The inspiration for the major motion picture starring Brad Pitt and Cate Blanchett, plus eighteen other stories by the beloved author of The

Great Gatsby In the title story of this collection by one of America's greatest writers, a baby born in 1860 begins life as an old man and proceeds to age backward. F. Scott Fitzgerald hinted at this kind of inversion when he called his era "a generation grown up to find all Gods dead, all wars fought, all faiths in man shaken." Perhaps nowhere in American fiction has this "Lost Generation" been more vividly preserved than in Fitzgerald's short fiction. Spanning the early twentieth-century American landscape, this original collection captures, with Fitzgerald's signature blend of enchantment and disillusionment, America during the Jazz Age. Although better known today for his novels, in the 1920s F. Scott Fitzgerald ranked among the top writers of magazine fiction. Fitzgerald represented the dreams and aspirations of the post-World War I generation in his life as well as his works. With his glamorous wife, Zelda, and his cosmopolitan social circle, he projected the perfect image for narrating tales of restless youth in a hectic world. These short stories offer insights into many themes, characters, and techniques that emerged in Fitzgerald's later works. The title tale, "The Curious Case of Benjamin Button," reflects his preoccupation with life's fleeting nature. "Winter Dreams," written three years before *The Great Gatsby*, shares the concept of commitment to an idealized dream. "Babes in the Woods," developed during the author's Princeton days, evidences the roots of *This Side of Paradise*. Thirteen other selections offer further insights into the author's growing skills as well as examples of his sparkling prose, understated wit, and deft characterizations.
