Nella Larsen (1891-1964) occupies a central place in African-American and Modernist literature, and her status as a Harlem Renaissance woman writer is rivaled only by Zora Neale Hurston's. This Norton Critical Edition of Larsen's electrifying 1929 novel is accompanied by Carla Kaplan's insightfully detailed introduction, explanatory annotations, and a Note on the Text "Backgrounds and Contexts" connects *Passing* to the historical events of the day, most notably the sensational Rhinelander/Jones case of 1925. Fourteen contemporary reviews are reprinted, including those by Alice Dunbar-Nelson, W. B. Seabrook, Mary Griffin, and W. E. B. Du Bois. Little-known documents, including those by Juanita Ellsworth and Caleb Johnson, reveal America's fascination with-and fear of-the cultural phenomenon of passing. Also included are Larsen's statements on the novel and on passing, as well as a generous selection of her letters. The theme

Western culture and Indian nationalism while exploring the complex relationships of men and women in modern India. Concerned for his wife, who spends most of her days inside, Nikhil, an educated aristocrat, brings Bimala to a political rally. There, they hear the magnanimous revolutionary Sandip speak out against British imperialism and call for Indian independence. Although Nikhil remains passive, if not indifferent, regarding British rule, Bimala, who comes from a poor family, reaches a political awakening of her own. When Nikhil and Bimala invite Sandip to stay as a guest at their home, Bimala moves further away from her traditional role as a wife and begins to develop romantic feelings for the radical figure. Aware of his growing influence, Sandip places himself between Nikhil and his wife while secretly attempting to convince Bimala to use her husband's wealth to support the Swadeshi cause. *The Home and the World* is a masterful novel that explores the personal behind the political, inserting the lives of individuals into history's great wheel without losing sight of humanity. With a beautifully designed cover and professionally typeset manuscript, this edition of Rabindranath Tagore's *The Home and the World* is a classic of Indian literature reimagined for modern readers.

New York Times best-selling author and primatologist Frans de Waal explores the fascinating world of animal and human emotions. Frans de Waal has spent four decades at the forefront of animal research. Following up on the best-selling *Are We Smart Enough to Know How Smart Animals Are?*, which investigated animal intelligence, *Mama's Last Hug* delivers a fascinating exploration of the rich emotional lives of animals. *Mama's Last Hug* begins with the death of Mama, a chimpanzee matriarch who formed a deep bond with biologist Jan van Hooff. When Mama was dying, van Hooff took the unusual step of visiting her in her night cage for a last hug. Their goodbyes were filmed and went viral. Millions of people were deeply moved by the way Mama embraced the professor, welcoming him with a big smile while reassuring him by patting his neck, in a gesture often considered typically human but that is in fact common to all

primates. This story and others like it form the core of de Waal's argument, showing that humans are not the only species with the capacity for love, hate, fear, shame, guilt, joy, disgust, and empathy. De Waal discusses facial expressions, the emotions behind human politics, the illusion of free will, animal sentience, and, of course, Mama's life and death. The message is one of continuity between us and other species, such as the radical proposal that emotions are like organs: we don't have a single organ that other animals don't have, and the same is true for our emotions. Mama's Last Hug opens our hearts and minds to the many ways in which humans and other animals are connected, transforming how we view the living world around us.

Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other "midnight's children," all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

This is the story of two people living one life. Arthur and Waldo Brown were born twins and destined never to grow away from each other. They spent their childhood together. Their youth together. Middle-age together. Retirement together. They even shared the same girl. They shared everything - except their view of things. Waldo, with his intelligence, saw everything and understood little. Arthur was the fool who didn't bother to look. He understood. We all have dreams—things we fantasize about doing and generally never get around to. This is the story of Azar Nafisi's dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they

began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—Pride and Prejudice, Washington Square, Daisy Miller and Lolita—their Lolita, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby*, which he saw as an immoral work that preached falsehoods of "the Great Satan," she decided to let him put *Gatsby* on trial and stood as the sole witness for the defense. Azar Nafisi's luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women's lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. Praise for Reading *Lolita* in Tehran "Anyone who has ever belonged to a book group must read this book. Azar Nafisi takes us into the vivid lives of eight women who must meet in secret to explore the forbidden fiction of the West. It is at once a celebration of the power of the novel and a cry of outrage at the reality in which these women are trapped. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. *The Great Gatsby* is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster.
