

Fox Episode Guide

Prepare yourselves, M*A*S*H fans, for the most comprehensive book on the show ever written. Written by fans and for fans, this book covers material never covered in previous books. Aside from an astounding amount of researched info for nearly every episode of the series, this book covers every aspect of the show from the opening theme to the production codes, including a season by season analysis. But even more importantly, there is fresh commentary from over 45 MASH alumni who were contacted just for this book with never-before published experiences and anecdotes. With a foreword and all new M*A*S*H dialogue by Larry Gelbart, a "History of MASH" with commentary by William Self and even more interviews and commentary from most major players, the original producers, writers, directors, guest stars, a technical adviser for William Christopher's character and even a stunt man, we think you'll find this to be "The B*E*S*T Book Anywhere"!! The yearly volumes of Censored, in continuous publication since 1976 and since 1995 available through Seven Stories Press, is dedicated to the stories that ought to be top features on the nightly news, but that are missing because of media bias and self-censorship. The top stories are listed democratically in order of importance according to students, faculty, and a national panel of judges. Each of the top stories is presented at length, alongside updates from the investigative reporters who broke the stories.

The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.

TV Guide: TV on DVD 2006The Ultimate Resource to Television Programs on DVDMacmillan

In this illuminating book, David S. Silverman assesses four controversial television programs from the perspective of media history, assessing the censorship present at all four networks and the political and intellectual inertia it produces in broadcast television. Beginning with The Smothers Brothers Comedy Hour in the sixties, the author also examines The Richard Pryor Show, TV Nation, and Politically Incorrect. Drawing on firsthand accounts by the writers, producers, and performers of these programs, Silverman offers an unbiased view of the ways in which censorship, sponsor intimidation, regulation, and network tampering force all American broadcasters to manipulate creative talent and stifle genuine controversy. Shedding new light on the prevalence of censorship in broadcast television, this book reinvigorates the subject of

free speech in American society.

Thirty million loyal TV Guide readers know where to find the best TV crosswords ever created. Puzzles with television themes from the most widely read weekly magazine in the world make this collection a television lover's dream book. It's spiral bound, oversize, and filled with hundreds of crosswords that will challenge anyone's television IQ. There are classic favorites from the 1960s, '70s, '80s, and '90s; take a walk down memory lane, and answer "___ Masters in Rin Tin Tin" (just 3 letters). Try the best contemporary crosswords from TV Guide Crosswords Magazine. All that, plus brain teasers and fun trivia quizzes offer hours of fun.

A study of the landmark television program The Simpsons which focuses on the show's dual roles as subversive political satire and mainstream mass media hit.

Readers will be delighted by the broad array of comic talent spotlighted in this book, and for those interested in comedy with substance, it will offer an alternative punchline.

'Family Guy' includes material from virtually every instalment since the show's inception plus teaser material from the seasons to follow. It will also feature inside jokes, subtle things you might have missed, the most memorable moments and commentary from the show's creator, animators, and voice-over artists.

Following the overwhelming success of "The Cosby Show" in the 1980s, an unprecedented shift took place in television history: white executives turned to black dollars as a way of salvaging network profits lost in the war against video cassettes and cable T.V. Not only were African-American viewers watching disproportionately more network television than the general population but, as Nielsen finally realized, they preferred black shows. As a result, African-American producers, writers, directors, and stars were given an unusual degree of creative control over shows such as "The Fresh Prince of Bel Air," "Roc," "Living Single," and "New York Undercover". What emerged were radical representations of African-American memory and experience. Offering a fascinating examination of the explosion of black television programming in the 1980s and 1990s, this book provides, for the first time ever, an interpretation of black TV based in both journalism and critical theory. Locating a persistent black nationalist desire--a yearning for home and community--in the shows produced by and for African-Americans in this period, Kristal Brent Zook shows how the Fox hip-hop sitcom both reinforced and rebelled against earlier black sitcoms from the sixties and seventies. Incorporating interviews with such prominent executives, producers, and stars as Keenen Ivory Wayans, Sinbad, Quincy Jones, Robert Townsend, Charles Dutton, Yvette Lee Bowser, and Ralph Farquhar, this study looks at both production and reception among African-American viewers, providing nuanced readings of the shows themselves as well as the sociopolitical contexts in which they emerged. While black TV during this period may seem trivial or buffoonish to some, Color by Fox reveals its deep-rooted ties to African-American protest literature and autobiography, and a desire for social transformation.

Since its 1989 independent debut The Simpsons has enjoyed phenomenal success in both domestic markets and internationally, but very little academic notice has been paid to this series and the messages it broadcasts daily now that it is in syndication to its millions of fans worldwide. This book focuses on an analysis of the political messages contained within the episodes of the first season of the series from 1989-1990 with the goal of identifying, analyzing, and understanding the message, or messages related to politics contained within each episode which millions are exposed to each year. Note that this book does not analyze The Simpsons in terms of its Machiavellian content; the title is meant to suggest the rich political undercurrents of The Simpsons, though not necessarily from a Machiavellian perspective.

A guide to collecting the television magazine which includes fifty years of national and regional covers, a history of television programming, a

publication history of the guide, and a table of the current market value for each issue.

These new essays examine the many ways that issues of gender and sexuality intersect with other identities and practices--including race, religion, disability, music and education--on the Fox hit program Glee. With gender and sexuality concerns at the crux, the authors tackle such specific aspects of the show as the coming out narrative, Glee fandom and fan fiction, representation of sex education, and the intersection of Broadway music and queerness. The aim of these essays is to open up a dialogue about Glee--which is often dismissed by critics and fans alike--and to reveal how scholars are critically engaging with the show around issues of gender and sexuality.

Ever wonder what the unaired episodes of situation comedies that disappeared quickly from the air were about? Curious about those comedy series such as Rewind, The Grubbs, and The Ortegas that the Fox network announced for its fall schedule but that never premiered? Did you know that stars like Bradley Cooper, Michelle Williams, and Brad Pitt made some of their earliest appearances on short-lived sitcoms? *Forgotten Laughs: An Episode Guide to 150 TV Sitcoms You Probably Never Saw* contains answers to these questions as well as others about quickly-canceled, never-aired, and short-run situation comedies. Published for the first time are episode descriptions for these forgotten shows. This reference book contains the most complete descriptions of sitcoms such as the quickly-canceled Doc Corkle, Co-Ed Fever, and Black Tie Affair, the never-aired Misconceptions, The Singles Table, and Snip, as well as short-run comedies like Fathers and Sons and Free Country and over 140 more. Most episode descriptions were culled from the archives of the Library of Congress, the Paley Center, and the UCLA TV script collection. In addition, *Forgotten Laughs* also includes insights from many producers, directors, and writers who worked on these little-known shows.

Dispels the myth that the television industry is giving viewers the programming they want to see and, thus, we as viewers are responsible for the existence of shows like "Fear Factor" and yet another "Survivor". Introducing us to the political economy of television, the author covers programming and organizations that seek industry accountability.

It's no secret today's media landscape is evolving at a fast and furious pace — and students are experiencing these developments firsthand. While students are familiar with and may be using the latest products and newest formats, they may not understand how the media has evolved to this point or what all these changes mean. This is where *Media and Culture* steps in. The eighth edition pulls back the curtain and shows students how the media really works, giving students the deeper insight and context they need to become informed media critics.

Examines the opportunities available for writers in the television industry and negotiates its complex corporate labyrinth to share advice on getting hired, television's business model, and new media formats.

When media coverage of courtroom trials came under intense fire in the aftermath of the infamous New Jersey v. Hauptmann lawsuit (a.k.a. the Lindbergh kidnapping case,) a new wave of fictionalized courtroom programming arose to satiate the public's appetite for legal drama. This book is an alphabetical examination of the nearly 200 shows telecast in the U.S. from 1948 through 2008 involving courtrooms, lawyers and judges, complete with cast and production credits, airdates, detailed synopses and background information. Included are such familiar titles as *Perry Mason*, *Divorce Court*, *Judge Judy*, *LA Law*, and *The Practice*, along with such obscure series as *They Stand Accused*, *The Verdict Is Yours* Sam Benedict, *Trials of O'Brien*, and *The Law and Mr. Jones*. The book includes an introductory overview of law-oriented radio and TV broadcasts from the 1920s to the present, including actual courtroom coverage (or lack of same
