sharing the good news from an early age. With Bible stories told in actual Bible text, this storybook teaches that God loves us, saves us from our sin, and invites us into a new life with Him. Each entry includes the wisdom of Billy Graham, who spent his life helping people all over the world understand and respond in faith to the love and mercy of Jesus Christ. The Bible tells us that God loves us, and that is good news! The striking artwork from Scott Wakefield will help children connect with the timeless Bible stories and messages from Rev. Graham.

A critically acclaimed modern translation of the Bible into English, based on the latest advances in biblical scholarship, features a concise two-column format for easier reading, a low price, and a reader-friendly design. The apostle Paul's experience was real. The blinding light and the voice confronting him with the question, Saul, Saul, why persecutest thou me? His response is the same question we should be asking, Who art thou, Lord? Paul thought he knew God, but he didn't. God wants us to ask this same important question. God has revealed Himself in the Scripture through His Son, Jesus, the light of the world. It is the Gospel, the good news, of Jesus's ministry, the truth about God. It is the substance of our faith in Him, our salvation, and the subject of this book. Children's Bibles are often the first encounter people have with the Bible, shaping their perceptions of its stories and characters at an early age. The material under discussion in this book not only includes traditional children's Bibles but also more recent phenomena such as manga Bibles and animated films for children. The

book highlights the complex and even tense relationship between text and image in these Bibles, which is discussed from different angles in the essays. Their shared focus is on the representation of “others”—foreigners, enemies, women, even children themselves—in predominantly Hebrew Bible stories. The contributors are Tim Beal, Ruth B. Bottigheimer, Melody Briggs, Rubén R. Dupertuis, Emma England, J. Cheryl Exum, Danna Nolan Fewell, David M. Gunn, Laurel Koepf, Archie Chi Chung Lee, Jeremy Punt, Hugh S. Pypers, Cynthia M. Rogers, Mark Roncace, Susanne Scholz, Jaqueline S. du Toit, and Caroline Vander Stichele.

This collection of essays describes the pursuit of biblical scholarship in the twenty-first century and explores the implications of modern and postmodern approaches, collaborative and emancipative models of graduate and undergraduate education, and public and political uses of the Bible. Special attention is given to the role of the Society of Biblical Literature. Essays by nine SBL presidents appear in the collection, which honors SBL Executive Director Emeritus Kent Harold Richards. The contributors are Paul J. Achtemeier, Frank Ritschel Ames, Pablo R. Andiñach, Harold W. Attridge, Athalya Brenner, David J. A. Clines, John J. Collins, Tamara Cohn Eskenazi, J. Cheryl Exum, Erhard S. Gerstenberger, Norman C. Habel, Douglas A. preschool children to Jesus every day. The short, simple devotionals build on Jesus action-based style of teaching and explore Jesus life through the book of Matthew. The stories are short enough for you to tell in your own words, your eyes meeting your child's eyes, just as Jesus eyes searched the hearts of His listeners. Since children learn many different ways, these devotionals use a variety of learning methods to help bring a living, breathing Jesus to the forefront of young minds and hearts. The many hands-on activities and crafts build on the objects and events in the child's everyday life, capitalizing on Jesus object lessons.

It also features a simple form of morning and night prayer and a guide to Lent by David Hoyle.

There are two strands woven together in the history of the Bible and its translations. One is the development of the biblical text: its materials, texts, and translations. The second is the story of the men and women who went to great extremes, at times risking death, in order to provide their generation with the Word of God in a language that could be understood. David Ewert skillfully combines both these elements in this informative and captivating book, beginning with what "Bible" means, how the Bible is organized, and how various books were named. He explores such other matters as the development of the biblical languages, the canon and the history of the testaments, and early versions of the Bible. English

translations, from the time of Wycliffe to the present, are the focus of several chapters. A General Introduction to the Bible is filled with photographs of ancient texts, pages from various Bibles, photographs of key individuals and settings -- all of which add understanding to the Bible's history. Maps and charts show the development of languages, textual families, and the relationship of various translations and revisions. There are suggested readings and an extensive glossary and index.

The strong God of Exodus. The ancient poetry of the Psalms, and the eternal teachings of Proverbs. Matthew, Mark, Luke, and the mystical beauty of John. The new heaven and earth of Revelation. Bible verses—an enduring source of guidance, peace, and rejuvenation—are here given a very special treatment in colorful letterpress illustrations that bring each phrase to life in a fresh and meaningful way. The verses are drawn from seven translations (including the New International Version, The New Revised Standard Version, and The King James Bible) and arranged in order, beginning with Genesis 1:1. These selections include 100 of the most distinctly meaningful passages of the Old and New Testament, made even more powerful through the transformative lens of art. Like a contemporary update on medieval illuminated manuscripts, the book combines the timeless words of the Bible with timely artwork—in this case, hand-lettering and illustration in a variety of beautiful styles and remarkable aesthetics from 25 contemporary artists. It's a new and vibrant way to experience the living word.

We are students in Gods classroom. He teaches us how to do life with him. The Bible is Gods textbook and has answers and advice on whatever a human being might need to know. Reading Scripture, no matter what version or medium usede-book, tablet, phone, wrist computer, eye glasses computer, or even a book with real pagesenriches lives. All kinds of students make up a classroom. There are eager-beaver over-achievers, reluctant learners, at-riskers, and specially challenged students. There are rebellious ones, emotionally needy ones, and many front-row students. Each brings special challenges and rewards, but the most desirable trait is their teach-ability. Are they willing to learn? Its the same for us. God accepts us and wants to teach us about himself and how to trust him. Are we teachable? No matter what kind of student we are, theres a seat for us. He is the Master Teacher.

Rare personal reflections from “one of our most talented writers” (The New York Times Book Review) Look out for Penelope Lively’s new book, *The Purple Swamp Hen and Other Stories*. Memory and history have been Penelope Lively’s terrain in fiction throughout a career that has spanned five decades. In this “funny, smart, and poignant” (Los Angeles Times) memoir, she offers a glimpse into her influences and formative years, as well as a view of what life looks like from the vantage point of eighty years. Lively traces the arc of her own life, from early childhood in Cairo to boarding school in England to the sweeping social changes of Britain’s twentieth century. She reflects on her early love of archaeology, and on the fragments of the ancients that have accompanied her journey. She also takes an intimate look back at a life devoted to books and writes insightfully about aging.

This Good News Study Bible aims to help the understanding of complete passages and whole books of the Bible, rather than focusing on individual words of verses. The Bible features specially designed maps and diagrams.

peoples, regions, ways of life, traditions, languages, and cultures. Cross-boundary communication today comes in various shapes: as mutual exchange, open dialogue, enforced process, misunderstanding, or even violent conflict. In this situation, 'translation' has become an inevitable requirement in order to ease the flow of disinterested and unbiased cultural communication. The contributors to this collection approach the subject of the 'translation of cultures' from various angles. Translation refers, of course, to the rendering of texts from one language into another and the shift between languages under precolonial (retelling/transcreation), colonial (domestication), and postcolonial (multilingual trafficking) conditions. It is also concerned with the (in-)adequacy of the Western translation concept of equivalence, the problem of the (un)translatability of cultures, and new postcolonial approaches (representation through translation). Translation here is used as a broader term covering the interaction of cultures, the transfer of cultural experience, the concern with cultural borders, the articulation of liminal experience, and intercultural understanding. Examines the Biblical narratives in their historical, social, archaeological, and mythological contexts and provides a section with a book-by-book summary of the Bible.

This volume consists of some 20 studies on Paul, reflecting 30 years of Pauline research. The author focuses on reading the Pauline texts as closely as possible by applying a keen knowledge of Greek, linguistics, style, rhetoric and exegetical methodology. The articles cover aspects of Paul's background, his conversion to the Christian faith, his style, and particularly his strategies of persuasion and his theology. Romans and Galatians form two of the main foci of his research. Themes investigated include complex and hotly debated issues such as the forensic character of Romans, homosexuality, the so-called new perspective on Paul, and Pauline ethics.

Founded in 1816 with the goal of distributing copies of the Bible throughout the world, the American Bible Society (ABS) is a seminal institution for American Christians. Endorsed in its time by Francis Scott Key, John Jay, Theodore Roosevelt, Billy Graham, Harry S. Truman and Dwight D. Eisenhower, today the ABS is a ministry based in Philadelphia with a \$300 million endowment and a mission to engage 100 million Americans with the Bible by 2025. In *The Bible Cause*, the first complete history of the ABS in nearly thirty years, noted American historian John Fea demonstrates how the history of the ABS has intersected at nearly every point with the history of the United States. For the last two hundred years, the ABS has steadily increased its influence both at home and abroad, working with all Christian denominations in the US and internationally and aligning itself whenever possible with the gatekeepers of American religious culture. Over the years

ABS Bibles could be found in hotel rooms, bookstores, and airports; on steamboats, college and university campuses; the Internet; and even behind the Iron Curtain. Its agents, Bibles in hand, could be found on the front lines of every American military conflict from the Mexican-American War to the war in Iraq. However and wherever the United States developed, the ABS was there. Throughout the last two centuries ABS has never wavered in its mission to place the Bible in the hands of as many people as possible, and its commitment to be the guardian of a Christian civilization has been proven many times over.
