"Olive Barstow was dead. She'd been hit by a car on Monroe Street while riding her bicycle weeks ago. That was about all Martha knew." Martha Boyle and Olive Barstow could have been friends. But they weren't -- and now all that is left are eerie connections between two girls who were in the same grade at school and who both kept the same secret without knowing it. Now Martha can't stop thinking about Olive. A family summer on Cape Cod should help banish those thoughts; instead, they seep in everywhere. And this year Martha's routine at her beloved grandmother's beachside house is complicated by the Manning boys. Jimmy, Tate, Todd, Luke, and Leo. But especially Jimmy. What if, what if, what if, what if? The world can change in a minute.

Zane Obispo's new life on a beautiful secluded tropical island, complete with his family and closest friends, should be perfect. But he can't control his newfound fire skills yet (inherited from his father, the Maya god Hurakan); there's a painful rift between him and his dog ever since she became a hell hound; and he doesn't know what to do with his feelings for Brooks. One day he discovers that by writing the book about his misadventures with the Maya gods, he unintentionally put other godborn children at risk. Unless Zane can find the godborns before the gods do, they will be killed. To make matters worse, Zane learns that Hurakan is scheduled to be executed. Zane knows he must rescue him, no matter the cost. Can he accomplish both tasks without the gods detecting him, or will he end up a permanent resident of the underworld? In this cleverly plotted sequel to *The Storm Runner*, the gang is back together again with spirited new characters, sneaky gods, Aztec royalty, unlikely alliances, and secrets darker than Zane could ever have imagined. Secrets that will change him forever.

*The Well of Loneliness*, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

For fans of *Hatchet* and *Island of the Blue Dolphins* comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, *The Cay*. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a

game to him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon."—New York Times Book Review "A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—Kirkus Reviews \* "Fully realized setting...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature."—School Library Journal, Starred "Starkly dramatic, believable and compelling."—Saturday Review "A tense and moving experience in reading."—Publishers Weekly "Eloquently underscores the intrinsic brotherhood of man."—Booklist "This is one of the best survival stories since Robinson Crusoe."—The Washington Star · A New York Times Best Book of the Year · A School Library Journal Best Book of the Year · A Horn Book Honor Book · An American Library Association Notable Book · A Publishers Weekly Children's Book to Remember · A Child Study Association's Pick of Children's Books of the Year · Jane Addams Book Award · Lewis Carroll Shelf Award · Commonwealth Club of California: Literature Award · Southern California Council on Literature for Children and Young People Award · Woodward School Annual Book Award · Friends of the Library Award, University of California at Irvine

Could Whippet be developing his own comic superpower? The boys are heading off to the woods for an Explorers' Camp weekend. They'd rather be at home reading comics, but it should take their minds off the super-weird events of two weeks ago. They haven't seen Lucy since their destruction of the Snotticus, and Mossy's superpower hasn't worked since then either, so maybe it's time to move on. Lake Shore must be monster-free now! Anyway, with caveman-like Ted Recks (AKA "T Rex") as camp leader the boys will be more than safe this weekend, right? Luckily for Simon & Whippet help is closer than they think, and their combined talent for Telling and Drawing stories is about to come in very handy indeed. With out-of-this-world artwork by Jan Bielecki, FREAKY & FEARLESS is a fun-filled series like no other!

In the updated second edition of Whipping Girl, Julia Serano, a transsexual woman whose supremely intelligent writing reflects her background as a lesbian transgender activist and professional biologist, shares her powerful experiences and observations—both pre- and post-transition—to reveal the ways in which fear, suspicion, and dismissiveness toward femininity shape our societal attitudes toward trans women, as well as gender and sexuality as a whole. Serano's well-

honed arguments and reputation as a thought-leader stem from her ability to bridge the gap between the often-disparate biological and social perspectives on gender. In this provocative manifesto, she exposes how deep-rooted the cultural belief is that femininity is frivolous, weak, and passive, and how this “feminine” weakness exists only to attract and appease male desire. In addition to debunking popular misconceptions about transsexuality, Serano makes the case that today's feminists and transgender activists must work to embrace and empower femininity—in all of its wondrous forms. Newbery Honor author Rodman Philbrick presents a gripping yet poignant novel about a 12-year-old boy and his dog who become trapped in New Orleans during the horrors of Hurricane Katrina. Zane Dupree is a charismatic 12-year-old boy of mixed race visiting a relative in New Orleans when Hurricane Katrina hits. Unexpectedly separated from all family, Zane and his dog experience the terror of Katrina's wind, rain, and horrific flooding. Facing death, they are rescued from an attic air vent by a kind, elderly musician and a scrappy young girl--both African American. The chaos that ensues as storm water drowns the city, shelter and food vanish, and police contribute to a dangerous, frightening atmosphere, creates a page-turning tale that completely engrosses the reader. Based on the facts of the worst hurricane disaster in U.S. history, Philbrick includes the lawlessness and lack of government support during the disaster as well as the generosity and courage of those who risked their lives and safety to help others. Here is an unforgettable novel of heroism in the face of truly challenging circumstances.

Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. From the author of *Five Point Someone* and *2 States*, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India. This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.
