curricular strands, encouraging links to other subjects. Comprising 16 fiction and ten non-fiction titles, the 25 books at each level span a two-year reading age and the three-tier levelling system within each level facilitates an accurate match of reading ability and text. The full-colour readers are accompanied by teacher's guides and resource sheets to help teachers get the most out of their guided reading and writing sessions.

This book presents a practical framework for the teaching of thinking skills and problem-solving with children across Key Stages 2 and 3. Using examples of topics from the National Curriculum, teachers are presented with classroom techniques and activities, which systematically develop these skills. While accommodating the needs of all learners, the book caters for the need to differentiate learning activities to extend the more able learners. Included are suggested activities for developing thinking and problem-solving skills relating to the National Numeracy Curriculum, the National Literacy Strategy and the National Science Curriculum. The book also includes activities to support the development of thinking and problem-solving skills in information communication technology (ICT), models of successful practice, and photocopiable activities. The skills and strategies suggested all derive from real classrooms and teachers and as such are practical and useful. There is clear guidance on adopting certain

teaching techniques, lesson planning and organization. This book will be useful for teachers and headteachers working at Key Stages 2 and 3, all SENCOs and Advisory Teachers.

Building Vocabulary provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary: Foundations for grades 1-2, empowers beginning readers to learn words by identifying word parts or word families that share common sounds. Students will build vocabulary through the use of poetry, word endings, and simple roots. Building Vocabulary: Foundations: Level 2 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.
