

Firearms Acquisition And Disposition Record Book

"A stolen gun threatens everyone." No firearm owner should be without this book. Lost/Stolen Firearms Investigations - Each year, thousands of firearms are reported lost or stolen. The owners ability to adequately identify these firearms is central to law enforcement's ability to investigate these crimes and losses. Insurance claims and reacquisition of recovered firearms will also hinge on the ability to correctly identify these firearms. A handy and very detailed Personal Firearms Record book. Use this to document your collection. In the event of theft or fire you will have all the information needed for insurance or police. Unlike other record books, this one gives more than enough space for all important information The "Personal Firearms Record Book" has been designed to be an important accessory for anyone who owns firearms. It gives you a record of the important specifics of each of your firearms that will enable quick identification in the event of a theft, fire or other situation. Your collection will be documented so you will have all the information needed for insurance or police. Anyone who owns firearms should have this book. A complete description of each firearm is vitally important to law enforcement in the investigation and recovery of your firearms and to your ability to prove ownership: With enough room for 40] firearms, there is even space to include a photograph of each gun along with key information such as Manufacturer Name, Serial #, Model #, Type, Action, Gauge/Caliber, Finish/Color, Date Acquired, etc. With the "Personal Firearms Record Book," you'll easily put together a consolidated, comprehensive listing of firearm specifics that will enable quick identification and ease the burden of proof(for insurance and police) should it become necessary. By purchasing this Gun Records Journal and maintaining it in a safe location, separate from your firearms, you will be not only protecting your own property, you will be taking an important first step in the effort to prevent thefts and to keep firearms out of the hands of CRIMINALS, ILLEGALS and TERRORISTS !! Get this book for yourself and for any family member or friend who owns a firearm. It's the smart and responsible way to keep track of a gun collection. Remember iA stolen gun threatens everyone.i Keep this list separate from your firearms to assist police in the event your firearms are ever lost or stolen !!! Immediately report any theft or loss of firearms to your local police !!! This book is the perfect accessory for anyone who owns a firearm. Firearms Logbook was written for the general public consumer who wants to keep firearm records but is unsure what information is required or how to record this information. This book provides a consolidated, comprehensive listing of firearm specifics that will enable quick identification and ease the burden of proof should it become necessary. This book has many uses: For the novice. It serves as an instructional tool. For the first time gun owner who wants to record the information about their new possession, but does not know what is required, or where to start, it provides a good base for records. This book makes an excellent gift to accompany anyone's first firearm. For the collector/investor. It serves as a log book, recording transactions and point of sale information from acquisition to sale of the weapon in one place. It allows freeform annotation of modifications made to the weapon to ensure the investment is properly catalogued. For the heirloom. It also provides a notes section for the owner to annotate heirloom items for future generations. For the Insurance company. This book is an excellent record for producing information about these valuable firearms when filing insurance claims after any disaster. Report of theft to authorities. This book records information necessary to properly identify the weapon in the event the authorities need to identify a stolen firearm. About this log book: The fields contained in this book were written in a manner to enable logical collection of information related to the firearm. Substantial effort was put into deciding what types of information most collectors were interested in retaining on their firearms, in addition to generic legal requirements for logging weapon information. There are specific fields for details of the firearm, receipt data, as well as disposition data for those instances when a firearm is sold or traded. In addition to a page dedicated to the owner's information, this publication gives space for 100 firearms (2 firearms per page, 50 pages of inventory). It also includes four pages for miscellaneous free-form notes.

If you own more than one gun, you're a collector. Proudly record the guns in your collection in the official NRA National Firearms Museum Gun Collector's Logbook. Handsomely bound, sporting the NRA Museum and NRA logos on the front cover, this sturdy firearms record album will withstand frequent handling, making it an excellent choice for gun shows and firearm exhibits. This is the best way for gun collectors to document their compliance with Title 27 ATF Documentation Requirements for Firearms Collectors. Each page has fields for recording information on the firearm as prescribed in Table 4 of Title 27, Part 478. At the back of the logbook is a convenient envelope for saving receipts, photos, and other important loose documentation of your guns. Maintaining a record of the disposition and acquisition of every firearm you own for insurance purposes, as well as to aid in the recovery of lost or stolen guns, is the hallmark of a responsible and conscientious gun owner. The new National Firearms Museum-sponsored gun collector's logbook makes the process of recordkeeping easy and enjoyable. Also included in the logbook is a list of NRA-affiliated associations, details on NRA programs, and a money-saving offer for NRA membership.

The essential record book for firearm dealers and collectors. Designed with the specific requirements of firearm dealers, collectors, and buyers in mind, Skyhorse Publishing's Firearms Acquisition and Disposition Record Book is the perfect log for tracking firearm purchases and sales. Approved by the ATF, the log satisfies the ATF requirement that firearm dealers keep a bound book recording their firearm acquisitions and gives enough space for each entry to be logged neatly and correctly, making it easy to read and easy to record. The log gives space for the caliber of firearm, serial number, price, and manufacturer, among other basic information, for both firearm acquisitions and dispositions. Also included is a space for the National Criminal Instant Background Check System, or NCIS, number, something that you won't find in other log books. With space for over one thousand entries and professionally done with hardbound covers and lots of entry space, this book is durable enough to be the long-lasting log that suits any firearm dealer, from large retailers to smaller dealers. Protect yourself and your shop by putting your trust in Skyhorse's Firearms Acquisition and Disposition Record Book. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
