Are you looking for the perfect Betta Fish gift? Then look no further! This fantastic coloring book makes the perfect present for yourself or the siamese fighting fish lover you know! Get creative and unwind with this fantastic coloring book from Coloring Books Now! This midnight edition Siamese Fighting Fish coloring book contains 40 fantastic Coloring Pages of drawings of your favorite cute primate in a paisley, henna and mandala designs that are designed to promote stress relief and relaxation. The betta fish inspired black background coloring pages within this book are a great buy for beginners and coloring book enthusiasts alike, that enjoy coloring mandala, paisley and henna style images, as this coloring book is designed for people of any coloring skill level. This is achieved by including simple, easy to color designs for beginners that increase in difficulty into more complex, detailed designs for the more experienced coloring book users. So you'll be sure to find something you love and can even work your way up to being able to complete the more intricate coloring pages within this book if you're a beginner. And as this is the black background edition of our betta coloring book, you can just sit back and relax by simply coloring the negative spaces. This coloring book has not only been designed to help allow you to relieve stress, but also helps to promote creative expression by containing a variety of different styles, patterns and designs for you to color. As with all Coloring Books Now products, all the designs in the book have been hand drawn by different artists and contains all original work, so when you buy one of our products you won't find it is filled with something you have seen elsewhere, like some of the other coloring books on the market today.

Because here at Coloring Books Now are all about bringing our customers great value coloring books filled with original, brilliant quality designs to help you unwind and relax. The designs on the fantastic coloring pages inside this book are printed single sided to prevent bleed through, meaning this book is appropriate for a range of different coloring mediums, such as felt tips, coloring pencils, crayons and many more. And also allows the user to remove the pages for hanging or framing purposes without risking the loss of any of the other designs. While this coloring book was designed with stress relief for adults in mind, this book is also suitable for people of all ages. So is also a great gift for kids and teens.

A coloring book featuring artwork by Brenda Potts

Your Little Ones Will Love This New Rainbow Fish Coloring Book. There are over 40 large, fun to color rainbow fish each printed on its own page too. This New Rainbow Fish Coloring Book utilizes traditional Color Count formula and makes it more accessible to younger children by increasing the color space. Most rainbow fish take up one page making it perfect for beginners and they are featuring several coloring pages towards the end. You can get your gift by clicking on this link <https://mailchi.mp/690f7a0998be/coloring-book-for-kids>

Two highly respected outdoor journalists, Kirk Deeter of Field & Stream and Charlie Meyers of the Denver Post, have cracked open their notebooks and shared straight-shot advice on the sport of fly fishing, based on a range of new and old experiences—from interviews with the late Lee Wulff to travels with maverick guides in Tierra del Fuego. The mission of The Little Red Book of Fly Fishing is to demystify and un-complicate the tricks and tips that make a great trout fisher. There are no complicated physics lessons here. Rather, conceived in the “take dead aim” spirit of Harvey Penick’s classic instructional on golf, The Little Red Book of Fly Fishing offers a simple, digestible primer on the basic elements of fly fishing: the cast, presentation, reading water, and selecting flies. In the end, this collection of 240 tips is one of the most insightful, plainly spoken, and entertaining works on this sport—one that will serve both novices and experts alike in helping them reflect and hone in their approaches to fly fishing.

Wild Oceans Coloring Book offers dozens of marine illustrations to color that are not only technically accurate, convincing, and powerful, but are also fresh, spontaneous and full of life. These sea life portraits meet the highest standards of anatomic accuracy and knowledge. Nick Mayer knows his subject matter intimately - based on a lifetime of study and pursuit of the various species - and executes at the highest level. But he fills his imagery with artistic qualities as only a fine artist can do. The end result is some of the very best imagery available today in the field of Sporting Art. You'll color such fascinating saltwater fish and deep-sea creatures as: * Chambered Nautilus * Blue Lobster * Giant Kelpfish * Pink Abalone * California Flyingfish * Humpback Whale * Leopard Shark * Leafy Seadragon * Blue Jellyfish * Green Sea Turtle * Blue Crab * Queen Angelfish * Pacific Seahorse ... and many more!

Stress Relieving Underwater Ocean Theme For Men And Women; Art Therapy Anti-Stress Designs And Patterns For Relaxation. Rediscover the joy of coloring with Art Therapy Coloring Books for Adults. Still your mind with a variety of designs created by several talented artists. Experiment with color on this collection of over 35 elaborate designs on black background.

The Complete Hawaiian Reef Fish Coloring Book includes over 200 colorable illustrations to help the reader learn to identify these colorful and fascinating fishes. Each illustration is accompanied by a complete description of the fish, including the scientific, common and Hawaiian names. Their anatomical features, coloration, body designs, feeding habits and reproductive strategies are also explained in a fully illustrated section devoted to these topics. In addition, an overview of coral reef ecology is provided to help the reader understand the relationship between the fishes and the coral reef. This book may be used by the casual snorkeler, diver, or marine enthusiast. Students of marine biology will also find it to be a useful tool for academic work and practical monitoring projects. This book can also be used in the classroom to supplement a course in marine biology or ecology, or it may simply be used by younger audiences who just want to enjoy coloring in the

fishes.

VICE CITY: NEW YORK IN THE 80s... After a failed attempt to kill Golzine, Ash is on the lam with his friends: Shorter, a Chinese gang-member; Eiji, a Japanese reporter who is developing feelings for Ash; Eiji's boss Ibé; and Max Lobo, a journalist and Griffins's former army buddy. Ash heads for his childhood home in Cape Cod and a tragic meeting with his real father. Meanwhile, the group learns that Griffin knew his killer--one Abraham Dawson--back in Vietnam. Could Dawson hold the secret of Banana Fish? -- VIZ Media

Take a look at the special fish raised at your local fish hatcheries made possible by the state departments of fish and wildlife. You will get to see the insects they eat, the predators they avoid, and how they raise these fish in comparison to how they mature in the wild. You will also get a glimpse of their habitat and how they can help preserve nature for wildlife. It is important that everyone sees how wonderful these fish are so we can help them survive. Whether you catch them, eat them, or just enjoy seeing them swim by while you visit local rivers and lake, we should share the knowledge with everyone. There are plenty of pictures to color, dots to connect, and puzzles to solve. Prepare yourself for some fishy fun. Rediscover the joy of coloring with Art Therapy Coloring Books for Adults. Still your mind with a variety of designs created by several talented artists. Experiment with color on this collection of over 30 elaborate designs that feature intricate zendoodle designs and patterns and fishing phrases.
