G. Campbell Morgan (1863-1945) was a leading Bible expositor in England and the United States. Despite a lack of substantial formal training, Morgan was a prolific writer and teacher. Ordained into the Congregational ministry, he was the pastor of Westminster Chapel, London (1904-17 and 1933-45). Morgan also conducted two very successful teaching tours in the United States, including work with D.L. Moody's ministry.

Author, founder and president of Quiet Time Ministries Catherine Martin enthusiastically writes, speaks, and teaches devotion to God through His Word. In her new book, she presents the many names of God, describes how they reveal His character, and explains that by trusting in them readers can better understand who God is. Whether it's read in order, by topic, or devotionally over 30 days, readers learn to make better decisions in their daily lives; respond more courageously to trials and adverse circumstances; and trust God rather than people, money, and possessions. Individuals, casual groups of friends, church congregations, and even families looking for a meaningful daily devotion will all find this book and its discussion questions a compelling invitation to wholeheartedly seek God and trust in His every name. Also available: Trusting in the Names of God--Quiet Time Experience and Trusting in the Names of God DVD.

El propósito del Comentario Bíblico de William MacDonald es darle al lector cristiano medio un

conocimiento básico del mensaje de la Sagrada Biblia. También tiene como propósito estimular un amor y apetito por la Biblia de modo que el creyente deseará profundizar más en sus tesoros inagotables. Confío en que los eruditos encuentren alimento para sus almas, pero deberán tener en consideración y comprender que el libro no fue escrito primariamente para ellos. Todos los libros han sido complementados con introducciones, notas y bibliografías. A excepción de Salmos, Proverbios y Eclesiastés, la exposición del Antiguo Testamento se presenta principalmente de párrafo en párrafo en lugar de versículo por versículo. Los comentarios sobre el texto son aumentados por aplicaciones prácticas de las verdades espirituales, y por un estudio sobre tipos y figuras cuando es apropiado. Los pasajes que señalan al Redentor venidero reciben trato especial y se comentan con más detalle. El trato de los libros de Salmos, Proverbios y Eclesiastés es versículo por versículo, porque no se prestan a condensación, o bien porque la mayoría de los creyentes desea estudiarlos con más detalle. Hemos intentado enfrentar los textos problemáticos y cuando es posible dar explicaciones alternativas. Muchos de estos pasajes ocasionan desesperación en los comentaristas, y debemos confesar que en tales textos todavía "vemos por espejo, oscuramente". Pero la misma Palabra de Dios, iluminada por el Espíritu Santo de Dios, es más importante que cualquier comentario sobre ella. Sin ella no hay vida, crecimiento, santidad ni servicio aceptable. Debemos leerla, estudiarla, memorizarla, meditar sobre ella y sobre todo obedecerla. Como alguien bien ha

dicho: "La obediencia es el órgano del conocimiento espiritual".

In thirty brief chapters, Ken Hemphill walks you through the history of God's kingdom, tracing its roots and tracking its resiliency through the pages of the Old Testament and the teachings of Christ-watching it explode in the early church and cascade into our current century-rolling, pulsating through people's lives and revealing God's power through time and eternity. With it comes the pure resolve of being focused on one thing-God's kingdom-and discovering how this one-track mindset clarifies our calling in life, invigorates our everyday, and deepens our relationship with God and with others.

A widely respected pastor equips and encourages preachers of all kinds to respect their calling and preach the Word with a pure heart and strong mind.

Since time immemorial, women have been the most consistently and universally abused people group on Planet Earth, as men in virtually every human culture have systematically, unrelentingly, and often violently dominated women . Unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era. *God and Women* brings serious biblical and historical scholarship to bear on the role of women in family, society, and church in an analysis of God's original intentions for women and for men at the moment when he created humanity. Whether you are a woman or a man, this book and the other volumes in this series will literally set you free, challenging you to think and to act on divine truths from the Hebraic foundations of your faith. You will clearly see God's original design and intent for women, and you will start tearing down prison walls that have deprived half of God's children of the freedom to pursue his gifts and calling in the family, in the society, and especially in the community of faith.

This is a unique classification of all scripture designations of the three persons of the Trinity. In this exhaustive study one

becomes acutely aware that the riches of God's self-revelation are inexhaustible.

If there is any excuse for this book it is that it is an attempt to answer a question that I have been asked, certainly hundreds of times during the course of my work of preaching. The question has taken many forms, but it is essentially the same. It is an enquiry concerning methods of preparation in expository preaching. Individual preachers and groups of preachers have asked me to tell them how I work. I have always felt it difficult to reply. During the three years in which I was President of Cheshunt College, Cambridge, I attempted to talk to the students on the subject. The notes of what I then said are embodied in these Lectures. In 1925 I gave them to the students of the Biblical Seminary in New York. They then appeared in condensed form in the Biblical Review. I have now simply taken these reprints, and recast them. In so far as "Rules" are found here, they may be largely ignored, for as I have said in the course of these studies no man can make "Rules" for another. But I hold that the Principles set forth are of fundamental importance and vital value in preaching. In sending the book forth I hope it may be found of some help to those believing in the supreme place of preaching, are desirous of some guidance in the sacred work. G.

Stimulating sermons on the Book of Malachi.

En 1 Corintios 13, Pablo sitúa el amor como el centro esencial de la vida en Cristo. Todos los demás dones espirituales no son nada en comparación. Pero el amor que se describe en estos versículos es absolutamente radical. En medio de las tensiones culturales de Sri Lanka, la obra pastoral de Ajith Fernando llevaba a menudo a una pregunta muy real y honesta: "¿Puede realmente ponerse en práctica la enseñanza bíblica del amor?". La respuesta que él encontró fue un "sí" rotundo. El amor radical de Dios no solo

es real, sino que es la clave para el gozo en medio del sufrimiento y del dolor de este mundo.

Here is a book about the Psalms which are the devotional center of the Bible, adored by not only the people of Israel but by New Testament believers generally. The Psalms are grouped into five books, each of which has a central theme. These divisions are preceded by an outline and analysis of the Psalms as to content and purpose. While each of the Psalms are analyzed in turn, they are also examined as they relate to their grouping. It is this synthetic approach which will make it particularly valuable to all students of the Bible. To facilitate the study of the Psalms, the complete text of each Psalm has been printed preceding its own analysis. Dr. Morgan has long been recognized as one of the great Bible expositors of modern times, and this book deserves a worthy place alongside his other works.
