Walking guide to the islands of La Gomera and El Hierro. The 45 waymarked routes in this guidebook include easy strolls and hands-on scrambles, day walks and long-distance routes including the GR132 and parts of the GR131, which runs the whole length of the Canary Islands. Walks are spread in the guide roughly clockwise and where walks are located beside each other, links between them are often possible, giving you the opportunity to make your own alterations. The routes are described over both islands, with 27 walks on La Gomera and 18 on El Hierro, illustrated with clear contour mapping and inspirational photography. The two smallest of the Canary Islands are no less rugged than their volcanic neighbours, offering a wide variety of little-known walking terrain from steep-sided barrancos and dramatic cliffs to the gentler slopes inland cloaked in laurisilva and pine forests.
