Designed to be a teacher's go-to resource for all Common Core record-keeping needs. Allows teachers to quickly reference Common Core standards for math and language arts as well as manage a year's worth of assessment. Each anchor and domain is presented in full and paired with crosswalks to give the teacher an overview of what students should have learned in the previous grade, and what they will need to prepare for in the next grade. --From publisher's website description.

Evidence-Based Writing for grade 2 offers 64 pages of writing practice and prompts. It is aligned with the Common Core State Standards and includes a writing rubric, a student writing checklist, a five-page writing process practice packet, and pages of writing prompts to encourage higher-level thinking and thoughtful writing. Each writing prompt is paired with a graphic organizer to help students plan, research, and prewrite. Specific writing types taught are opinion/argumentative, informative/explanatory, narrative, and research writing. Grade 2 writing prompts include spending money, video games, the perfect pet, Rosa Parks, healthy bodies, and types of homes. An accompanying online resource offers samples of scored student writing. The Applying the Standards: Evidence-Based Writing series emphasizes the reading↔writing connection by requiring students to read and use facts from literary and informational texts. This is a series of six 64-page books for students in kindergarten to grade 5. Various writing skills are taught in correlated activities such as prewriting, drafting,
