Prologue: A Series of Articles and Posts I am a successful ghostwriter – who founded and runs Ghost Writer, Inc. To explain, this book isn't a book in the traditional sense. Rather, it's an exploration through the many articles and posts I've created on ghostwriting. Over the years, I've amassed a wealth of my own expertise and information on what you can do to become a ghostwriter. And what exactly ghostwriting is all about. I've been online and in the ghostwriting services business since 2003. I started sending work out to members of my ghostwriting team in 2005. Below is an article I wrote outlining how I began my dream, in the basement of our house in Gahanna, Ohio in 1974. Bear with me; I may repeat myself a few times throughout this book. But suffice it to say, in spite of some redundancies, this book will be a valuable guide to you and your own dreams of becoming a ghostwriter. Whether you spell it ghost writer or ghostwriter. ##### I am a book ghost writer. I run a ghostwriter services company. Either spelling of "ghost writer" is okay. Ghost writers here work on books, manuscripts, scripts, screenplays, music and lyrics. We also do marketing and promotions, like I said, but I only do book ghost writing. I don't edit so much anymore. I work in the direction of expert ghost writing, because I have well over a decade of experience at being a ghost and some 30 years of freelance writing in general. It's not been absolutely steady. My day job was working in-home for the disabled, and one time back there I studied to become a nurse. That fell through, because I had to fulfill a special promise to myself. I had to start up book ghostwriter services and run Rainbow Writing, Inc. It happened to me in my basement in Ohio, when I was about 14 years old. I was reading a Marvel comic book, studying Stan Lee, when it hit me that I wanted to run a cattle pen of writers. Not a "bull pen" of only male writers. I needed to become something a lot like Stan Lee! He's "Stan the Man" who came up with Spiderman, the Hulk, the Fantastic Four, etc. I have never met him in person. But he was eerily inspirational for some odd, unknown reason. And he set me to dreaming. Even a young girl like me could grow up, becoming a terrific book ghost writer. I would live to work in another field than the overly violent, muscular comic book one back in the day! GHOSTWRITER SERVICES CAME TO ME AS I GAZED AT STAN LEE'S BULLPEN NOTES So I invented my company right there in the basement. Eventually I was a freelance writer, for many years. I reported to

editors, magazine publishers and other cranky, irritable bosses. Then in January of 2003, I opened up Rainbow online. I've been ghostwriting under my own kind, grandmotherly auspices since. The steadiest part has been me rewriting and editing book manuscripts. However, my first genuinely ghost written book sold ridiculously well – twelve copies a day from their website. It's not just beginner's luck – many of my other books have sold remarkably. But there are no guarantees in the ghostwriter services industry. Your book through us or me alone may sell millions of copies, somewhere in between, or only a few copies. Most of it is up to you and what you want to do with it. Some of it is also up to us, and what we can do for you for the amount of money you lay out, the time you spend, and how often you want to get involved in your book ghostwriting project. It is a back and forth type of thing, between your ghostwriter services and you as our client. What you do to promote and sell your book is entirely up to you. Whether you hire professional services, do the legwork on your own, or combine both. I highly recommend the third course of action: hire us, and also do your own stuff! Get a book sales website, go on a country-wide book tour, do book signings, etc. BEING A BOOK GHOSTWRITER IS AN INTERESTING LIFE I have been freelance writing since before 1980 and have gained a ton of personal experience. I spent years with my day job being a home health care aide for the disabled. This job taught me a lot about professional courtesy and how to handle interpersonal client relationships. I seriously think it deeply helped me with my ghostwriter services, because it taught me exactly how to be a "background" person and not put my needs above those of my clients. Now when I perform ghost writing, editing and assisting with marketing service, I know how to structure my time and how to handle my clients properly. A good ghostwriter services must learn how to listen, arranging the ghost writing work in order to best suit each client's concerns and requirements. What you get then is a final product that pleases everyone involved, including the client's audience or readers. And you have to make the finished work "read" professionally. So that it can be marketed, produced, published or optioned successfully – at which our company is fantastic! WHAT EXACTLY ARE GOOD GHOSTWRITER SERVICES ABOUT? Actually, a ghostwriter services may work on almost any writing project. Whether it's a book, a screenplay, music lyrics or any other writing or editing project. Book ghost writers specialize in writing, editing, proofreading and formatting book manuscripts, and that's primarily what I do as a book ghost writer. I have been working steadily as a ghost writer since 2003, off and on since 1980 too. A good book ghostwriter services will handle your editing needs, including fully proofreading and fact checking the manuscript once it's completed. Our company also tries to arrange proper marketing and promotions services. These help you get your manuscript read by literary agents, which assist you in becoming published. We have access to self-publishing, and also independent, boutique and commercial book publishing services. GOOD BOOK GHOSTWRITER SERVICES DON'T MIND BEING ANONYMOUS When you run

a ghostwriter services, your workers are important. Meanwhile, they only want some acknowledgment of their work to cite references. This is only in order to attract future ghost writing clients. Sometimes a ghost writer will ask for permission from the client to run brief excerpts from their work. With no title or name attached, this lets the ghost writer use them as references. Other times, a client will agree to give a good recommendation involving the ghost writing work, with no mention of the name of the work or limited mention of the client. In other words, there are ways to get references without having to reveal anything involving giving up anonymity. Of course, some clients don't mind giving out names and book or other titles. These clients primarily hire a ghost writer because they don't have the time, inclination or talent to write or complete their own works. A lot of clients hire a ghostwriter services for one or all three of these important reasons. So there is a lot of flexibility when it comes to using a ghost writer.

THE PROCESS OF BOOK GHOSTWRITING – HOW IT'S DONE

I'm going to talk now about book ghost writing as a process. It's fairly simple. You give me your ideas, materials, background information. Such as photos you need incorporated in your book. I put it all together for you in manuscript format. I know how to properly lay out, format and design a book manuscript that literary agents and publishers will be likely to accept. As ghostwriter services, it's my job to prepare for you a completely finished, polished and professional manuscript or other work. The idea is to get you to share your information with me. We do this through emails mostly and the phone, sometimes personal interviews. Some of our writers, editors and marketers also use Skype, or Instant Messaging. Our ghostwriter services are highly flexible when it comes to methodology. You may create several hours' worth of audio tapes and hire us to transcribe them into a Word document. We will then ghostwrite it into a fully formatted book manuscript, or whatever you need in the manner of ghostwriter services.

HOW DO I WORK WITH YOUR GHOSTWRITER SERVICES?

You send me the docs, background notes, official papers and other materials. Ideally, this is done through scanned-in email attachments. As your ghostwriter services, I always ask clients to never send me their original documents, just copies. We usually start with creating a Book Outline, which lays out the skeleton or contents of your book. Next comes a Book Timeline, which puts all of the important events in chronological order. I will fully assist you in creating the outline and timeline. Next can come a Chapter Outline, or brief chapter by chapter descriptions. These preliminary docs create a framework or guide to putting together your book. Some of these docs will also be used when creating your book proposal and query letter. Next, I assemble the needed materials and begin to organize everything. Also, you can simply send me your original writing. I will flesh it out, editing, rewriting and improving everything as I go.

HIRE OUR GHOSTWRITER SERVICES IN ORDER TO GET CLEAN, CRISP PROSE THAT'S PUBLISHABLE

My finished ghostwriter services work will make a publisher shout, "This is exactly what we're looking for!" While rewriting, I fix up your grammar, remove redundancies, clarify your

ideas and improve your work's overall structure and flow. Sometimes, if more extensive developmental editing and content rewriting is needed, I add in characters, subplots, descriptions and more sophisticated details to your work. Then I professionally fact check, copyedit and proofread it. In the process of me performing your ghostwriter services, your book manuscript will become a sterling piece of beautifully written copy. It's finally, fully ready to be promoted to publishers through a literary agent. Or it can be published independently through Amazon, Smashwords, Lulu and other commercial outlets. No matter what, I will always find a way to get your book published. And hopefully, to grant you prestige as a new book author and make you decent money. If you really need that. Sometimes people only want a memoir written for a beloved relative, not the money. Some folks need book copies to hand out to certain people, such as potential business clients. And sometimes an author is creating his or her "dream book" – not for money at all. Really, no ghostwriter services can determine whether or not your book is going to sell. It can be a waiting game, a midrange seller, or an overnight world success story. Or a business game changer. **BOOK GHOSTWRITERS DEAL WITH LOTS OF DIFFERENT THINGS** Mostly, you need to be able to handle redundancy and people's tendencies to exaggerate both bad and good situations. You must know how to create writing that fits closely with the original author's expectations. As a ghostwriter services company, book ghostwriting is my forte. I do memoirs and both fiction and nonfiction. I don't work on screenplays or music myself. Other writers and editors on our team handle those categories. When book ghostwriting, I strive mightily to keep steadily to the original author's voice. That's my general style as a ghost writer, doing things your way. If it's not needed, I write in my own overall voice if it's more suitable. My ardent desire as a book ghostwriter services company or agency is to create works my clients will appreciate, savor and enjoy. A published book may launch widely, or it may sell only a few hundred copies, depending on how much marketing is done. But mostly, I like it when the book sounds like the original writer wrote it. I love it when a well-written book zips and sings! It's a collaboration between us, but I don't want to be the book's author. I want to be the paid professional writer alone. This allows the clients' ideas and perceptions, everything needed and beloved, to shine on through. **WHY I LOVE OUR GHOSTWRITER SERVICES!** That's why I'm a ghost writer: to give you work you truly appreciate. That which is done through your own efforts. To help you create a book that fills up your gaps, that reads professionally well and like you wrote it yourself. Not a book that doesn't seem like it holds your ideas, but one that fulfills your promise. It makes you into a valid book author. Hopefully it will sell enough copies to please your family, friends and colleagues. Potentially enough to make you a famous, sophisticated book author with plenty of expertise and ample book sales! And as your ghostwriter services, I only take adequate upfront pay for my troubles. It's best that way, as then I can put each project behind me and move on to the next one. You will never have to worry about

constantly paying me a stream of royalties. Instead, you will be receiving the net profits from your book via your publisher. Lastly, I am a name ghost writer and this company is starting to get famous. Ghost Writer, Inc. is prominent in the USA, Europe, China and elsewhere on the Internet. A lot of people know about and have praised Rainbow Writing. I rebranded it Ghost Writer, Inc. in 2011, to achieve better advertising. Writing On The Edge is a trip through various worlds I came to know in depth from the inside: pro football, grand prix racing, French wine, bullfighting, The New York Times, opera, treasure diving, NY police headquarters, Hollywood, and, of course, France. These worlds are portrayed as I knew them, together with some of their major players with whom I became involved. So it's a memoir certainly, but it's also a primer for freelance writers: how to make a living at a tough

trade—how I did it anyway. I had many successes and became what counts as a rich writer (meaning not very rich.) But there were many downs too—rejections, humiliations, and even lawsuits—but fewer of these as I learned to protect myself. A freelance writer is unemployed each time he finishes a contract. Where will next assignment come from? There is a certain amount of fear in any freelance life, and in this book too. My career brought big fees and fancy places, but not always. Not nearly.

clients happy to pay my asking price. Here's to getting started!

ABOUT THE BOOK So, you want to become a professional writer? It might seem to be a daunting task, but luckily, it's more attainable than you think. Many publications, websites, and companies, from niche magazines to large corporations, hire professional writers. Much of the writing you read on the web, in fact, is done by professionals. If you have a flair for words, a responsible attitude, and persistence, this is a great way to develop your career or earn extra money on the side. If you're a skilled writer, getting professional writing work is not difficult; it's just a matter of knowing where to look for assignments, understanding how to get them, and delivering what you promise.

MEET THE AUTHOR professional writer Vivian Wagner has wide-ranging interests, from technology and business to music and motorcycles. She writes features regularly for ECT News Network, and her work has also appeared in American Profile, Entrepreneur, Bluegrass Unlimited, and many other publications. She is also the author of *Fiddle: One Woman, Four Strings, and 8,000 Miles of Music* (Citadel 2010). For more about her, visit her website at www.vivianwagner.net.

EXCERPT FROM THE BOOK professional writers just starting out are likely to make a few common mistakes. Here are a few you'll want to avoid: Expecting too much too soon It will take time to develop your professional career, just as it takes time to develop any career. For a while, you'll just be establishing your professional identity, and then you might get a little work here and there. It won't be enough to pay the bills, at least at first, but that's to be expected. Stay committed and be persistent, and your professional writing will eventually pay dividends. Lacking confidence You might be afraid to start because you don't think you're qualified. You'll need to conquer that fear, however, and develop confidence in yourself and your abilities. As professionalr Anne Wayman argues in "6 professional Writing Careers and How to Overcome Them," on her site About professional Writing, "the bottom line is if you want to be a successful writer you've got to quit giving into your fears. You've got to write and submit or market and write. It simply won't get done any other way." Buy a copy to keep reading!

The Gruber sisters grow up in this second volume of *The Biographies of Ordinary People*, navigating jobs, friendships, and relationships in a constantly changing world. *The Biographies of Ordinary People* is the story of the Gruber family: Rosemary and Jack, and their daughters Meredith, Natalie, and Jackie. The two-volume series begins in July 1989, on Rosemary's thirty-fifth birthday; it ends in November 2016, on Meredith's thirty-fifth birthday. The second volume follows the three Gruber sisters as they each leave their rural Midwestern hometown and try to make their way in the larger world. Meredith is determined to pursue a career in the theater. Natalie begins sorting and filing for an insurance company. Jackie... well, Jackie still wants to sing, and if the classical music world isn't interested in what she can do, she'll figure out how to do it on her own. Set against the Great Recession, Presidents Obama and Trump, and a growing sense of national unrest, this final volume explores Meredith's question: is it possible for ordinary people to make art? It also takes us into the close emotional connections between mothers and daughters, sisters and friends, and the people we choose to love as adults. Reviews and praise: "...a satisfying family saga about growing up and coming into one's own." – Foreword Clarion Reviews "A shrewdly unique portrait of everyday America." – Kirkus Reviews "...the writing is precise and wonderfully descriptive." – BlueInk Review
