Second German Reader – Discover the Power of the ALARM Method  
Second German Readers is a Beginner and Pre-Intermediate level graded reader to learn German language easier and faster. If you already have background with German language, this book is the best one to try. It makes use of the so-called ALARM or Approved Learning Automatic Remembering Method to efficiently teach its reader German words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time. By practicing this method, German can be learned in a fun and convenient way. You will learn German vocabulary without hassle with parallel English translation. Audio tracks available on the publisher's homepage free of charge will teach you German pronunciation. You will have fun learning German through this book because you will comprehend everything. You will be able to understand and create German dialogues as well. Second German Reader is ultimately comprehensive because each chapter is created with words explained in previous ones and with as few as possible new words. The author of this book used every opportunity to use the words used in the previous chapters to explain the succeeding chapter. This way, the reader will be able to understand every single detail of the book. Learning through this Second German Reader is like attending a sophisticated step-by-step lecture of Pre-Intermediate level. There is also First German Reader for complete beginners that was made in the same way. Those who do not have any background about German should start with First German Reader before moving on to Second German Reader.

Losing My Voice and Finding Another is a language learner narrative, a personal account of the author's experiences from 2003 to 2010, when he moved from the United States to Germany at the age of 53 and began to learn German. The book is written for adults who are trying

to learn a second language and for language teachers who want to learn about the emotional and social aspects of second language learning. "In this book, Cooper Thompson examines the array of emotions while learning German: anxiety, excitement, anger, hope, contentment, confusion, and joy. He also probes the far deeper changes that language learning wrought in his identity, personality, relationship, and even life-purpose. When I read his words, my own world was altered. I entered a new dimension and gained fresh insights about the substance and the soul of language learning, even though I have been in the language field for decades." Dr. Rebecca Oxford, leading L2 and ESL scholar

3 Manuscripts in 1 Book This Boxset includes: 1. Learn German for Beginners 2. German Phrase Book 3. German Short Stories for Beginners As society becomes more global, you should equip yourself with knowledge of foreign languages. What better language to start with than German? German has a reputation for being a difficult language to learn especially for English speakers. While there is some truth to that - its grammar rules are more complicated and it has sounds that don't exist in the English language - learning a new language will always be a challenge, no matter what it is, to foreign language learners. This book, German Language Learning, offers an effective way to learn the basics of German. But first, let's be clear about what this book isn't. If you're looking for a book that offers a method for mastering a language in few simple steps, this isn't it. If you want a book that can make you fluent in German in no time, this also isn't it. In fact, if you found a book or any language learning resource promising those kinds of things, throw them away. Learning a new language takes time and dedication. Unless you're gifted, there's no shortcut. Mastering another language can be challenging but the reward is definitely worth it. Let German language learning be your guide in your German language learning journey. This book is everything you need as a beginner. So, what are you still waiting for? Let's Talk We will have you speaking German in no time! Lingo Jump's parallel audio language learning system makes it easy to learn languages at your leisure. Whether you're relaxing or on the go, our simple, clear, and fun audio lessons help you learn through imitation of our speakers. Immerse yourself in a new language with confidence--we're here to get you talking using phrases that you'll learn with ease through parallel audio. Listen and Learn Parallel audio is the key to Lingo Jump's language-learning methodology. Through repetition of clearly pronounced words and phrases at a tempo that's easy to follow, you'll not only find it easier to understand and speak German, you'll also improve your memory, boost your listening skills, and pick up the correct accent. Our speakers follow a specific speech pattern throughout the audiobook, making phrases predictable, and helping you understand words and phrases through context. We keep you solely focused on the language, without any distracting background music. Talk Like a Local We know that not everyone speaks in the same way. Dialects, tempos, and accents can vary among a country's regions, and even among quarters within a city. So when you start, you'll hear our audiobook

narrators using different intonations of repeated phrases, slowing them down, speeding them up, and placing emphasis on different parts of the phrases. This helps accelerate your ability to understand and speak the language naturally. Fast, Effortless, and Fun! Lingo Jump's unique parallel audio language learning system combines repetition, different speeds, and predictable speech patterns. Simply listening to the repeated phrases helps you pick up languages by instinct, preparing your brain for a language's repeated patterns. It's like we're throwing a ball to you in the same way over and over so that soon you can catch it without thinking about it. Perfect for All Levels Lingo Jump is ideal to get beginners speaking a German almost immediately. The parallel audio system also helps intermediate and advanced speakers achieve fluency in a new language. As you progress, the parallel audio system has you repeat phrases at their natural tempo, removing the slower versions. You can put your newly acquired listening and comprehension skills to the test in the final chapters, where you'll listen to the phrases without any parallel audio. This motivating feature helps you track your improvement, and gets you speaking German with confidence. Swift Self-improvement We've designed the first two chapters so that they offer easy immersion. Our speakers break down each word into their distinct syllables and speak slowly. This helps you catch every nuance of the language, making it easier for you to improve your listening and speaking skills all by yourself. Learn Anywhere We've specifically developed our language courses for audio learning, so you can complete other tasks while learning German. You can learn while you are running, working out, walking, driving, or even when you are doing chores. Our parallel audio learning system teaches you wherever you are, without requiring a reference manual.

30 German Short Stories for Complete Beginners One of the smartest ways to improve fluency is to read stories in your chosen language. Finding appropriate literature can be tough when you're just starting out, but this collection of 30 short stories is a fun and entertaining way of learning German vocabulary and grammar. Each story is around 300 words, making them very quick reads without overwhelming you. Crafted for beginners, this is ideal for newcomers who are trying to approach fluency in a natural way. Rapidly Learn New Vocabulary Classes often emphasize the most proper way of speaking and writing a language, but that's rarely found with native speakers. These stories will help you learn how German is commonly written and conveyed with natural dialogues and expressions. Following each story is a list of

interesting words used in the story along with an English translation. No more reaching for an German-to-English dictionary when encountering uncommon words. Grasp the Grammar Each story has a mixture of simple dialogue, descriptive sentences and everything in-between. This allows you to pick up how sentences are commonly written along with how to describe scenery, items and people, giving you an overall and detailed way of understanding the written language. Reading and Listening Skills Each story is only 300 words, giving you an engaging yet simple story that you can quickly read through. We also supply you with a free audio file so that you can follow along and understand how each word is said and how the sentences should be read. This is narrated by a native German speaker, ensuring every inflection is correct. With this book you'll get: 30 short stories--each story just 300 words long, 110 pages 60 minutes of audio from a native German speaker Their English translation after each paragraph If you want to improve your reading fluency as quickly and naturally as possible, then this book is ideal. Not only that, but each story is interesting, and you can read them in a matter of minutes.

Is conversational German turning a little too tricky for you? Do you have no idea how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Take Your "5-Day German Language Challenge" Learn German In 5 Days Why are you reading this? Because: - You want to speak the secret gem language of the United States. - You want to expand your professional network and reach

in Europe. - You want to be able to travel to the many countries that speak German. - You want to study abroad for cheap or free college education in Germany. - You want to have the easiest and fastest way to study German for beginners. German is the most opportune language that you can learn. Why? Did you know that it is the most widely spoken language in Europe, as well as has a strong speaker base in North America? In other words, it can unlock many hidden doors for you professionally at work and expand yourself personally at home and in life. Let's look at some of the most advantageous reasons to why you should learn German: Employment Edge – This one is obvious. Someone who is bilingual is going to be more desirable at a job than someone who only speaks one language. Germany is a huge economic player when it comes to Europe and a large one across the globe as well. Knowing German will give you a secret edge in the professional sphere. Education Benefit – Did you know that most of the universities in Germany are free to attend? Even if they aren't completely free, their price is a lot more affordable than in the United States and other places. When you learn German, you can have the opportunity to travel to Germany and enjoy the benefit of having a free or low-cost education. Personal Relationship – Do you have a family relative, a close friend, or a romantic partner who speaks German? Wouldn't it be nice to be able to communicate with them? Not only that but if they live in Germany, then you can use it for when you go and visit them and show off your newfound knowledge. Travel Convenience – If you're traveling to Europe, German's one of the most prevalent languages spoken there. In fact, it's the official language of countries such as Austria, Belgium, Liechtenstein, Luxemburg, and Switzerland. So you won't just be able to use it when you're traveling to Germany, but if you go to Switzerland for a skiing vacation, you'll be in good company. Simple Language – Unlike other languages like Italian, Spanish and French, which are romantic languages, German belongs to the same Germanic language tree as English, making it surprisingly easier to learn than most people may think. There are even German words that are used in English to this day such as "angst" and "kindergarten." Not only that but once you learn German, if you want to learn another language such as Danish, Dutch, Norwegian or Swedish, it will make it a lot easier. Do you still need more convincing to pick up the German language? There are just a ton of advantages to knowing German. The "5-Day German Language Challenge" will open up that whole new world for you to enrich your life faster than you may ever know possible.

Ulthar is a city in which it is forbidden to kill cats. But it was not always the case – years ago there was an old cotter and his wife who enjoyed trapping and killing the cats of their neighbours. The locals were frightened by the odd couple, and no one dared to put a stop to their nonsense. Things changed, however, when a certain traveller arrived in the town.

When his black kitten suddenly disappeared, he decided to pray – with unexpected consequences. 'The Cats of Ulthar' is H. P. Lovecraft's thrilling short story first published in 1920. H.P. Lovecraft (1890–1937) was an American horror writer. His best known works include 'The Call of Cthulhu' and 'the Mountains of Madness'. Most of his work was originally published in pulp magazines, and Lovecraft rose into fame only after his death at the age of 46. He has had a great influence in both horror and science fiction genres.
