Reviews initial and final consonants, short and long vowels and consonant blends.

Whether your child is learning sight words, vowels, or math, we have a flash card set for you. Flash cards are an important tool for learning basic skills such as phonics or math, and are indispensable aids for review of these important topics. All of our flash cards are made of durable stock for years of use. Their bold print makes them easy to read, and rounded corners provide for instant sorting. Each set contains 100 cards. Easy Blends and Digraphs uses vivid colors and large bold printing to keep students' attention focused on the lesson.

"A compelling text you will refer to over and over again."--Jane Browning, Executive Director, Learning Disabilities Association of America "An excellent guide for parents... replete with concrete examples and information."--Dr. James Garbarino, author of Lost Boys and Parents Under Siege Of the estimated 10 million U.S. students who struggle with learning to read, the vast majority are boys. Research shows that if these children do not "close the gap" before they finish third grade, they are likely to remain functionally illiterate throughout their lives. See Johnny Read! is the first book to offer practical, proven, and timely ways for parents to help their boys with this critical skill. Written by an expert teacher and educational consultant, this much-needed book answers essential questions, including: When does a reading delay become a reading problem ? How, when, and where should I look for tutoring ? How can I get the best help from the school ? How can my son avoid (or overcome)the "Bad Boy" label ? How can I help my son learn to read--and enjoy reading--at home ?

You're thinking of teaching a child to read. What a great idea! Now all you need is exactly the right blueprint. This easy-to-follow book is written with two people in mind; you, and the child you're thinking of teaching. Mother and children's reading specialist Tracey Wood gives you all the down-to-earth, honest information you need to give a child a happy, solid start with reading. Teaching Kids to Read For Dummies is for parents of young children who want to give their kids a head start by teaching them to read before they enter school or to supplement their children's school instruction, as well as teachers and caregivers of young children. Filled with hands-on activities that progress a child from sounds to words to sentences to books, this friendly guide shows you how to: Prepare a child to read Sharpen his listening skills Correct her errors graciously Choose the right books Have kids read out loud Find help if you need it Whether the child you want to teach is two or twelve; fast paced or steady; an absolute beginner or someone who's begun but could use a little help, this empathetic book shows you how to adapt the simple, fun activities to your child's individual needs. You'll see how to make activities age appropriate, how to add more challenge or support, and how to make gender allowances if that's relevant. Plus, you'll discover how to: Lay the foundation for good reading skills Tell the difference between a reading delay and a reading problem Help your child build words from letters and sounds, advance to short and long vowel words, and conquer syllables and silent letters Select entertaining workbooks, recycle them, and make up your own reading activities Get your child ready for sentences Keep your child reading — with others or on his own Complete with lists of word families, phonics rules, and reading resources, Teaching Kids to Read For Dummies will help you make learning fun for your child as he or she develops this critical skill!
