Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. The shorter section covers traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and seeking information putting actions into context * expressing likes, dislikes and preferences comparing objects and actions. All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background. Written by experienced teachers and academics, the Grammar has a strong emphasis on contemporary usage. Particular attention is paid to indexing and cross-referencing across the two sections. This is the ideal reference grammar for learners of Spanish at all levels, from elementary to advanced. It will prove invaluable to those with little experience of formal grammar, as no prior knowledge of grammatical terminology is assumed and a glossary of terms is provided. The book will also be useful to teachers seeking back-up to functional syllabuses, and to designers of Spanish

courses.

"Experiencias offers carefully sequenced activities, pre-tested in the authors' own classes, that focus on personal interaction and real communication. All face-to-face activities are easily adaptable for digital environments and writing assignments. Recycling Throughout both volumes, Experiencias incorporates activities that recycle previously learned material but with new topics, which allows students to continue mastering vocabulary and structures encountered earlier in the program"--

Designed for Spanish-speaking students who have little or no knowledge of Spanish or English grammar. Covers basic punctuation and capitalization in English, the verbs to be and to have, contractions with to be, a, an, and the, and possessive adjectives.

En espanol is a multi-level Spanish program for middle school and high school that provides a balanced approach to proficiency and grammar along with interdisciplinary features and projects to build confident communicators.
