Fortnite: Battle Royale has taken the world by storm, combining the high-octane action of traditional shooters with the creative construction elements of sandbox games like Minecraft. With 50 million players and counting, competition is fierce, and strategy is essential. Once you jump from the Battle Bus onto the island below, there can be only one goal: survival. The Big Book of Fortnite has all the tips and tricks you need to master the melee, whether you're playing on a console, PC, or your phone. Illustrated with dozens of full-color screenshots, find essential information on big-picture offensive and defensive tactics, best practices for building, and indispensable combat techniques. Learn all about uncovering loot, optimizing weapons use, exploring map locations, establishing fortresses, and completing challenges—in solo, duo, or squad mode. This comprehensive guide is fully up to date and even includes features on top Twitch streamers and the many celebrities who are Fortnite superfans. The battle is on! Make sure you're the last player standing.

In addition to the Solo game play mode (which pits each gamer up against up to 99 others in a real-time battle), the Duos mode allows gamers to team up with one friend in a quest to defeat all other gamers during a match. Meanwhile, the Squads mode allows teams of four players to enter into a match and work together as they battle against up to 96 other gamers. The Duos and Squads game play modes are permanent features built into the game, and they've proven to be extremely popular, since Fortnite: Battle Royale is, for the most part,

cross-platform compatible. Thus, someone experiencing the game on a PS4 can team up with a PC user, for example, to play against a random section of other gamers, in real-time. An Encyclopedia of Strategies for Fortnitters: Duos and Squads Strategies will be the first book in this unofficial strategy guide series to offer in-depth coverage of Fortnite: Battle Royale's team-oriented game play modes. Thus, this unofficial strategy guide will be chock full of proven strategies and game play tips designed to help teams achieve victory in the Fortnite: Battle Royale matches they participate in. This expanded (approximately 176-page) guide will include a comprehensive overview of the Fortnite: Battle Royale game, with a special focus on the game's team-oriented game play modes. The full-color book will appeal to readers age 8 and up, regardless of which gaming platform they're using. Throughout each match, gamers must: Focus on survival Avoid the deadly storm Explore the island Gather resources Build structures and fortresses Find, collect, and utilize weapons and ammunition Acquire and use loot items Engage in combat against enemy soldiers with the goal of becoming the last person alive at the end of the match When experiencing any of the team-oriented game play modes, cooperative gameplay (teamwork) and communication with team members become vital. An Encyclopedia of Duos and Squads Strategies will soon be an indispensable resource for gamers experiencing the Duos or Squads game play modes (or any of the other team-oriented game play modes added to Fortnite: Battle Royale on a temporary basis).

Are You Ready to Become the Last Man Standing in Fortnite Battle Royale? Fortnite Battle Royale is the newest and easily the most well-developed Battle Royale game currently available on the market.
