The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: \* Practice test questions with detailed answer explanations \* Step-by-step video tutorials to help you master difficult concepts \* Tips and strategies to help you get your best test performance \* A complete review of all GED test sections \* Mathematical Reasoning \* Reasoning Through Language Arts \* Science \* Social Studies GED(R) is a registered trademark of the American Council on Education (ACE) and administered exclusively by GED Testing Service LLC under license. This material is not endorsed or approved by ACE or GED Testing Service. The Mometrix guide is filled with the critical information you will need in order to do well on your GED exam: the concepts, procedures, principles, and vocabulary that the American Council on Education (ACE) expects you to have mastered before sitting for your exam. The Mathematical Reasoning section covers: \* Basic Math \* Geometry \* Statistics and Probability \* Algebra The Reasoning Through Language Arts section covers: \* Reading for Meaning \* Identifying and Creating Arguments \* Foundations of Grammar \* Strategy for the Extended Response Section The Science section covers: \* Reading for Meaning in Science \* Designing and Interpreting Science Experiments \* Using Numbers and Graphics in Science \* Science Knowledge Overview The Social Studies section covers: \* Reading for Meaning in Social Studies \* Analyzing Historical Events and Arguments in Social Studies \* Using Numbers and Graphics in Social Studies \* Social Studies Knowledge Overview ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix GED study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of GED practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos

where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. Miller Test Prep's study guide for the ACCUPLACER is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this ACCUPLACER book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all ACCUPLACER exam sections: Reading Comprehension Sentence Skills Write Placer

Imagine walking out the door after taking your test with a big smile on your face because you just got an incredible score on your TASC subject area test. You now have the ability to control your future and you're on your way to an amazing career. Sounds good right? This isn't a fictional story, this is your reality. With the help of Smart Edition's GED study guide we give you the tools and courage to conquer this test, we'll help you get there, it's why we exist. Let's go ahead and get a few questions out of the way. Q. Is Smart Edition credible? A. 100% yes, which can't be said for most TASC study guides. Our founder has been publishing test prep study guides for over 20 years mastering the art of making great study guides. We only work with highly qualified subject matter experts to develop the content and our editorial team is second to none ensuring you get the highest quality materials. We don't mess around when it comes to preparing for the TASC.Q. Has it helped other students and will it help me pass the test? A. You bet, we help over 30,000 students per year prepare for and dominate the TASC to the best of their ability. Our reviews speak for themselves.Q. Why should I buy the Smart Edition book instead of any other options, how are you different? A. It's pretty simple, you get better quality material that is more accurate to what is on the actual test and way more online resources and tools for your money. Feel free to study from a different study guide that is just okay, but not great, however, we don't recommend it. Make sure any practice test workbook you buy checks off these items: Material that accurately represents what's actually on the test ? Video lessons for every skill and lesson in the book ?Practice tests both in the book and online ?Flashcards online for every subject Features:1. 4 Practice tests containing 1,300 realistic questions and explanations Practice and repetition are one of the best ways to become more familiar with the material and the test itself. You can take the tests online as many times as you like. 2. Scored practice test report At the end of your online test, you receive a scored report with your score for each section and a breakdown of your strengths and weaknesses. This is crucial to know when deciding how to approach studying for the test. If you can identify your weak areas then you will know where you need to focus your studying, the time this saves you is invaluable. 3. Online video lessons You'll have access to over 100 video lessons covering every topic and lesson on the test. People like to learn in different ways, it's likely you would benefit from having both chapters in print as well as a video lesson to talk you through it. 4. Online flashcards for every subject with over 400 flashcards Flashcards are essential to reinforce what you are learning, it's safe to say you won't find any other study guides that include online flashcards. Amazing! You made it all the way to the end of this product description. So what are you waiting for? If needed go back to the top and re-read the part about you walking out of the test with a big smile on

your face after passing. It's your day, it's your time, let's do this.

Students and social workers preparing for the social work Masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the U.S., the guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters' "Knowledge, Skills, and Abilities" upon which the exam is based, as well as incorporates information from the DSM-5, which will be included in the exam starting in mid-2015. The guide is comprehensive yet focused on the material most likely to be included on the exam, so that students can prioritize information as they study. A self-assessment section helps readers identify their strengths and weaknesses before they tackle the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure.
