Paul Hollywood is Britain's favourite master baker. His new book is all about bread - how to make it and how to use it. But while it's all very well making a lovely loaf of bread, can you guarantee that it won't be wasted? You know those times when you have a lovely crusty loaf, fresh from the oven, and you have a horrible feeling that after the initial excitement is over, half of it's going to get pushed aside and not eaten...? Well, maybe it's time to bring bread back into mealtimes for real. Not only does Paul teach you exactly how to make a variety of breads, but for each one there is a spin-off recipe that shows you how to make a fantastic meal of it. The book has six chapters, each with five bread recipes - plus the spin-off recipes for main courses. Not only are Paul's recipes delicious but they are also foolproof, with comprehensive step-by-step photographs. Try your hand at a basic white bloomer, which can become a savoury picnic loaf; stilton and bacon rolls, which are excellent served with celery soup; fluffy crumpets, which become the base for eggs Benedict; flatbreads, which are a natural pairing with chickpea masala; ciabatta, which the Italians have traditionally used as a base for tomatoey panzanella; pizza bases, which can become home-made fig, Parma ham and Gorgonzola pizzas; or white chocolate and raspberry bread, which makes for the best summer pudding you've ever tasted. Tying in with the BBC2 television series, Paul Hollywood's Bread is all that you could want from a book and more. Get baking!

Cooking in her tiny Manhattan kitchen was, at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on Google? You'll get more than three million results. Where do you start? What if you pick a recipe that's downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new, plus a few favorites from the site—that guarantee delicious results every time. Gorgeously illustrated with hundreds of her beautiful color photographs, The Smitten Kitchen Cookbook is all about approachable, uncompromised home cooking. Here you'll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you'll bookmark and use so often they become your own, recipes you'll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and the essential items you need for your own kitchen. From salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe Cake, Deb knows just the thing for a Tuesday night, or your most special occasion.
