

Folk Tales Of Maharashtra

A collection of twenty-five folktales from Maharashtra, a state in western India.

In Hindu Tales from the Sanskrit S. M. Mitra has collected and transcribed in English various fables and short stories from across the Sanskrit tradition. The stories' characters range from kings to mice and they find themselves in all manner of situations, from the mundane to the magical. Regardless of the setting, there is a common thread of moral choices, whether personal or for family and friends, that runs through the collection. Siddha Mohana Mitra was an Indian author and political commentator, who was most famous at the time for his numerous books and articles for the British market on the colonial rule of India. This collection, edited by the author and translator Nancy Bell, was published in 1919, and was designed to be both appealing as a set of fairy tales and useful as a teaching tool for children's moral perception of the world. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

"Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by

All India Radio, New Delhi. From 1950, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English) w.e.f. January 5, 1958. It was made fortnightly journal again w.e.f July 1, 1983. NAME OF THE JOURNAL: AKASHVANI LANGUAGE OF THE JOURNAL: English DATE, MONTH & YEAR OF PUBLICATION: 4 AUGUST, 1963 PERIODICITY OF THE JOURNAL: Weekly NUMBER OF PAGES: 68 VOLUME NUMBER: Vol. XXVIII. There are human skulls speaking to men. There are demoneses falling in love with their prey. There is a jackal pretending to be a priest and a donkey that goes beyond his duty. These are stories from the soil of Bihar, from the land of Bhojpuri and Maithili-stories that have traversed centuries and created a catalogue of oral wisdom.

An Endearing Marathi Folktale About Two Sisters. Ekkesvali Has One Hair On Her Head; Dhonkesvali Has Two And Thinks She S Great. What Happens To Them When They Meet An Old Woman Who Lives Alone In A Clearing Right In The Middle Of The Forest&? This Folktale Takes On A Special Joyousness With Ranjan De'S Stylised Representations, Full Of Interesting Details.

India is a treasure-trove of folktales born out of the customs and traditions of the country. Sometimes these tales are retold in its different regions, while imparting the local flavour to them. The mobility of the folktales can be attributed to the pilgrims and travellers journeying from one part of the country to another. They rested at night in dharamsalas or inns, often attached to temples, where they mingled among themselves and with the local people. More often than not, folktales are passed on from grandmother to grandchildren so vividly that they are impressed in the listener's memory forever. They are delightful and fascinating to the young as well as the old. The same story even when heard repeatedly does not lose its interest as it appeals to the fantasies, the make-beliefs and the primitiveness in us. These beautiful folktales of India were on the verge of extinction when a project of compilation of 21 volumes consisting of folktales of different regions was launched by Sterling. These folktales have been gleaned from the larger collection.

From Jammu and Kashmir in the north to the Andaman and Nicobar Islands in the south, from Dadra and Nagar Haveli and Daman and Diu in the west to Arunachal Pradesh in the east, and all the other states and union territories of India in between, here are 108 fabulous folk tales, legends, and stories from more than fifty-seven languages and dialects. You will delight in wondrous tales of heroes and heroines, of ordinary men and women, of wicked mothers-in-law and foolish sons-in-law, of love lost and won, of a tree who loved a girl, of seers and wise men, of chudails, werewolves, and wizards, of a potter girl and the divine cow, of demoiselle cranes and humans transforming into elephants, of how the woodpecker got its crest, and much, much more. Startlingly original, brilliant, wise, and often funny, these stories will delight readers of all ages. *The Owl Delivered the Good News All Night Long* is a one-of-a-kind anthology that weaves together celebrated folk tales and legends with modern lore and true stories. With a remarkable range of languages, dialects, and communities represented, this anthology is a delightful mix of folklore passed down the generations and exceptional stories of ordinary people recorded for the first time. The anthology has been meticulously compiled by visual anthropologist

and author, Lopamudra Maitra Bajpai, who was recently deputed as the Culture Specialist (Research) at the SAARC Cultural Centre.

This bibliography examines literature in English for young people concerning the Indian subcontinent and associated areas, including Bangladesh, India, Nepal, Pakistan, and Sri Lanka. It presents the perspectives of authors native to the region as well as non-native authors, and reflects the rich folklore and traditional culture of the subcontinent, its checkered history, and modern challenges. An introductory essay traces the development of children's literature in the region since 1947 and reviews major themes and trends in western children's literature about the subcontinent. The many entries are organized into chapters by country, which are then subdivided by genre. Further access is afforded by indexes of authors, illustrators, titles, and subjects.

Annotations provide plot summary, thematic analysis, and literary evaluation and also assess sensitivity to multicultural and international concerns.

This provocative book by a leading folklorist offers a new analysis of caste in India, focusing on the rationale underlying the customs surrounding untouchability. Drawing on clues contained in two fascinating folktales, Alan Dundes goes beyond Dumont's classic *Homo Hierarchicus* in deconstructing the pervasive pollution complex that prevents millions of individuals from entering temples or drawing water from community wells. His graceful and erudite explanation of caste also illuminates the mysterious worship of the sacred cow as well as sati/suttee, or widow burning. The author concludes by relating caste to the theory of marginal survival, drawing on Gypsy concepts of pollution. This controversial book offers a fresh perspective for anyone interested in India, folklore, and psychoanalytic anthropology_a detailed case

study documenting how folklore, as a source of native categories and symbols, can yield unique insights into the unconscious functioning of a culture through time. In this comprehensive textbook, renowned philosopher J. N. Mohanty examines the range of Indian philosophy from the Sutra period through the 17th century Navya Nyaya. Classical Indian Philosophy is divided into three parts that cover epistemology, metaphysics, and the attempt to transcend the distinction between subject and object. Mohanty focuses on the major concepts and problems dealt with in Indian philosophy, including ethics, social philosophy, law, and aesthetics. Students of Indian philosophy at every level will find this a rich and rewarding text.

Includes an overview of Indian telling; the basics of storytelling; stories from all the states and tips on how to tell; over 50 activities covering visual art, writing, craft and discussion; interesting and replicable black and white illustrations based on folk styles; unique story map; ways to find other stories to tell; discussion on storytelling in schools; and further resources, story sources and reading.

Rajasthan a land of chivalrous warriors, legendary kings, beautiful maidens and rich traditions has always been famous for its folk tales. In this book author has highlighted the values and valour enshrined in this folk tales.

This book is a representative collection of twenty-nine Fairy Tales of India. Take a literary tour through India's rich folk tale tradition in this comprehensive volume by historian and folklorist Joseph Jacobs. These Indian tales resemble the stories that flourished in Europe, such as the tales by the Brothers Grimm and by Aesop, although they have an Indian flavor. The collector of these stories contends that they are very old, older than the legends and folk-tales that later flourished in Europe.

He believes that India was the originator of this genre and the stories were possibly brought to Europe by the crusaders or other travelers that passed through India. The stories in this edition are amply illustrated.

Ethnological study.

Believing the slander of his other wives, King Vikram of Avanti unjustly exiles Queen Shashikala to bear her child in a lonely forest fortress, with only her faithful maid Devaki for company. Devaki teaches the young prince, Thugsen, the arts of disguise and mimicry. When he grows up, Thugsen sets off to Avanti, determined to teach Vikram a lesson for being unfair to Shashikala. Soon, the kingdom of Avanti is plagued by a new trickster. The man is audacious enough to steal the necklaces right off the queens' necks and to fool the King. The stolen things are always returned and the King starts to wonder why the trickster is targeting him. In this folk-tale from Maharashtra, Thugsen gets justice for his mother in a most unusual way!

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

A new story for every single day of the year! Each book contains a special story for each month. These entertaining stories are short enough to be read just before bedtime or to take a break anytime of the

day. With popular as well as never-heard-of tales from around the world and great illustrations, every book in this series is a must have.

Folktales in India have been told, heard, read and celebrated for many centuries. In breaking new ground, Indian folktales have been reread and examined in the light of the Mother Earth discourse as it manifests in the lifeworlds of women, nature and language. The book introduces ecofeminist criticism and situates it within an innovative folktale typology to connect women and environment through folklore. The book proposes an innovative paradigm inspired by the beehive to analyze motifs, relationships, concerns, worldviews and consciousness of indigenous women and men who live close to nature as well as other socially marginalized groups. In the current global context fraught with challenges for ecology and hopes for sustainable development, this book with its interdisciplinary approach will interest scholars and researchers of literature, environmental studies, gender studies and cultural anthropology.
