A History of US is the story of the history of the United States written especially for all ages to enjoy. The American Crisis is a collection of articles by Thomas Paine, originally published from December 1776 to December 1783, that focus on rallying Americans during the worst years of the Revolutionary War. Paine used his deistic beliefs to galvanize the revolutionaries, for example by claiming that the British are trying to assume the powers of God and that God would support the American colonists. These articles were so influential that others began to adopt some of their more stirring phrases, catapulting them into the cultural consciousness; for example, the opening line of the first Crisis, which reads "These are the times that try men's souls." This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The “magnificent” Pulitzer Prize–winning and #1 New York Times–bestselling novel about the preacher who led America’s bloodiest slave revolt (The New York Times). The Confessions of Nat Turner is William Styron’s complex and richly drawn imagining of Nat Turner, the leader of the 1831 slave rebellion in Virginia that led to the deaths of almost sixty men, women, and children. Published at the height of the civil rights movement, the novel draws upon the historical Nat Turner’s confession to his attorney, made as he awaited execution in a Virginia jail. This powerful narrative, steeped in the brutal and tragic history of American slavery, reveals a Turner who is neither a hero nor a demon, but rather a man driven to exact vengeance for the centuries of injustice inflicted upon his people. Nat Turner is a galvanizing portrayal of the crushing institution of slavery, and Styron’s deeply layered characterization is a stunning rendering of one man’s violent struggle against oppression. This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Glencoe, Illinois, "Queen of Suburbs," has long been heralded as an idyllic place to live. Situated on Lake Michigan in the heart of Chicago's North Shore, Glencoe was first settled in 1835 by Anson Taylor, a young storekeeper. Glencoe began to thrive thanks to one of its famous early residents, Walter Gurnee, president of the Chicago and Milwaukee Railroad. Gurnee moved to Glencoe in the mid-1850s and in 1855 established a railroad stop across the street from his home. His presence accounts for the town's accessibility and nucleus, but it was the vision of Dr. Alexander Hammond, who arrived in Glencoe in 1867, that helped to shape it into the model suburban town it has become. It is the people of the past and present who are at the heart of this community. This collection of over 200
