This is the only book that creates the best-case scenario on test day: SC content mastery combined with the best mindset to answer test questions efficiently and correctly. Test Prep New York is the only test preparation company to fuse content and strategy-based learning with holistic stress reduction, memory improvement, and confidence building techniques. "The Full Potential section in this book is a

welcome guide for those who want to go beyond just studying hard: it addresses all the psychological and emotional processes involved in test-taking. Students of Sapir's holistic approach have enjoyed success in New York City for years. Now others can learn about and incorporate the valuable techniques described in this clear and easy-to-read guide. The techniques are effective and time-tested. Sapir and van Hoek have produced a winning book for those whose scores are compromised by test anxiety, as well as those striving for peak performance." -- Tom Akiva, PhD. Assistant Professor University of Pittsburgh School of Education "Bara Sapir's/TPNY's progressive test preparation technique is good for test-takers who want an edge when taking the test, as well as test-takers who require extra assistance. The model is effective because it teaches mediation of cognitive, academic, attentional, and emotional control. This book contains the necessary ingredients to succeed on the GMAT--it skillfully teaches the essential components of test taking through a clever blend of aggressiveness, logic, and relaxation. After practicing the techniques herein, the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past." -- Dr. Jason Smith, School and Clinical Psychologist "Full Potential GMAT Sentence Correction Intensive is by far and away the most advanced study aid available for the sentence correction section of the GMAT. We highly recommend this guide to all test takers seeking the 700+ scores the top business schools like to see." -- David Petersam, President, AdmissionsConsultants

The industry-leading Sentence Correction GMAT Strategy Guide delves into every major principle and minor subtlety of grammar tested on the GMAT. From its comprehensive list of GMAT-specific idioms to its tailored coverage of topics such as pronouns and parallelism, this guide teaches exactly what students need for GMAT Sentence Correction—and nothing that they don't. Unlike other guides that attempt to convey everything in a single tome, the Sentence Correction GMAT Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the Sentence Correction GMAT Strategy Guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's online computer-adaptive GMAT practice exams and Sentence Correction Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with both the 2015 Edition and 13th Edition GMAC Official Guide.

ACE THE GMAT is based on a simple but powerful observation: Test-takers who score high on the GMAT exam do so primarily by understanding how to solve a finite number of the most important, recurring problems that appear on the GMAT. What are these important, recurring problems? The answer to this question is the basis of this book. This manual provides in-depth analysis of over 200 all-star problems that are key to mastering the seven major GMAT problem types including Problem Solving, Data Sufficiency, Sentence Correction, Critical Reasoning, Reading Comprehension, Analytical Writing, and Integrated Reasoning. Apart from providing readers with answers and full explanations, a special feature of this book is that each problem is categorized by type ("classification"), rated by difficulty level ("chili rating"), and supplemented with a problem-solving strategy ("snapshot"). "Chance favors the prepared mind." Whether you're a candidate already enrolled in a test-prep course or are undertaking self-study, this guidebook will serve as a rigorous skill-building study guide to help you conquer the math, verbal, analytical writing, and integrated reasoning sections of the exam. Studying for the math and verbal sections of the GMAT exam requires some 100 hours of study time. This book's content is conveniently divided into topics, which require two to three hours of study time per day. Total study time will vary between 80 to 120 hours for the entire 40 days. Solving (Official exam instructions for Problem Solving, Strategies and approaches, Review of basic math, Multiple-choice problems, Answers and explanations); Chapter 3 – Data Sufficiency (Official exam instructions for Data Sufficiency, Strategies and approaches, How are answers chosen in Data Sufficiency? How do the big seven numbers work? Multiple-choice problems, Answers and explanations); Chapter 4 – Sentence Correction (Official exam
