Rise Sister Rise is for the women who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. It is essentially a call to arms for women to rise up, tell their truth, and lead. Most women have spent much of their working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down their intuition, and ignoring the fierce power of their feminine. They have ignored the cycles of the feminine in order to survive in a patriarchal linear system – but now the world has changed. Rise Sister Rise is a transmission that calls the innate feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop women trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to fit into a certain archetype of woman. It's about co-creating a whole new archetype of woman – a woman who does not keep herself small in order to make others feel more comfortable. A woman who knows like she knows like she knows that she is not

her body weight, her sexual partners, or her career. A woman who deeply respects the wise woman in her life and cultivates her own wisdom every single day. Full of tools, calls to action, contemplative questions, rituals, and confrontational exercises, this book teaches women that it is safe to let Shakti rise, safe to trust their intuition, and safe to take leaps of faith – because in healing ourselves we are healing the world.

Welcome to my insane world where I believe in infinite possibilities and a world beyond our five human senses - a metaphysical world. A world where we can make the impossible, possible! For years I struggled with money and I believed such things as: -Money was hard to come by -You have to work hard for money -Money doesn't grow on trees -And if you asked for money you were met with responses like, "who do you think I am, Rockefeller?" I lived in a world where the poor stayed poor and the rich got richer.... Right up until the point where the Universe sent me a giant pattern interrupt, so loud, so in my face, that I could not ignore the calling of my soul any longer. I began to live a very different life. A life lead by my intuition and my willingness to shift the beliefs and thoughts that no longer served me and kept me stuck. As I dismantled the constructs of my conditioning, I rose like a Phoenix from the ashes of my old life and into a life of my own design, a life of infinite possibilities. This is my invite to YOU to join me in

a life less ordinary and answer this question for yourself? "Can mindset and intuition along with a million dollar plan, make you a millionaire in just one year?" This book contains step by step instructions for creating your very own Million Dollar Experience - Are you ready to live a life of the extraordinary? Are you ready to make your dreams come true? Michael Neill is widely recognized as one of the world's leading life coaches, and his teachings have impacted everyone from housewives to CEOs and from gang members in prison to leaders at the United Nations. For the last decade, he has been sharing the principles that will allow you to create far more than you ever thought possible with far less struggle than you expected. Thousands of people from all over the world have already used the principles behind this 90-day program to reconnect with their creative spark and get their most important ideas and projects out of their head and into the world. Now it's your turn... What if you could accomplish more than you ever imagined without the constant stress and pressure associated with "high achievement?" What if creating what you want to see in the world isn't dependent on believing in yourself, or even believing that it's possible? Whether you want breakthrough results for your business, yourself, or your life, this book will change the way you see yourself as you learn to make the impossible possible!

What do rocks have to do with body image? With personal stories and actionable steps, body image activist and educator, Teri Hofford helps women reconstruct the relationship they have with their body using geodes as a metaphor.

Portraying the harmful belief systems, thought processes, trauma, and past experiences connected with how we view and treat our bodies every day as the gritty, grey, and hardened outer shell of a geode, Teri explains how these things keep us from following our hearts and revealing our true, glittery inner selves. At the end of each chapter, she asks the reader a number of questions and gives them ways to chip away at these outer layers so that by the end of the book, the reader will understand that by embracing their imperfections, developing a positive relationship with their body, and honouring the person within, they will begin to appreciate their authentic self, thus leading them to live a more fulfilling

moment of every day. *Light Is the New Black* is a guidebook for those who agreed to be here at this time in history to answer the call of their soul and work their light. This soulful, encouraging book will guide you to hear the callings of your soul, so you can light up the world with your presence. Rebecca Campbell had her first awakening when she was a teenager, but without anyone to guide her, she ignored her soul's callings and dimmed her light in order to fit in. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this book, Rebecca shares her own journey, alongside practical tools to help you reconnect with the core of your being and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in alignment, discover your soul gifts and offer the world something that only you can give.

Talking about money sucks; but so does being broke. Do your eyes glaze over just thinking about the mumbo-jumbo of finance? Do you break out into hives at the thought of money? Well, sister, you are not alone. In RICH BITCH, money expert and financial journalist Nicole Lapin lays out a 12-Step Plan in which she shares her experiences, mistakes and all, of getting her own finances in order. No lecturing, just help from a friend. And even though money is typically an off-limits conversation, nothing is off-limits here. Lapin rethinks every piece of financial wisdom you've ever heard and puts her own fresh, modern, sassy spin on it. Sure, there are some hard-and-fast rules about finance, but when it comes to your money, the only person who can spend it is you. Should you invest in a 401(k)? Maybe not. Should you splurge on that morning latte? Likely yes. Instead of nickel-and-diming yourself, Nicole's advice focuses on investing in yourself so you don't have to stress over the little things. But in order to do that, you have to be able to speak the language of money. After all, money is a language like anything else, and the sooner you can join the conversation, the sooner you can live the life you want, RICH BITCH rehabs whatever bad habits you might have and provides a plan you can not only sustain, but thrive with. It's time to go after the rich life you deserve, and confident enough to call yourself a RICH BITCH.

Way I Am Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, *The Way I Am* has been hailed as "fascinating," "compelling," and "candid."

dreams.” —New York Magazine From the #1 New York Times bestselling author of *You Are a Badass®*, a life-changing guide to making the kind of money you’ve only ever dreamed of. *You Are a Badass at Making Money* will launch you past the fears and stumbling blocks that have kept financial success beyond your reach. Drawing on her own transformation—over just a few years—from a woman living in a converted garage with tumbleweeds blowing through her bank account to a woman who travels the world in style, Jen Sincero channels the inimitable sass and practicality that made *You Are a Badass* an indomitable bestseller. She combines hilarious personal essays with bite-size, aha concepts that unlock earning potential and get real results. Learn to:

- Uncover what's holding you back from making money
- Give your doubts, fears, and excuses the heave-ho
- Relate to money in a new (and lucrative) way
- Shake up the cocktail of creation
- Tap into your natural ability to grow rich
- Shape your reality—stop playing victim to circumstance
- Get as wealthy as you wanna be

“This book truly crystallizes the concept that financial abundance is an inside job—in that it all begins with your mindset—and Sincero gets serious (in the funniest ways possible) about helping you identify your particular limiting beliefs surrounding money.” —PopSugar

E-Squared is the sensational word-of-mouth SMASH that has gone on to become an international phenomenon, published in 26 languages and featured in the New York Times bestseller list! E-Squared could best be described as a lab manual with simple experiments that prove reality is malleable, consciousness trumps matter, and you shape your life with your mind. Yes, you read that right. It says prove. The nine experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. Rather than take it on faith, E-Squared invites you to prove the following principles:

Are you caught in a never-ending cycle of paying down debt and building it up again? Do you wake up every morning stressing about money, unpaid bills, and your uncertain future? You don't have to live like that. If you are ready to break the yo-yo debt pattern and live debt-free, this book is for you. Using the approach set out in it, you won't need to sacrifice the things you love, the things you want, or your quality of life. "Never Bet on Red: How to pay off debt and live debt free" offers practical steps to debt freedom, including exercises and money management tools. Instead of mantras like 'spend less than you earn', the book shows you how to unveil the hidden causes for being in debt, so you gain the clarity necessary to tackle it successfully. You will learn:

- * How to manage the beliefs and feelings preventing you from becoming, and staying, debt free
- * How consumerism is keeping you in debt and what to do about it
- * How to work out whether you can pay off your debt
- * How to become, and stay, debt free by aligning your passions, your reason, and your actions.

READY FOR MORE MONEY THAN YOU KNOW WHAT TO DO WITH? For too long, the subject of money has been shrouded in fear, secrecy, and anxiety. It's time to look behind the curtain at money, while stepping into the empowered financial reality that is available to you. Reading *Rich As F*ck* is sure to ignite an avalanche of change in the most important areas of your life. Once you finally see money for what it is and realize your power over your finances, life will never be the same. It's time you know the truth about money. It's time for you to have more money than you know what to do with. This is your blueprint. Whether you experience debilitating anxiety when thinking about your bills, are buried by debt, feel guilty for wanting more than you have, are stuck in a feast-or-famine cycle, if money has always been the problem for you and never a solution, or if you are simply seeking the next steps on your path of financial growth, this revolutionary book holds your answers. In *Rich As F*ck*, Amanda Frances demystifies the topic of money, cracking the code of financial liberation and abundance. Her magnetic words will open your heart and mind and help you see the truth about how money actually works.

If you have outstanding balances on your credit cards...don't have assets in your own name...are saving instead of investing, then chances are you're not rich and not living the life you want. Without your awareness, behaviors learned as a girl are preventing you from becoming a woman who is financially independent and free to follow her dreams. Now, with the same frank advice and empowering information that made *Nice Girls Don't Get the Corner Office* a bestseller, Lois Frankel tackles the 75 financial mistakes that keep women from having the wealth they deserve. She isolates the messages about money given to little girls that little boys never hear. Then she helps you discover the financial thinking that is keeping you stuck

in old patterns, dependent relationships, and jobs where you earn less than you deserve. Once you get to the root of the problem, Frankel helps you solve it-with fabulous results. Her coaching tips help you take control of your finances and make more money than you ever thought possible. Do you make these "nice girl" mistakes? * Mistake #4: Not playing to win. Being polite, quiet, and fair to a fault is playing the financial game "like a girl." * Mistake #10: Choosing to remain financially illiterate. Knowledge is power. Learn to manage your major purchases, investments, and banking. * Mistake #20: Spending as an emotional crutch. Understand your emotions; don't make purchases just to lift your spirits. * Mistake #45: Saving instead of investing. Fear can keep your funds in low-interest accounts. Get educated about investing. Get wealthy. Frankel gives you the financial savvy to change negative behaviors, make smart money choices, and embrace the life you want sooner than you think.

Determined to clone an endangered flower—the rare ghost orchid *Polyrrhiza lindenii*—a deeply eccentric and oddly attractive man named John Laroche leads Orlean on an unforgettable tour of America's strange flower-selling subculture, through Florida's swamps and beyond, along with the Seminoles who help him and the forces of justice who fight him. In the end, Orlean—and the reader—will have more respect for underdog determination and a powerful new definition of passion. In this new edition, coming fifteen years after its initial publication and twenty years after she first met the "orchid thief," Orlean revisits this unforgettable world, and the route by which it was brought to the screen in the film *Adaptation*, in a new retrospective essay. “Stylishly written, whimsical yet sophisticated, quirkily detailed and full of empathy . . . The Orchid Thief shows [Orlean’s] gifts in full bloom.”—The New York Times Book Review “Fascinating . . . an engrossing journey [full] of theft, hatred, greed, jealousy, madness, and backstabbing.”—Los Angeles Times “Orlean’s snapshot-vivid, pitch-perfect prose . . . is fast becoming one of our national treasures.”—The Washington Post Book World “Orlean’s gifts [are] her ear for the self-skewing dialogue, her eye for the incongruous, convincing detail, and her Didion-like deftness in description.”—Boston Sunday Globe “A swashbuckling piece of reporting that celebrates some virtues that made America great.”—The Wall Street Journal

Beautifully written and taking us into an exotic land, Karen Connelly’s debut novel *The Lizard Cage* is a celebration of the resilience of the human spirit. Teza once electrified the people of Burma with his protest songs against the dictatorship. Arrested by the Burmese secret police in the days of mass protest, he is seven years into a twenty-year sentence in solitary confinement. Cut off from his family and contact with other prisoners, he applies his acute intelligence, Buddhist patience, and humor to find meaning in the interminable days, and searches for news in every being and object that is grudgingly allowed into his cell. Despite his isolation, Teza has a profound influence on the people around him. His very existence challenges the brutal authority of the jailers, and his steadfast spirit inspires radical change. Even when Teza’s criminal server tries to compromise the singer for his own gain, Teza befriends him and risks

falling into the trap of forbidden conversation, food, and the most dangerous contraband of all: paper and pen. Yet, it is through Teza's relationship with Little Brother, a twelve-year-old orphan who's grown up inside the walls, that we ultimately come to understand the importance of hope and human connection in the midst of injustice and violence. Teza and the boy are prisoners of different orders: only one of them dreams of escape and only one of them will achieve it—their extraordinary friendship frees both of them in utterly surprising ways.

Explores how a personal relationship with money affects financial stability and presents advice on getting out of debt, setting up a savings plan, and devising a realistic budget which reflects personal values and long term goals.

Can you learn to be lucky? Self-made millionaire Denise Duffield-Thomas not only believes this is possible, she knows it's possible. From being broke, hating her office job and generally having a life that made her completely miserable, Denise went on to travel the world and make all of her dreams come true within the space of a few years. She attracted more than half a million dollars- worth of free travel, scholarships, prizes and bank errors in her favour, and in this book she reveals how you can do the same. Whether you're already lucky and want to attract even more into your life, or you feel like your luck is just about to run out, Lucky Bitch will show you how to take action in areas of your life that are lacking in magic.
