A fifteen-year-old drug user chronicles her daily struggle to escape the pull of the drug world.

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

AS A YOUNG WOMAN, Tilly flees home for the hollow underworld of Nevada, looking for pure souls and finding nothing but bad habits. One day, after Tilly has spent nearly thirty years without a family, drinking herself to the brink of death, her niece Stella—who has been leading her own life of empty promise in New York City—arrives on the doorstep of Tilly's desert trailer. The Gin Closet unravels the strange and powerful intimacy that forms between them. With an uncanny ear for dialogue and a witty, unflinching candor about sex, love, and power, Leslie Jamison reminds us that no matter how unexpected its turns, the life we're given is all we have: the cruelties that unhinge us, the beauties that clarify us, the addictions that deform us, those fleeting possibilities of grace that fade as quickly as they come. The Gin Closet marks the debut of a stunning new talent in fiction.

NATIONAL BESTSELLER • An up-close portrait of the mind of an addict and a life unraveled by narcotics—a memoir of captivating urgency and surprising humor that puts a human face on the opioid crisis. “Raw, brutal, and shocking. Move over, Orange Is the New Black.”—Amy Dresner, author of My Fair Junkie When word got out that Tiffany Jenkins was withdrawing from opiates on the floor of a jail cell, people in her town were shocked. Not because of the twenty felonies she'd committed, or the nature of her crimes, or even that she'd been captain of the high school cheerleading squad just a few years earlier, but because her boyfriend was a Deputy Sheriff, and his friends—their friends—were the ones who'd arrested her. A raw and twisty page-turning memoir that reads like fiction, High Achiever spans Tiffany's life as an active opioid addict, her 120 days in a Florida jail where every officer despised what she'd done to their brother in blue, and her eventual recovery. With heart-racing urgency and unflinching honesty, Jenkins takes you inside the grips of addiction and the desperate decisions it breeds. She is a born storyteller who lived an incredible story, from blackmail by an ex-boyfriend to a soul-shattering deal with a drug dealer, and her telling brims with suspense and unexpected wit. But the true surprise is her path to recovery. Tiffany breaks through the stigma and silence to offer hope and inspiration to anyone battling the disease—whether it's a loved one or themselves.

A beautiful new edition of the classic culinary memoir by Alice B. Toklas, Gertrude Stein's romantic partner, with a new introduction by beloved culinary voice Ruth Reichl. Restaurant kitchens have long been dominated by men, but, as of late, there has been an explosion of interest in the many women chefs who are revolutionizing the culinary game. And, alongside that interest, an accompanying appetite for smart, well-crafted culinary memoirs by female trailblazers in food. Nearly 70 years earlier, there was Alice. When Alice B. Toklas was asked to write a memoir, she initially refused. Instead, she wrote The Alice B. Toklas Cook Book, a sharply written, deliciously rich cookbook memorializing meals and recipes shared by Hemingway, Fitzgerald, Wilder, Matisse, and Picasso—and of course by Alice and Gertrude themselves. While The Autobiography of Alice B. Toklas—penned by Gertrude Stein—adds vivid detail to Alice's life, this cookbook paints a richer, more joyous depiction: a celebration of a lifetime in pursuit of culinary delights. In this cookbook, Alice supplies recipes inspired by her travels, accompanied by amusing tales of her and Gertrude's lives together. In “Murder in the Kitchen,” Alice describes the first carp she killed, after which she immediately lit up a cigarette and waited for the police to come and haul her away; in “Dishes for Artists,” she describes her hunt for the perfect recipe to fit Picasso's peculiar diet;

and, of course, in "Recipes from Friends," she provides the recipe for "Haschich Fudge," which she notes may often be accompanied by "ecstatic reveries and extensions of one's personality on several simultaneous planes." With a heartwarming introduction from Gourmet's famed Editor-in-Chief Ruth Reichl, this much-loved, culinary classic is sure to resonate with food lovers and literary folk alike. Alice could be anyone - she could be someone you know, or someone you love - and Alice is in trouble ... Being fifteen is hard, but Alice seems fine. She babysits the neighbour's kids. She is doing well at school. Someday she'd even like to get married and raise a family of her own. Then she is invited to a party, a special party where the drinks are spiked with LSD and Alice is never the same again. This tragic and extraordinary true-life story shows the devastating effect that drug-abuse can have. But the big difference between Alice and a lot of other kids on drugs is that Alice kept a diary . . .

I felt the prick of the needle, but only for a second, because this great rush of warmth quickly followed, encompassing my whole body from my toes right up to the top hair on my head. I couldn't move for a minute as she guided the needle in and out of my vein. When she was done, I felt like I had entered heaven. I looked in the mirror and felt beautiful and confident. I felt this great peace, at last, a warmth, and I knew that everything was going to be okay--and really always had been. Like time had stopped and I was floating on a cloud. "Writing the book, I saw my old dope dealer and bought \$1,500 worth of pure heroin--Brown Gold--and started shooting up ten times a day to get the feel of the book. Well, I did, all right. I ended up in Glen Cove General, almost dead. In truth, you make a deal with the Devil. He takes away your pain, but he owns you. You live for the next fix. After a while, it's totally physical; your body has to have it. But I'm off it for good." -- Linda Glovach Young Adults' Choices for 2000 (IRA)
