"Contains... all the goodies that make today's bestsellers." – New York Post In the internationally bestselling first book of the iconic Lucky Santangelo series, smart, sexy and savvy Lucky Santangelo finds running her family's criminal empire exhilarating. She will do whatever it takes to ensure her self-made mob boss father, Gino, doesn't return from his self-imposed exile. But of course, Gino has other plans. Lucky tries to enlist the help of Costa Zennocotti, her father's right-hand man but quickly learns his loyalty lies only with Gino. . . at least for now. As Lucky impressively plots to keep control, suspense builds through a series of interwoven stories, past and present, that create a rich tantalizing tapestry of intrigue involving an unforgettable cast of characters. There's Lucky's younger brother, Dario, who's being terrorized by his manipulative male lover. There's Steven Berkely, the charismatic lawyer Lucky gets trapped with in an elevator during the New York City blackout of 1977. And then there's Steven's mother, Carrie, the elegant society wife, who's being blackmailed to keep the shocking events of her past concealed—and by an adversary that may hit too close to home. As secrets old and new are revealed, Jackie

An emotional and sweeping memoir of love and survival--and of a committed and desperate family uprooted and divided by the violent, changing landscape of Afghanistan in the early 1980s. Before the Soviet invasion of 1980, Enjeela Ahmadi remembers her home--Kabul, Afghanistan--as peaceful, prosperous, and filled with people from all walks of life. But after her mother, unsettled by growing political unrest, leaves for medical treatment in India, the civil war intensifies, changing young Enjeela's life forever. Amid the rumble of

invading Soviet tanks, Enjeela and her family are thrust into chaos and fear when it becomes clear that her mother will not be coming home. Thus begins an epic, reckless, and terrifying five-year journey of escape for Enjeela, her siblings, and their father to reconnect with her mother. In navigating the dangers ahead of them, and in looking back at the wilderness of her homeland, Enjeela discovers the spiritual and physical strength to find hope in the most desperate of circumstances. A heart-stopping memoir of a girl shaken by the brutalities of war and empowered by the will to survive, *The Broken Circle* brilliantly illustrates that family is not defined by the borders of a country but by the bonds of the heart.

A Wednesday Books reissue of one of the century's most beloved novels, *I Capture the Castle* by Dodie Smith, with a foreword by New York Times bestselling author, Jenny Han. Seventeen-year-old Cassandra Mortmain and her family live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has "captured the castle" –and the heart of the reader- in one of literature's most enchanting entertainments.

From the New York Times and USA Today bestselling author of the Sloane Monroe novels comes a gripping new series about love, loss, murder, and a broken former detective who's about to be drawn out of hiding. For the past two years, Georgiana "Gigi" Germaine has been living off the grid, until today, when she hears some disturbing news that shakes her. Georgiana's brother-in-law has been murdered, her seven-year-old niece

India, That Is Bharat, the first book of a comprehensive trilogy, explores the influence of European 'colonial consciousness' (or 'coloniality'), in particular its religious and racial roots, on Bharat as the successor state to the Indic civilisation and the origins of the Indian Constitution. It lays the foundation for its sequels by covering the period between the Age of Discovery, marked by Christopher Columbus' expedition in 1492, and the reshaping of Bharat through a British-made constitution-the Government of India Act of 1919. This includes international developments leading to the founding of the League of Nations by Western powers that tangibly impacted this journey. Further, this work also traces the origins of seemingly universal constructs such as 'toleration', 'secularism' and 'humanism' to Christian political theology. Their subsequent role in subverting the indigenous Indic consciousness through a secularised and universalised Reformation, that is, constitutionalism, is examined. It also puts forth the concept of Middle Eastern coloniality, which preceded its European variant and allies with it in the context of Bharat to advance their shared antipathy towards the Indic worldview. In order to liberate Bharat's distinctive indigeneity, 'decoloniality' is presented as a civilisational imperative in the spheres of nature, religion, culture, history, education, language and, crucially, in the realm of constitutionalism.

#1 NEW YORK TIMES BESTSELLER • Lee Child returns with a gripping new powerhouse thriller featuring Jack Reacher, “one of this century’s most original, tantalizing pop-fiction heroes” (The Washington Post). **BONUS:** Includes a sneak peek of Lee Child’s new novel, *Past Tense*. Reacher takes a stroll through a small Wisconsin town and sees a class ring in a pawn shop window: West Point 2005. A tough year to graduate: Iraq, then Afghanistan. The ring is tiny, for a woman, and it has her initials engraved on the inside. Reacher wonders what unlucky circumstance made her give up something she earned over four hard years. He decides to find out. And find the woman. And return her ring. Why not? So begins a harrowing journey that takes Reacher through the upper Midwest, from a lowlife bar on the sad side of small town to a dirt-blown crossroads in the middle of nowhere, encountering bikers, cops, crooks, muscle, and a missing persons PI who wears a suit and a tie in the Wyoming wilderness. The deeper Reacher digs, and the more he learns, the more dangerous the terrain becomes. Turns out the ring was just a small link in a far darker chain. Powerful forces are guarding a vast criminal enterprise. Some lines should never be crossed. But then, neither should Reacher. Praise for *The Midnight Line* “Puts Reacher just where we want him.”—The New York Times Book Review “A gem.”—Chicago Tribune “A timely, suspenseful,

Product Description This volume contains the greatest Sherlock Holmes novels penned by Sir Arthur Conan Doyle. The Hound of the Baskervilles is the classic detective chiller. The Baskerville family is haunted by a phantom beast which roams the mist-enshrouded wilds of Dartmoor. Now The Hound seems to be stalking the young Sir Henry, new heir to the Baskerville estate. Is this devilish spectre the manifestation of the family curse? Or is Sir Henry the victim of a vile and scheming murderer? Only Sherlock Holmes can solve the mystery. In The

Valley of Fear a cipher message and a horrible murder begin this dark, powerful tale in which Sherlock Holmes faces his old arch enemy, Professor Moriarty once more. The solution to the riddle lies far away from the disturbed calm of a country house in Sussex, halfway across the world in a location known as The Valley of Fear. The Sherlock Holmes Collection Novels A Study in Scarlet The Sign of the Four The Hound of the Baskervilles The Valley of Fear Reviews " This always shocks people, but I live under a rock and have never really had much to do with Sherlock Holmes. I've never watched it on television, never really read Doyle's works on the character or anything else along those lines. Finally I got around to reading The Hound of the Baskervilles (actually the 5th in a series from what I've been told), and I'm really glad I did. This classic is like the epiphany of "London fog", capturing the scenery of the British city perfectly and giving readers an unforgettable hero who's very easy to relate to. Holmes has his flaws but he's a good detective, and he cares about what he does to the point where he's meticulously involved." About the Author Arthur Conan Doyle was a British writer and medical doctor. He created the character Sherlock Holmes in 1887 when he published A Study in Scarlet, the first of four novels and more than fifty short stories about Holmes and Dr. Watson. The Sherlock Holmes stories are

From one of our most exciting and provocative young writers, a poignant, riotously funny story of how far some will go for love—and how far some will go to escape it.

Hazel has just moved into a trailer park of senior citizens, with her father and Diane—his extremely lifelike sex doll—as her

roommates. Life with Hazel's father is strained at best, but her only alternative seems even bleaker. She's just run out on her marriage to Byron Gogol, CEO and founder of Gogol Industries, a monolithic corporation hell-bent on making its products and technologies indispensable in daily life. For over a decade, Hazel put up with being veritably quarantined by Byron in the family compound, her every movement and vital sign tracked. But when he demands to wirelessly connect the two of them via brain chips in a first-ever human "mind-meld," Hazel decides what was once merely irritating has become unbearable. The world she escapes into is a far cry from the dry and clinical bubble she's been living in, a world populated with a whole host of deviant oddballs. As Hazel tries to carve out a new life for herself in this uncharted territory, Byron is using the most sophisticated tools at his disposal to find her and bring her home. His threats become more and more sinister, and Hazel is forced to take drastic measures in order to find a home of her own and free herself from Byron's virtual clutches once and for all. Perceptive and compulsively readable, *Made for Love* is at once an absurd, raunchy comedy and a dazzling, profound meditation on marriage, monogamy, and family.

This volume focuses on food preservation prior to distribution and sale, which is a major challenge in the tropical climates of most developing nations. In order to assure that food products are safe for human consumption, due importance must be given to the quality and safety aspects of production, processing, and distribution. This volume provides an informative overview of recent research on the therapeutic potential of various new and natural compounds along with novel technologies for enhanced shelf-life longevity and food safety. It also looks at the antimicrobial constituents of

comes a second riveting sixteenth-century thriller featuring hunchback lawyer Matthew Shardlake. In 1540, during the reign of Henry VIII, Shardlake is asked to help a young girl accused of murder. She refuses to speak in her defense even when threatened with torture. But just when the case seems lost, Thomas Cromwell, the king's feared vicar general, offers Shardlake two more weeks to prove his client's innocence. In exchange, Shardlake must find a lost cache of "Dark Fire," a legendary weapon of mass destruction. What ensues is a page-turning adventure, filled with period detail and history. "Atmospheric and engaging" (Margaret George), this second book in Matthew Shardlake Tudor Mystery series delves again into the dark and superstitious world of Cromwell's England introduced in *Dissolution*.

A new *Outlander* novel — the seventh — from #1 National Bestselling author Diana Gabaldon. Readers have been waiting with bated breath for the seventh volume in bestselling author Diana Gabaldon's epic *Outlander* saga — a masterpiece of historical fiction featuring Jamie and Claire, from one of the genre's most popular and beloved authors. Jamie Fraser, erstwhile Jacobite and reluctant rebel, knows three things about the American rebellion: the Americans will win, unlikely as that seems in 1778; being on the winning side is no guarantee of survival; and he'd rather die than face his illegitimate son — a young lieutenant in the British Army — across the barrel of a gun. Fraser's time-travelling wife, Claire, also knows a couple of things: that the Americans will win, but that the ultimate price of victory is a mystery. What she does believe is that the price won't include Jamie's life or happiness — not if she has anything to say. Claire's grown daughter Brianna, and her husband, Roger, watch the unfolding of Brianna's parents' history — a past that may be sneaking up behind their own family.

soldiers must depend on each other to survive. Scarred in a duel over a feckless female, Gavin Lawrence leaves America to take up his new duty as Marquess of Effingham, vowing never to care about others again. But he does care about protecting his crumbling new home—the secret passages apparently conceal an intruder he’s determined to root out. Dillian Whitnell guards her injured cousin in isolated Arinmede manor after an attempt on both their lives. Having followed her father’s troops for years, Dillian is adept at camouflage. She just hadn’t expected the stubborn new marquess to refuse to believe in ghosts. Her game of hide-and-seek game taunts his irritation into intrigue, and intrigue into a forbidden passion, until Gavin realizes the exceedingly annoying but courageous young woman he chases is in terrible danger. Once more, the marquess is faced with the prospect of a fight for his life over a woman—unless Dillian leaves him and all she loves behind. REVIEWS “...a rousing good tale that is alternately merry, mischievous” Ann McGuire, Romance Reader “This fast-paced, witty novel will definitely delight on a cold winter’s night.” Margaret Devilbiss, Gothic Journal “Ms. Rice brings two marvelous characters together. With her mastery of subtle humor, *The Marquess* will please the taste of the most discriminating readers.” Joan Hammond, Romantic Times

#1 NEW YORK TIMES BESTSELLER If you want to build a better future, you must believe in secrets. The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In *Zero to One*, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we're too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in

any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. Tomorrow's champions will not win by competing ruthlessly in today's marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.
