Jungle and Drum & Bass was like nothing else the world had experienced before - simultaneously black and white, urban and suburban, old skool attitude and new school innovation. A socio-cultural melting pot of early 90s broken Britain seizing the wheel and taking control of the machine. Originally published in 1997, State of Bass explores the scene's roots through its social, cultural and musical antecedents and on to its emergence via the debate that surrounded the apparent split between jungle and drum & bass. Drawing on interviews with some of the key figures in the early years, State of Bass explores the sonic shifts and splinters of new variants, styles and subgenres as it charts the journey from the early days to its position as a global phenomenon. State of Bass extends the original text to include the award of the Mercury Prize to Reprazent for the New Forms album and brings new perspectives to the story of the UK's most important subterranean urban energy.

Renegade Snares is the definitive book on drum & bass music. Pieced together using original interviews conducted with all the scene's main players, it traces the history of jungle/drum & bass from its early roots in sound system culture and rave music right through to the present day. With its hyper-speed breakbeats, warping bass pressure, and vast spectrum of sounds, drum & bass quickly spawned a whole new movement in youth culture. What began as an outlaw street reverberation from the inner cities of Britain developed into a Mercury-winning, chart-topping, world-conquering genre in just a few short years. The frontier-breaking sorcery that emanated from its foundational producers and DJs pushed new levels of sonic science into the music world, and it has influenced all other electronic music genres in assorted ways. From the shock of the new to a global phenomenon, drum & bass has morphed from frowned-upon marginalisation to establishment approval--and back again. A multicultural triumph, it is a story of resistance and resilience that takes in pioneers such as Goldie, Roni Size, Kemistry & Storm, Photek, Fabio & Grooverider, and many more renegade mavericks--even, at one point, David Bowie. With vivid descriptions of key tracks and a

Download Free Guide To Drum N Bass

detailed lineage of the scene's development, *Renegade Snare* traces the genre's gestation while also examining its musical twists and turns, worldwide spread, and enduring popularity. And, ultimately, it asks: surely a genre of music with such a significant grounding in black music culture, developed by so many black pioneers in its formative years, could never be 'whitewashed' . . . could it?

Who better to tell the story of the gentrification of a musical genre than the man who started out as Jungle's most streetwise ambassador and went on to collect an MBE from Buckingham Palace? But Goldie's uncensored, hard-hitting memoir is far more than just the story of the house-training of drum 'n' bass. As one of Britain's most influential DJs, producers, promoters, and record-label owners - whose contributions to the UK rave scene in the 1990s defined the genres jungle and urban rave, Goldie is an iconic figure. Hugely addictive, this gonzo memoir is a vertiginous thrill-ride from the darkest depths of the West Midlands care-home system to the snowiest uplands of coke-crazed international celebrity. It is an explosive story of abuse, revenge, graffiti, gold teeth, sawn-off shotguns, car crashes, hot yoga, absent fatherhood, and redemption through reality TV.

In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

There are plenty of books available for drummers and bassists separately, but few cater to the needs of these players as a unit. *Get Locked* fills that void by covering all the tools needed to become a solid rhythm section.
