to the wisdom of God throughout the Holy Bible. Every word in the New Testament points to God, as the penultimate source of wisdom. As we make our way into the twenty-first century, many Christians are looking for an expression of discipleship that speaks meaningfully to our time, a faith yearning that is at once personally intimate and relevant and that grows out of and nurtures authentic Christian community. The Pilgrim's Compass shepherds readers through a metaphorical pilgrimage to consider one's life a journey for faith formation. Using this book as a guide to help Christians consider their journey as they walk through the four stages of intentional faithfulness, disciples will encounter God, wrestle with God, be wounded as will God, and be reborn as a new person with a new name. The Pilgrim's Compass encourages individuals to embrace the ancient practice of pilgrimage both as metaphor for the daily walk of discipleship and as an intentional journey of faith, which uses prayerful travel to assist an inner transformation.

The purpose of this book is for each of us to experience God's love and God's 'unfiltered' passion for us, and that we learn God on a personal and intimate level. That we become proactive in seeking God and as a friend once said, "Pursue the God that pursued you". My prayer is that as you read this book, the words will spark a deep desire within your heart, mind and soul to learn the truth about God. A desire to learn the truth about God, His love for you, His will, His purpose for your life, and so much more! I heard a minister say, "Each generation has to find their own truth about God". Therefore, it is my continuous desire that we find our own personal truth in God and allow that truth to be our compass. This book is a tool for you to use daily. Read it, meditate on the word, write down your revelations because the real awakening is revealed once you go beyond the words on the following pages, dig deeper into the word of God and spend time in prayer. As you dig, I promise that you will see truths never seen before, and you will experience a revelatory flow from heaven that is just for you! Seek God....Pursue God...Experience God as you actively learn about His goodness, mercy and love.

MAKE YOURSELF AT HOME IN GOD'S HEART: After 7 years of volunteering to serve the men, women, and children at a very popular outreach center in Atlanta, GA, I stumbled upon an amazing personal discovery. I came to the humble realization that homelessness is not simply a state of physical destitution. But homelessness is also a place of spiritual and emotional emptiness. It is very true that some live in a perpetual state of misfortune and need the relationship, the challenge, and the encouragement of others to "dare to hope" that their circumstances are only temporary. Many undoubtedly need financial relief to end their state of homelessness. Yet, each of us, whether well off or destitute, can attest to the fact that at one point or another we have felt abandoned and displaced. While serving as an outreach leader, I found a new family. I discovered though I had a physical dwelling, I too was in an emotional state of homelessness. While serving the homeless, I struggled to conquer my own issues with abandonment. I found myself desperately attempting to place the pieces of my own life in a recognizable order. And it was while serving that I found an extension of God's family that are far too often overlooked, disqualified, and misunderstood. Each month I would show up with a fresh sermon in hand-ready to inspire and motivate those whom "I thought" were in need of encouragement. But each time, I left with the discovery that I needed it more than any of them. I arrived ready to inspire, but left all the more inspired myself.HOPE FOR THE SOUL is inspired by the men, women, and children seeking love, purpose, and a reason to believe that a better experience of life exists. In this book, you too will discover that there is a secret place in God's heart to find all the rest, affirmation, and love you have been longing for. HOPE FOR THE SOUL is guaranteed to strengthen your ability to:*Speak life to every dead dream*Pursue your God-given power*Declare freedom from past failures*Perform at maximum capacity in His strength*Trust God and His promises to build a better life!!
