

Government In America 11th Edition Ebook

PUBLIC ADMINISTRATION IN AMERICA tackles the current and emerging trends, ethics, and challenges in public administration with the most comprehensive scholarship available. The Eleventh Edition gives you a behind the scenes look at day-to-day operations while examining the policies implemented and the procedures undertaken across the various levels of American government. The most current applications of public administration are discussed and analyzed, with up to date coverage of recent education initiatives such as Race to the Top, the ongoing health care debates, Homeland Security challenges and threats, and much more. To encourage student engagement, the Eleventh Edition introduces two new features, Point/Counterpoint and What Would You Decide?, where students are invited to play an active role in debating and discussing some of the most up-to-date topics. Presented in a comprehensive and easy-to-understand format, PUBLIC ADMINISTRATION IN AMERICA builds student knowledge of core concepts while showing them the path to an exciting and fulfilling career in politics and public administration--where they can make a difference! Imparting an invaluable perspective on contemporary domestic affairs, a classic work of political theory examines the competing forces in American political discourse and how fringe groups can influence--and derail--the larger agendas of a political party. Reprint. 12,500 first printing.

For courses in American Government See who gets what, when and how, in American politics Revel(TM) Politics in America introduces students to the political struggles that drive democracy, examining the participants, the stakes, the processes, and the institutional arenas that comprise the power game of American politics. This pragmatic text is built around power and elite-mass conflict, and written from a centrist perspective. Using one of the classic definitions of politics -- "who gets what, when and how" -- as their unifying framework, authors Keith Gaddie and Thomas Dye focus on conflict and controversy, challenging students to think and talk about hot-button issues as they learn the basics of American government. The 2018 Elections and Updates Edition offers new narrative coverage of the major issues from today's headlines including the 2018 midterm elections, recent policy under the Trump administration, and the nomination of Brett Kavanaugh to the Supreme Court. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with

them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

American Constitutional Law, Volume II provides a comprehensive account of the nation's defining document, examining how its provisions were originally understood by those who drafted and ratified it, and how they have since been interpreted by the Supreme Court, Congress, the President, lower federal courts, and state judiciaries. Clear and accessible chapter introductions and a careful balance between classic and recent cases provide students with a sense of how the law has been understood and construed over the years. The Tenth Edition has been fully revised to include twelve new cases, including key decisions *Obergefell v. Hodges*, *Burwell v. Hobby Lobby Stores*, *Shelby County v. Holder*, *Horne v. Department of Agriculture*, and *Riley v. California*. A revamped and expanded companion website offers access to even more additional cases, an archive of primary documents, and links to online resources, making this text essential for any constitutional law course.

The Basics of American Government is a collaborative effort among eight current and one former faculty members in the Departments of Political Science and Criminal Justice at University of North Georgia. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. Furthermore, the work combines the best aspects of both a traditional textbook and a reader in that most chapters offer a piece of original scholarship as a case study to bolster or reinforce the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics.

Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755–1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

Books à la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book. This Package Contains: MyPoliSciLab with E-Book Student Access Code Card and Government in America: People, Politics, and Policy, Brief Edition, Books a la Carte Edition Updated in a new 11th edition, Government in America: People, Politics, and Policy, illustrates the impact that government has on the daily lives of each and every American, particularly its effect on students. Winner of the 2017 Mac Jewell Enduring Contribution Award of the APSA's State Politics and Policy Section. Politics in the American States, Eleventh Edition, brings together the high-caliber research you expect from this trusted text, with comprehensive and comparative analysis of the 50 states. Fully updated for all major developments in the study of state-level politics, including capturing the results of the 2016 elections, editors Virginia Gray, Russell L. Hanson, and Thad Kousser bring insight and uncover the impact of key similarities and differences on the operation of the same basic political systems. Students will appreciate the book's glossary, the fully up-to-date tables and figures, and the maps showcasing comparative data.

"Mass Media and American Politics is the most comprehensive and best book for political communication. This text has made it easy for my students to learn about research and theory related to political journalism and the political communication system in America. It has great utility and insight while being comprehensive but not overwhelming for students." —Jason Martin, DePaul University Known for its readable introduction to the literature and theory of the field, Mass Media and American Politics is a trusted, comprehensive look at media's impact on attitudes, behavior, elections, politics, and policymaking. This Tenth Edition is

thoroughly updated to reflect major structural changes that have shaken the world of political news and examines the impact of the changing media landscape. It includes timely examples from the 2016 election cycle to illustrate the significance of these changes. This classic text balances comprehensive coverage and cutting-edge theory, shows students how the media influence governmental institutions and the communication strategies of political elites, and illustrates how the government shapes the way the media disseminate information. Written by Doris A. Graber—a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics—and Johanna Dunaway, this book sets the standard. Additional time is required for outside content and/or packaging with other components.

Known for shedding light on the link among the courts, public policy, and the political environment, Judicial Process in America provides a comprehensive overview of the American judiciary. In this Tenth Edition, authors Robert A. Carp, Ronald Stidham, Kenneth L. Manning, and Lisa M. Holmes examine the recent Supreme Court rulings on same-sex marriage and health care subsidies, the effect of three women justices on the Court's patterns of decision, and the policy-making role of state tribunals. Original data on the decision-making behavior of the Obama trial judges—which are unavailable anywhere else—ensure this text's position as a standard bearer in the field.

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever.

Barron's AP U.S. Government and Politics with Online Tests has been completely rewritten to reflect the redesigned AP U.S. Government and Politics curriculum and exam implemented for the 2018-2019 school year. This edition is aligned with the most recent exam changes and includes: Two full-length practice exams in the book with all questions answered and explained Three full-length online practice tests with all questions answered and explained Updated content including recent Supreme Court decisions and the 2016 Presidential election Newly revised free-response questions with rubrics Extensive subject review of the branches of federal government, political parties, and more American government is in the midst of a reputation crisis. An overwhelming majority of citizens—Republicans and Democrats alike—hold negative perceptions of the government and believe it is wasteful, inefficient, and doing a generally poor job managing public programs and providing public services. When social problems arise, Americans are therefore skeptical that the government has the ability to respond effectively. It's a serious problem, argues Amy E. Lerman, and it will not be a simple one to fix. With Good Enough for Government Work, Lerman uses surveys, experiments, and public opinion data to argue persuasively that the reputation of government is itself an impediment to government's ability to achieve the common good. In addition to improving its efficiency and effectiveness, government therefore has an equally critical task: countering the belief that the public sector is mired in incompetence. Lerman takes readers through the main challenges. Negative perceptions are highly resistant to change, she shows, because we tend to perceive the world in a way that confirms our negative stereotypes of government—even in the face of new information. Those who hold particularly negative perceptions also begin to "opt out" in favor of private alternatives, such as sending their children to private schools, living in gated communities, and refusing to participate in public health insurance programs. When sufficient numbers of people opt out of public services, the result can be a decline in the objective quality of public provision. In this way, citizens' beliefs about government can quickly become a self-fulfilling prophecy, with consequences for all. Lerman concludes with practical solutions for how the government might improve its reputation and roll back current efforts to eliminate or privatize even some of the most critical public services.

Sidlow/Henschen's GOVT, 11e delivers an accessible and concise overview of American government that engages students of all generations and learning styles. Thorough coverage of the 2020 election includes insights into the presidential, Congressional and state races as well as the number of women and minority group members elected, the impact of campaign finance and the accuracy of public opinion polls. Reflecting the latest political and governmental developments, GOVT also discusses the latest civil rights issues and concerns, Supreme Court decisions through June 2020, liberty during the pandemic, tariffs, constitutional rights of foreigners, presidential pardons and much more.

Concise yet comprehensive chapters in a modern design are easy to read, while Tear-Out Review Cards at the back of the book give you a portable study tool for class and test prep. Examine Texas politics in historical, economic, and demographic contexts Government and Politics in the Lone Star State guides students through the historical, economic, demographic, and political environment that has made Texas government and political culture what it is. Drawing on their experiences in political science, journalism, and consulting, Tucker Gibson, Clay Robison, and new coauthor Joanne Connor Green explain Texas's governmental institutions, the players who influence them, and how these factors compare to those in other states. The 2014 Elections and Updates Edition has been revised to meet the outcomes instituted by the Texas education commission board, and includes updated content on the major issues in today's headlines to help students become informed voters and participants in Texas's dynamic policymaking process.

This Update includes discussions about September 11th, the war on terrorism and the midterm elections and includes access to the new LongmanParticipate.com Version 2.0. This Update is the Brief Sixth Edition of Government in America with new discussions inserted into the text without changing the page numbering. It gives students the most current and

accurate portrait of their government with the least amount of disruption to instructors. Since the page numbers don't change, instructors using the Brief Sixth Edition do not have to change their syllabi to use this Update. The currency of this text will help engage students in the text material and the discussions of September 11th will help to answer their questions about the ways in which the tragedy has impacted our lives and our system. Government in America Brief Edition Election Update, continues to be a popular and accessible text, featuring a highly lauded "politics matters" focus that instructors can depend upon to engage students in the study of American government. "Politics matters" is a natural outgrowth of the text's long-standing emphasis on public policy: by emphasizing policy throughout, the authors illustrate to students the ways in which government has a direct impact on their lives and encourage them to see why the course material is so important to study, understand, and participate in.
