The Practice Manual is a comprehensive guide that sets forth uniform procedures, recommendations, and requirements for practice before the Immigration Courts. The requirements set forth in this manual are binding on the parties who appear before the Immigration Courts, unless the Immigration Judge directs otherwise in a particular case. The Practice Manual does not limit the discretion of Immigration Judges to act in accordance with law and regulation. The Practice Manual is intended to be a "living document," and the Office of the Chief Immigration Judge updates it in response to changes in law and policy, as well as in response to comments by the parties using it. We welcome suggestions and encourage the public to provide comments, to identify errors or ambiguities in the text, and to propose revisions. Information regarding where to send your correspondence is included in Chapter 13 of the Practice Manual
