

Go Naked Revealing The Secrets Of Successful Selling

Creating Improvised Theatre: Tools, Techniques, and Theories for Short Form and Narrative Improvisation is a complete guide to improvised theatre for performers and instructors. This book provides a modern view of improvised theatre based on the rapid evolution of this art form, shedding new light on classic theories as well as developing lesser known and emerging techniques, such as the Trance Mask. Instead of simply referencing classic theories, the book revisits them and places them in the context of contemporary improvisation techniques. Designed as a practical support, this guide contains over 130 exercises that allow its theories to come alive in workshops, rehearsals, and performance. The book is divided into four sections: Nuts and bolts: The fundamental tools of improvisation to explore how to be spontaneously creative, build with your partner, and learn from masks to discover your scene instant by instant. Short form: Techniques for scene work and short form performance, including how to get the most out of a scene, remain connected to the relational stakes, provoke change (physical, status, and emotional), and maintain a playful attitude. Narrative improvisation: Theories to help navigate long form narrative-based shows with "narrative waypoints," generate variety, develop protagonists, work on genres, and manipulate creative transitions. The bits box: Advice for warming-up before a rehearsal or a show with a collection of useful games. Written to inspire creativity and provide the tools to develop innovative improvised shows and experiences, Creating Improvised Theatre is an invaluable source book for anyone interested in the art of improvised theatre, whether a beginning student or experienced performer.

“Urgent, timely, and inspiring biblical wisdom for Christian leaders who want to start strong, thrive fully, and finish well!” –W. Scott Brown, Christian Leadership Alliance “Too often technique and numeric growth are on the minds of young pastors. Learn from a veteran and seek faithfulness!” –Matt Schmucker, co-founder, 9Marks “A powerful and preventive message for every pastor who desires to hear ‘well done’ at the finish line.” –Cliff Clifton, North American Mission Board, director of Send DC As leaders, it’s our greatest desire: a life that honors God, strengthens our family, and draws those we lead to Jesus Christ. But behind our well-intentioned efforts and carefully prepared sermons, we also carry fear of failure, disappointments, hurts, and hidden sins. These can become slow leaks resulting not only in public failure, but more importantly, in devastation to those we love and lead. But here’s the good news: You don’t have to live in fear. The God who called you stands ready to empower you to confidently plug the slow leaks in your life, to vigorously flourish, and to finish well. In Beware the Slow Leaks, Pastor Steve King draws on over forty years of ministry to equip Christian leaders to build healthy, gospel-centered habits now so they don’t have to bail their ship later. With biblical wisdom, personal stories, and spiritual care, King inspires ministers to practice what they preach—providing eight pro-active strategies to help Christian leaders fully thrive and confidently finish. Now is the time to fortify your hull against the slow leaks. Join Pastor King as he points you to the God who has called you to sail the waters with Him, not just bail your boat.

Forget the traditional model of selling which says that you should focus first on the transaction or the sale. It's outdated thinking and there is another way. A way to develop stronger, more powerful relationships by adopting an approach which is more authentic; which strips away the unnecessary layers, then focuses on how to add greater significance to others. That way is to GO NAKED. This book will help you discover how to build stronger, more effective relationships with people, so that whether you are selling yourself, a product or a service, you can step away from the majority and increase your chances of long-term success.

Originally published: 2nd ed. London: Thesaurus of traditional English metaphor, 2002.

This absorbing collection of metaphors includes a variety of expressions with figurative meanings, like similes, proverbs, slang and catchphrases. It is the result of a lifetime of work on dialect and metaphor and gives an overview of the folk wisdom expressed in figurative expressions. The author draws on his extensive contact with the rural cultures of Dorset, Cornwall, Yorkshire and Lancashire, but has also included a range of sayings from North America, Australia, Scotland and other English speaking countries. With revised contents and an improved index to make individual entries easier to find, the Concise can be used to check the meaning and the origin of an expression or to avoid mixed metaphors, anachronisms and incongruities. It is a joy to browse long after your original query has been answered.

A prostitute in a chalet may sleep with five (5) men in a day, while a Digital Prostitute may sleep with over Two Million Souls I a day (2,000,000) Through Cosmetics and Sexy outlook Powered by street Catwalk and Social Media, Quoting Matthew chapter 5 vs.27 to 30, Vs. 28 but I say unto you, that whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart. It doesn't matter whether the prostitute is in the Church, or a Pastor, or a housewife or a core harlot etc; their work is to stain the holy white garment of the Saints, run away from them, please! Core enemy. Run to Jesus Christ for cleansing, amen.

The best place to hide is in a lie... I could never fit in to the life my parents demanded. By the time I was thirteen, it was too much. I ran away to New York City...and found a nightmare that lasted three years. A nightmare that began and ended with a pimp named Luis. Now I am Dirty Anna. Broken, like everything inside me has gone bad. Except that for the first time, I have a chance to start over. Not just with my parents but at school. Still, the rumors follow me everywhere. Down the hall. In classes. And the only hope I can see is in the wide, brightly lit smile of Jackson, the boy next door. So I lie to him. I lie to protect him from my past. I lie so that I don't have to be The Girl Who Went Bad. The only problem is that someone in my school knows about New York. Someone knows who I really am. And it's just a matter of time before the real Anna is exposed...

Advises women on the secrets of understanding their husband's needs, showing that it is not as much work as women might think to maintain a healthy and happy marriage. By the author of Parenting Your Teen and Loving It. Original.

Go Naked Revealing the Secrets of Successful Selling Rethink Press Limited

Betty Barnes has been brought up by her older sister, Kate, in a small West Country village, but dreams of the bright lights of Hollywood and of being a movie star. Day dreaming is one way for Betty to escape the realities of school life where she is cruelly bullied - because Kate is living in sin with a married man and is rumoured to have used her healing skills to help more than one local girl out of trouble. Like her sister, Betty has inherited psychic and healing gifts from her forebears. She also experiences memories of an earlier time when she was the local Wise Woman, guardian of a nearby mystical cave. But when Betty gets into trouble at school, she feels that no one - not even Kate - understands her, and she runs away to the biggest city she can think of. London in the 1930s is hardly a hospitable place for a young teenage girl to find her fortune, and Betty soon finds that she cannot turn her back on her magic for ever...

"Transform your passion for writing into a career. Regardless of the genre, every novelist faces a difficult task. Creating authentic characters and an engaging plot are challenging enough. But attempting to break into the hotter-than-ever romance genre, which is constantly flooded with new titles and fresh faces? It can feel impossible. To survive--and thrive-- you need the help and wisdom of an expert. New York Times best-selling author Jennifer Probst reveals her pathway to success, from struggling as a new writer to signing a seven-figure deal. Write Naked intermingles personal essays on craft with down-to-earth advice on writing romance in the digital age."--Page [4] of cover.

If ten girls were asked to describe the "perfect" girl, they would likely rattle off an eerily similar list of qualities—from hair, skin, and weight to a cute button nose. That's a problem, because God has given girls a desire to be desirable. If girls think that they will be most wanted if they fit a one-size-fits-all image of "perfection," they will continually chase that proverbial carrot their entire lives. Backwards Beauty examines ten cultural lies young women listen to regarding beauty to help them unpack how they're looking at themselves through the wrong lens. The "tips to feel ugly" range from "compare yourself to every other girl" to "eat junk and diet, diet, diet." Reading a book by Jessie Minassian is like sitting down with a friend and talking about the hard things in life. Girls will be able to find freedom and hope in the midst of a culture that idolizes beauty.

One of the first books written in the U.S. since 1988 that presents the Shroud of Turin as the authentic burial cloth of Jesus of Nazareth. The author, a medical doctor, takes us on a scientific and scriptural search (with more than 70 revealing photographs) that allows us to decide for ourselves whether the ancient cloth has any meaning for us today. A companion video that traces the story of the shroud from Turin to Jerusalem is also available. In 1961, while poking around in a used bookstore in Boston, Lavoie stumbled across a paperback called A Doctor at Calvary, by French surgeon Pierre Barbet. As Lavoie thumbed through the pages, he discovered that Barbet was writing not about Jesus' crucifixion but about the Shroud of Turin, a piece of cloth that contained the bloody image of a naked man. Thus began Lavoie's 30-year quest to uncover the true origins of the Shroud and to reveal its mysteries. In this well-told scientific and theological detective story, Lavoie offers a step-by-step account of his attempts to prove that the Shroud of Turin could well have been the shroud that covered Jesus as he was taken from his cross to his tomb. In order to show that the marks on the cloth are indeed blood stains, Lavoie discusses the nature of blood as it clots, especially when those clots are covered with cloth. Through various experiments, he is able to conclude: "blood clots transfer to cloth as mirror images of themselves; the neatness of the transfers is related to the fact that the man of the shroud died in the vertical position; the time the clots take to transfer to cloth coincide closely with the gospel timetable of the death and burial of Jesus." Lavoie is on his firmest footing when he sticks to his scientific theories, but when he begins to argue in the final chapters that John's gospel and letters indicate that John possessed the shroud and was hiding it from his audience, he treads shakier speculative ground.

Welfare And A Dream is the story of a young girl named Ebony born into a life of poverty. Her family lived on the welfare system. She endured abuse by her mother. Ebony longed for her mother to love her. It wasn't until she was on her death bed that she told Ebony she loved her. Ebony dreamed that one day she would escape her dysfunctional life. She found out the hard way that dreams don't always come true. She didn't know how to better herself. She met and fell in love with Zarius, a drug dealer. She had two children for him. Life was good for a while until he ended up in prison. While he was in prison she became involved with another man Miles who she vowed to have a no strings attached relationship with. She let him know that as soon as Zarius got out of prison she was going back to him. But the tables turned when she became pregnant by Miles. Ebony mistreated Miles because he wasn't Zarius. But Miles was determined to win her love. Zarius was angry when he found out she was with child. He didn't want anything to do with her. Eventually Miles moved on and she was left alone with three kids. She had become a statistician unwed mother with three kids. Her life was filled with pain and heartache. Would she ever overcome?

As in a play, presidents, vice presidents, and presidential candidates perform on stage for the public and the media. What the nation's leaders are really like and what goes on behind the scenes remains hidden. Secret Service agents have a front row seat on their private lives and those of their wives and children. Crammed with new, headline-making revelations, THE FIRST FAMILY DETAIL: Secret Service Agents Reveal the Hidden Lives of the Presidents by Ronald Kessler tells that eye-opening, uncensored story. Since publication of his New York Times bestselling book In the President's Secret Service, award-winning investigative reporter Ronald Kessler has continued to penetrate the wall of secrecy that surrounds the U.S. Secret Service, breaking the story that Secret Service agents who were to protect President Obama hired prostitutes in Cartagena, Colombia and revealing that the Secret Service allowed a third uninvited guest to crash a White House state dinner. Now in this new book, Kessler presents far bigger and more consequential stories about our nation's leaders and the agency sworn to protect them. Kessler widens his scope to include presidential candidates and former presidents after they leave the

White House. In particular, he focuses on first ladies and their children and their relationships with the presidents. From observing Vice President Joe Biden's reckless behavior that jeopardizes the country's safety, to escorting Bill Clinton's blond mistress at Chappaqua, to overhearing First Lady Michelle Obama's admonitions to the president, to witnessing President Nixon's friends bring him a nude stripper, to seeing their own agency take risks that could result in an assassination, Secret Service agents know a secret world that Ronald Kessler exposes in breathtaking detail. THE FIRST FAMILY DETAIL reveals: · Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade, potentially leaving the country unable to retaliate in the event of a nuclear attack. · Secret Service agents discovered that former president Bill Clinton has a blond mistress who lives near the Clintons' home in Chappaqua, New York. Within minutes of Hillary Clinton's leaving, the woman—codenamed Energizer by agents—shows up to be with Bill and stays every day while the likely future presidential candidate is away. · The Secret Service covered up the fact that President Ronald Reagan's White House staff overruled the Secret Service to let unscreened spectators get close to Reagan as he left the Washington Hilton, allowing John W. Hinckley Jr. to shoot the president. · Secret Service agents have been dismayed to overhear Michelle Obama push her husband to be more aggressive in attacking Republicans and to side with blacks in racial controversies. · Secret Service Director Mark Sullivan diverted agents from protecting President Obama and his family at the White House and ordered them instead to protect his assistant at her home and illegally retrieve confidential law enforcement records as a favor to her. · Because Hillary Clinton is so nasty to agents, being assigned to her protective detail is considered a form of punishment and the worst assignment in the Secret Service. · Secret Service agents were ordered to ignore security rules and allow the SUV carrying actor Bradley Cooper to drive unscreened into a secure restricted area when President Obama was about to deliver his speech at the White House Correspondents Dinner. · Vice President Joe Biden has racked up costs to taxpayers of a million dollars to fly to and from his home in Delaware on Air Force Two. His office tried to cover up the costs of the personal trips. · Because the Secret Service refused to provide enough magnetometers at his campaign events, Mitt Romney regularly left himself open to assassination by giving speeches to crowds that had not been screened. · Vice President Joe Biden swims nude at the vice president's residence in Washington and at his home in Delaware, offending female Secret Service agents.

The fourth book in the USA Today bestselling Carly Moore series. Be careful where you dig... Life in Drum, Tennessee has been quiet since corruption was uncovered in the sheriff's department three months ago—too quiet. Still, Carly is shocked when she discovers one of her sweetest lunch customers at the tavern has committed murder in cold blood. Carly is certain the woman was fulfilling an infamous "favor" for the town patriarch, Bart Drummond, but now she has to prove it. She already knew that Drum has two sides—the side they show the world, and the seedy underbelly. Only in Drum, all things seedy lead back to two men—Bart Drummond and the local drug king, Todd Bingham. The deeper Carly gets, the more she begins to question everything, even her desire to have her own family. But even if she could forget Bart's threat is hanging over her head, she can't forget that her father is still searching for her, ready to drag her back to her own death. She needs to uncover the truth, but everything is buried in secrets.

Can memories of old restore a forgotten love? Camden, Maine ~ Present Day Spunky octogenarian Priscilla Martin is a woman with many Christmas secrets. When a beloved niece tempts her to bare her wounded soul, Priscilla must decide whether to share the secret of her sister's demise—and the reason she abandoned the man she loved in favor of a loveless marriage. Camden, Maine ~ December, 1957 The only person Priscilla loves more than Ed Colton is her younger sister, Hazel. But when Ed is drafted and Hazel runs away to New York to be with a man she believes will make her famous, Priscilla's plans crumble around her. Ed's silence and Hazel's tragic return leads Priscilla to make a choice she will forever regret. Can revisiting long-ago memories give Priscilla what she's longed for all these years? This is Book 4 in The Orchard House Bed and Breakfast Series, a contemporary twist on the well-loved classic, Little Women. Readers will fall in love with the Martin family—Maggie, Josie, Lizzie, Bronson, Amie, and their mother Hannah—each trying to find their own way in the world and each discovering that love, home, and hope are closer than they appear.

Through interviews with world-renowned UCLA screenwriting professor Lew Hunter, Oscar-winning screenwriters and multiple award-winners reveal their Hollywood secrets in crafting brilliant stories and methodology. Interviewees include Francis Ford Coppola, William Golden, Alexander Payne, Ernest Lehman, Horton Foote and Billy Wilde.

Paul Jackson is embarking on a career as a war correspondent for the Washington Post. He pictures himself following in the footsteps of Edward R. Murrow or Ernie Pyle. But he's wounded while reporting in Iraq and is sent home to recover. When he returns to work, Jackson receives an assignment to cover the UFO convention in Roswell, New Mexico. He doesn't believe in the UFO phenomenon, and he's not pleased with the prospect of spending his time with every lunatic in the hemisphere. Jackson is joined by Sara Greenberg, a freelance photographer.

Together, they document the stories of a variety of convention-goers. But as the two hear a succession of unusual and odd tales, they become part of something much more sinister. The shadow government, which answers to no one, is involved with extra-terrestrials fighting over the earth's minerals. Will Jackson and Greenberg, two skeptics, become believers?

"Quick pacing, witty dialogue, and charmingly original characters set Jeffries' books apart" (Publishers Weekly, starred review), and The Secret of Flirting is the next thrilling romance in the bestselling Sinful Suitors series! The moment spymaster Baron Fulkham meets the stunning Princess Aurore of Chanay, he's positive her royal persona is a ruse and that she's actually Monique Servais, the mysterious actress he met three years before in Dieppe. But as he pursues his suspicions, he uncovers a plot of attempted assassination and betrayal that could very well destroy his career, expose his own secrets...and ruin the woman he's rapidly coming to love. The Secret of Flirting is a sizzling historical romance filled with fast-paced storytelling, an enchanting heroine, and a sexy hero, perfect for fans of Regency romance.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

This story is a continuation of Allure of a Predator. Billy Hughes, now a business lawyer in his late twenties, is a handsome free spirit with his eye on the prize. As he is working to break into entertainment law, legal problems involving his mother unexpectedly fall in his lap. Leaping into action by digging into her past, he takes it as his mission to find the truth, which leads him to wild nights, random shootings, kidnappings, and stories of embezzlement. Deep secrets surface, revealing the ugly side of his mothers naked truth.

Joni Montgomery needs a guy to pretend to be her boyfriend long enough to persuade certain family members to let up on the marriage thing. Her last hope is a blind date. Carter Sullivan is tall, gorgeous and agreeable to her scheme. Perfect! He's also too tempting for Joni to resist. But a little between-the-sheets time will just make their brief charade more believable, right? Carter believes in love at first sight. And when he meets the beautiful, sexy Joni, he falls hard and fast. Too bad she's insisting this relationship is temporary. After some steamy embraces, he's convinced she feels the same way about him... even if she won't admit it. Fine. He'll just tantalize her senses until she says she wants him, too!

They say a good marriage is a lot of work--but Susie Davis says it can be a lot of fun. In *Uncovered*, Davis shares the secrets of understanding a husband's needs and meeting them using biblical wisdom, practical sense, and a bit of feminine charm. With wit and realistic advice, she shows women how to -understand the physical, emotional, social, and spiritual needs of their husbands -find lasting fulfillment through loving their man -maintain an enjoyable and stable relationship -prioritize their marriages Focusing on areas such as sex, desire, money, dating, and self-image, Davis shows women how a happy and sexually satisfying marriage is not as much work as they might think. Each chapter also includes a section called The Male Room in which married men discuss their feelings about their wives and marriages.

Discusses the difficulties in learning to accept adulthood in our youth-oriented culture and offers advice for learning to take responsibility and recognize the value of commitment and maturity

If today you are no longer willing to settle for mediocrity in your work, relationships, and your life, this book is for you. Within these pages is the powerful secret to unlocking your fullest potential as a career person, a parent, a friend, a mate, a lover, a human being. How? Through getting naked. Getting Naked is about living life as the fullest, most authentic version of you. Its about cutting the crap--releasing the baggage that has held you hostage for so long and embracing all of you; the good parts, the bad parts, the public parts, and the shadow parts, so you can integrate them and become an even stronger force of positivity in the universe, through the secrets of honest self-disclosure. (The key is it discover where and with whom to be emotionally naked--being vulnerable does not mean being stupid and careless.)

For example: Practice being emotionally naked at the right place and the right time with the right people to release your negative patterns and create a provocative catalyst for reflection. Uncover new or hidden parts of yourself that can guide you to create a more fulfilling life. Apply the tools of naked self-disclosure to all areas of your life so you can enjoy greater meaning and satisfaction. This is a book of stories, strategies, and tips, designed to overcome the negative self-narratives that obscure personal resilience and wellbeing. There comes a time when you have to defy the voices that hold you back. Getting Naked teaches you that it is your indisputable birthright to question any limitation--anything that gets in the way of your own magnificence. This book will provide you the inspiration, tools, self-discovery and support to share your naked truth and in so doing to fulfill your uniqueness every day.

IN THE 20TH NOVEL OF THE HOUSEWIFE ASSASSIN SERIES: The clock is ticking as housewife assassin Donna Craig and her husband and mission partner Jack, race across the world to stop the assassinations of seven world leaders.

Open the door to harmonious, powerful, and positive dressing with a guide that's like *The Secret*—for your wardrobe. In this groundbreaking how-to book, style expert George Brescia shows you how to transform yourself from the inside out. More than a style guide, this revolutionary book by a seasoned stylist teaches a method of conscious dressing that begins with a powerful internal change. Instead of just grabbing for whatever's on hand, you'll learn to set your goals for the day, determining how you want to be perceived, and then dress in a way that helps manifest those intentions. *Change Your Clothes, Change Your Life* reveals the true power your clothing has to affect your life, showing how this second skin impacts your job prospects, your romantic life, your income, and even your deepest sense of self. Translating his styling methods into a philosophy anyone can apply on her own, Brescia also delivers tips and tricks of the trade to help convert even the most hapless dresser into a happy and educated shopper. Because the goal is to have you not only looking great, but feeling more confident, too. From major closet overhauls to a whole new philosophy on color, this is a comprehensive manual for anyone who's ever looked at her closet in despair. Accessible, direct, honest, and thought-provoking, *Change Your Clothes, Change Your Life* takes an eye-opening look at the intersection between our clothing and our emotions, hopes, and dreams, showing us how improving our external appearance can have life-changing effects on how we're perceived by others—and more importantly, on how we perceive ourselves. The popular humorist explores the world of finance, sharing his unique advice on the stock market, the art of making and losing money, furniture in the CEO's office, getting rich in real estate, and the financial benefits of an early death.

We all want to present a certain image and the image varies depending on the situation and the group of people. What can we show them about ourselves without revealing too much? What will impress them? What can I make them believe about me?Let's be honest. It is why we wear spanx, push up bra's and uncomfortable [but pretty] shoes. We want the world around us to see what we want them to see. So we cram our mommy muffin tops into our shape wear feeling fit for a time until we peel ourselves back out of them. We put on our arm candy and baubles so when we pass our business card it adds that extra pop to our image. None of these things are bad, don't get us wrong, we just want to make the point. We hide behind tough expressions and shiny exteriors none of which shows the real us. We want to be known - to be known as or to be known for - providing the image for the world to see but never showing the naked us. The vulnerable spirit inside that is stripped down bare and beautiful just as it is.

For four hundred years, the Cistercian monks who inhabited Tintern Abbey toiled, prayed, and strived to fulfill their spiritual commitment to a monastic life. Those who joined the order anticipated a peaceful existence devoted to praising God. But medieval times were troubled times, and the abbey endured struggle along with serenity. Civil war, the Black Plague, and the English Reformation all took their toll. Would the monks' faith prove stronger than the hardships they faced?

This book is two things. It's an eye-opener to the fact that we don't have to do a million things to be productive (or successful). And it's a coach that helps us trim the fat, get real with our purpose, and start living more intentionally-Goop Dalton helps readers by teaching us to focus on the most important things and create our own operating systems that are exclusive to our lives as individuals. By doing this, we can simplify and make life even better- San Francisco Book Review Dalton's ground-up approach to productivity teaches readers to identify their real priorities and, in doing so, cut their massive to-do lists down to size by learning to say no to the tasks that pull them away from their North Star-Grateful Overwhelmed. Do you wake up in the morning already feeling behind? Does the pressure of keeping it all together make you feel anxious and irritable? Tanya Dalton, CEO and productivity expert, offers you a liberating shift in perspective: feeling overwhelmed isn't the result of having too much to do -- it's from not knowing where to start. Doing less might seem counterintuitive, but doing less is more productive,

because you're concentrating on the work you actually want to be doing. Through this book, you can learn how to: Identify what is important to you and clarify your priorities. Develop ways to streamline your specific workflow. Discover your purpose. Named Top 10 Business Book of the Year by Fortune magazine, *The Joy of Missing Out* is chock-full of resources and printables. This is a legitimate action plan for change. Once you reject the pressure to do more, something amazing happens: you discover you can finally live a guilt-free, abundant life.

Book description to come.

In this remarkable memoir former Olympian and Kardashian family member Caitlyn Jenner reveals shocking and heartbreaking stories from her journey to become a transgender woman and fight for the LGBTQ+ community. "Imagine denying your core and soul. Then add to it the most impossible expectations that people have for you because you are the personification of The American Male Athlete." Bruce Jenner, the celebrated Olympic icon and later the patriarch of one of the most famous families in the world, seemed to be living a dream life of success, fame, and prosperity. But the all-American image and million-dollar smile belied a lifelong struggle with gender dysphoria, and it wasn't until the sensational Diane Sawyer interview that the public mask of Bruce Jenner was finally retired, and through the memorable Vanity Fair piece by Buzz Bissinger, that Caitlyn Jenner was introduced to the world and set free to exist on her own terms. Since then, Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing. In *THE SECRETS OF MY LIFE*, Caitlyn reflects on the inner conflict she experienced growing up in an era of rigidly defined gender identities, and the cruel irony of being hailed by an entire nation as the ultimate symbol of manhood. She recounts her Olympic triumph, her rise to fame, and relates how her sense of frustration and shame grew with the passing years and the lengths to which she had to go to conceal her true self. Caitlyn in turn uncovers the toll that these personal struggles had on her three marriages and, subsequently, the relationships with her children. She also talks candidly about her life in the public eye as a member of the Kardashian clan, what led to her decision to become Caitlyn, and how she, her family, the transgender community, and the rest of the world has since embraced her new life. Filled with incredibly personal and moving stories of struggle and victory, of anxiety and fear, and, finally, of surrender and acceptance, *THE SECRETS OF MY LIFE* reveals the real Caitlyn Jenner by tracing her long and eventful journey to becoming herself.

The last thing Charlotte Vega needs is a cocky HOT stuntman like Ty Campbell in her life. But when he pulls the ultimate stunt—a sexy romantic gesture that ends with a charming invitation to a sunset dinner cruise—she finds him impossible to resist. Cue disaster. Their rocky first date goes from bad to worse when his yacht (okay, it's actually borrowed) gets stranded in deep mud. Turns out there's nothing Ty can do but wait hours and hours for high tide with no power, no way to cook dinner, and a hangry sexy-as-hell woman. But Ty is determined to salvage the date so he starts a game to pass the time. Only what Ty learns makes him realize he may have just botched a date with the perfect woman. How will he ever win her now?

Harvard-trained theologian Meggan Watterson marched out of her church at age ten. With little-girl clarity, she knew something tremendously crucial was missing...the voices of women. Watterson became a theologian and a pilgrim to the divine feminine to find the missing stories and images of women's spiritual voices. She knew women's voices had never been silenced, just buried. But what she truly sought was her own spiritual voice inside her—the one veiled beneath years of self-doubt. At a sacred site of the Black Madonna in Europe, Watterson had a revelation that changed her. Rather than transcending the body, denying or ignoring it, being spiritual for her meant accepting her body as sacred. Only then, Watterson realized could she hear the voice of unfaltering love inside her- the voice of her soul. With passion, humor, and brutal honesty, Watterson draws on ancient stories and lesser-known texts of the divine feminine, like *The Gospel of Mary Magdalene*, making them modern and accessible to reveal the spiritual process she went through. She suggests that being spiritual is simply about stripping down to the truth of who we really are. Through her extensive work with women, Watterson found that she was not alone. There are countless women who long for a spirituality that encourages embodiment rather than denies it, that inspires them to abandon their fears but never themselves, and to be led by the audacious and fiercely loving voice of truth inside them. No matter where you rest on the spectrum of spirituality; religious or secular, devout believer or chronic doubter, freelance mystic or borderline agnostic, this story is about the desire in all of us to want to shed everything that holds us back. *Reveal* provides what religions have left out—the spiritual voice of a woman who has claimed her body as sacred—a woman who has found the divine insider her. In essence, this is a manual for revealing your soul. "I have spent the majority of my life gathering stories of the divine feminine. Each time before getting my masters degrees in theology and divinity, I went on a pilgrimage to sacred sites of the divine feminine throughout Europe. The first one was with a group and the second was on my own... The stories of the divine feminine, of Christianity's Mary Magdalene, Catholicism's Black Madonna, Hinduism's Kali ma, and Buddhism's Green Tara for example, allowed me to begin to see that I wasn't as much of a spiritual misfit as I had thought. There was a red thread that became visible to me that ran through so many of the world religions, especially through their mystics, relating that the way to find the divine is to go within. And, that our potential to be transformed by going inward is exactly the same whether we are a man or a woman. The real barometer of our spiritual potential is not our sex, but the commitment of our desire to want to encounter the divine." Excerpt from *Reveal*

Laura Knight-Jadczyk's series, *The Secret History of the World*, is one of the most ambitious projects ever undertaken to provide a cogent, comprehensive account of humanity's true history and place in the cosmos. Following the great unifying vision of the Stoic Posidonius, Laura weaves together the study of history, mythology, religion, psychology and physics, revealing a view of the world that is both rational and breathtaking in its all-encompassing scope. This second volume, *Comets and the Horns of Moses*, (written in concert with several following volumes soon to be released) picks up the dangling threads of volume one with an analysis of the Biblical character of Moses -- his possible true history and nature -- and the cyclical nature of cosmic catastrophes in Earth's history. Laura skillfully tracks the science of comets, revealing evidence for the fundamentally electrical and electromagnetic nature of these celestial bodies and how they have repeatedly wreaked havoc and destruction on our planet over the course of human history. Even more startling however, is the evidence that comets and cometary fragments have played a central role in the formation of human myth and legend and the very concept of a 'god'. As she expertly navigates her way through the labyrinth of history, Laura uncovers the secret knowledge of comets that has been hidden in the great myths, ancient astronomy (and astrology) and the works of the Greek philosophers. Concluding with a look at the political and psychological implications of cyclical cometary catastrophes and what they portend for humanity today, *Comets and the Horns of Moses* is a marvel of original thought and keen detective work that will rock the foundations of your understanding of the world you live in, and no doubt ruffle the feathers of the many academics who still cling to an outdated and blinkered view of history.
