[Siren Everlasting Classic: Erotic Consensual BDSM Romance, public exhibition, sex toys, HEA] Kelsey Richards kept the few men she'd allowed in her life at a distance. When her friend introduced her to Gabriel Durand, a man who liked to dominate women, she gave him a wide berth, not interested in any man she couldn't control. She couldn't miss her only friend's wedding, even if it meant she'd have to spend a week on Rapture Island, an island that catered to men like him. The reality of being there, and under Gabriel's protection, proved more unsettling than she'd bargained for. Kelsey was intrigued by Gabriel's proposition, though. The idea of submitting to him in return for a week of pleasure was a lure she couldn't resist. She didn't want to hear his claim to want more. She didn't believe it. She'd take the pleasure and walk away. Sex with Gabriel, though, was nothing like she'd imagined, creating a bond she couldn't fight. He made her feel again. He taught her to love. ** A Siren Erotic Romance Wingman rule number two: never reveal how much you want them. Lex hates Gabi. Gabi hates Lex. But, hey, at least the hate is mutual, right? All Lex has to do is survive the next few weeks training Gabi in all the ways of Wingmen Inc. and then he can be done with her. But now that they have to work together, the sexual tension and fighting is off the charts. He isn't sure if he wants to strangle her or throw her against the nearest sturdy table and have his way with her. But Gabi has a secret, something she's keeping from not just her best friend but her nemesis too. Lines are blurred as Lex becomes less the villain she's always painted him to be...and starts turning into something more. Gabi has always hated the way she's been just a little bit attracted to him--no computer-science major should have that nice of a body or look that good in glasses--but "Lex Luthor" is an evil womanizer. He's dangerous. Gabi should stay far, far away. Then again, she's always wanted a little danger.

The Duchess Claire Willoughby risked losing millions in her inheritance if, as decreed by her grandfather, she did not wed an "acceptable" man. Harry Montgomery, the eleventh Duke of MacArran, seemed perfect. He owned a historic castle, he looked manly in a kilt, and he was as much a titled Scotsman as Bonnie Prince Charlie himself. Their engagement announced, Claire's future as a duchess was assured -- and she set off with her family to meet the Montgomery clan in Scotland. Bramley Castle was a damp, chill place, overpowering with eccentric relatives. But there was also Trevelyan, a secretive, brooding man who lived in Bramley's ancient halls. Whoever he was, he wasn't at all like Harry: Trevelyan was the most exasperating, arrogant, know-it-all of a man Claire had ever met. And the most fascinating...

Enigmatic and sexy, Professor Gabriel Emerson is a well-respected Dante specialist by day, but by night he devotes himself to an uninhibited life of pleasure. He uses his notorious good looks and sophisticated charm to gratify his every whim, but is secretly tortured by his dark past and consumed by the profound belief that he is beyond all hope of redemption. When the sweet and innocent Julia Mitchell enrolls as his graduate student, his attraction and mysterious connection to her not only jeopardizes his career, but sends him on a journey in which his past and his present collide. An intriguing and sinful exploration of seduction, forbidden love, and redemption, Gabriel's Inferno is a captivating and wildly passionate tale of one man's escape from his own personal hell as he tries to earn the impossible—forgiveness and love.
